TYSONS COMMUNITY OPEN HOUSE

There will be a Tysons Community open house on Wed., June 15, at 7 p.m. at Spring Hill Elementary School, 8201 Lewinsville Rd., McLean. The open house will provide information about on-going Tysons planning and implementation activities since the adoption of a new Comprehensive Plan last year.

Representatives from Fairfax County agencies will provide updates and answer questions. Rezoning applicants who have submitted plans to redevelop in line with the new vision for Tysons will also be available to present their proposals and answer questions. For more information, please contact Matt Ladd at 703-324-1380 or e-mail tysons@fairfaxcounty.gov.

BATTLE OF VIENNA Reenactment, Living History and Encampment June 17-18, 2011

You're invited to a reenactment of the historic "Battle of Vienna" on Saturday, June 18 at 6 p.m. sharp on the grounds of the Vienna Community Center, 120 Cherry St. SE. In addition to the reenactment, civilian and military encampments will be open to the public from 10 a.m. to 7:30 p.m., with various period demonstrations from 10 a.m. to 4 p.m. There will be a replica train, on loan from the Town of Strasburg, as well as canon firings and infantry demonstrations throughout the day.

On Friday, June 17, join us on the Town Green, 144 Maple Ave., E at 6:30 p.m. for period music performed by Evergreen Shade and a presentation of Civil War Stories by local historian Jim Lewis of the Hunter Mill Defense League.

**All events are free and appropriate for all ages.
See page 8 for a complete schedule of events.**

GET INVOLVED! Membership on Vienna's boards and commissions provides citizens the opportunity to become actively involved in Town affairs. An application for appointment is on pages 5 and 6 of this newsletter.

PUBLIC HEARING ON FY 2011 TAX RATE, WATER AND SEWER RATES

At its June 6 meeting, the Town Council will hold a public hearing on the proposed Town real estate tax rate for fiscal year 2011-2012. The meeting will begin at 8 p.m. in the Council Chamber at Town Hall.

The FY 2012 budget is based on a real estate tax rate of 24.35 cents per \$100 of assessed valuation, which represents a decrease of .13 cents from the FY 2010-2011 rate, but is an effective tax rate increase as defined by law.

Citizens can use the online calculators available on the Town's Web site, www.viennava.gov, to see how the proposed budget will affect their taxes compared to the current year. For more information on real estate tax, call the Real Estate Office at 703-255-6325 or e-mail realestate@viennava.gov.

Also at the June 6 meeting, a public hearing will be held on water and sewer rates for next fiscal year. The proposed budget is based on decreasing water rates by 15 cents per 1,000 gallons and increasing sewer rates by 50 cents per 1,000 gallons for all users. Overall, the change in the rate structure is estimated to increase the average residential bill by \$26.84 per year or \$2.24 per month.

Adoption of the budget is scheduled for the June 20 Town Council meeting. The new budget will take effect July 1.

For more information about the budget or to obtain printed copies when they become available, call the Administrative Services Office at 703-255-6350. The budget will be posted on the Town's website at www.viennava.gov following adoption.

COMMENT FROM THE COUNCIL TABLE

CHANGE IS ALL AROUND US

By M. Jane Seeman, Mayor of Vienna

Change is everywhere these days. It's always nice to get a little change back from a purchase. It's nice to see the change of seasons; a change that brings people out walking and biking. We see changes in the type of activity on our sports fields. All these are good changes.

Other changes are happening in Vienna. A change on a neighborhood street where once there was a house, now there is no house or a new one. Residential building permits have increased 40% since this time last year—a big change! There are changes along our commercial corridor, too. New stores and shops are opening in Vienna almost weekly. Some of these changes bring more noise and more traffic; changes we have to deal with in constructive ways. We continue to add more sidewalks to our neighborhoods, connecting schools, parks and people. We are also looking at ways to encourage biking to the Metro, shops and to other Town amenities.

The construction of the additional HOT/HOV lanes on the Capitol Beltway can be confusing and inconvenient. The Silver Line MetroRail in Tysons Corner will bring more changes to Vienna residents trying to navigate

the roads. The Town Council has been proactive in advocating for better transportation, recreational facilities and infrastructure so that Vienna will not be overwhelmed with the planned Tysons development. Increased traffic in Northern Virginia is a change that is unwelcome, frustrating and here to stay. We need to be able to move people in more efficient and effective ways.

In Town Hall we are experiencing many changes. A new Council member, Carey Sienicki, will replace Dan Dellinger on July 1, who replaced George Lovelace upon his retirement. Both Mr. Dellinger and Mr. Lovelace retired from Town Council in 2010. Mrs. Sienicki is an architect and has served on the Town's Planning Commission since 2009. As a member of Council, the Town will benefit from her experience and enthusiasm.

Just last month, John Schoeberlein, long-time Town Manager, retired after more than 25 years of successfully guiding the Town through good and challenging times.

After a long and thorough process, Town Council selected Mr. Mercury Payton as the new Town Manager, effective May 10. He was carefully

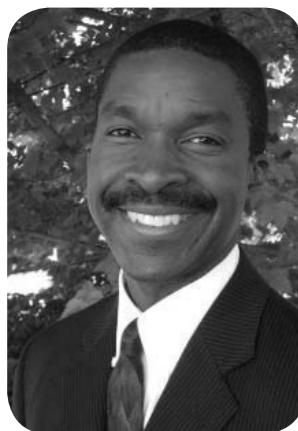

chosen after the Council received more than 90 resumes for that position. Mr. Payton has experience managing several Virginia towns and cities, most recently serving as City Manager of Manassas Park. We are all looking forward to working with him on the many projects and issues facing the Town. I am confident the residents of Vienna will make Mr. Payton and his family feel welcome.

Change can be challenging. Change for the sake of change may not always be positive. Sometimes we fear change or don't look favorably at change. The Town needs to carefully evaluate and plan for the changes that are facing us. To succeed we must adapt, adopt and persist for the sake of preserving the quality of life we all enjoy in Vienna.

NEW TOWN MANAGER APPOINTED

At the May 9 Town Council meeting, Council officially appointed Mercury T. Payton as the new Town Manager. Mr. Payton replaces long-time Town Manager John Schoeberlein who retired on May 1.

Mr. Payton has worked in municipal government for almost 15 years and most recently served as City Manager for the City of Manassas Park, Virginia. He has a Master of Public Administration Degree from the

University of Delaware and completed the Senior Executive Institute program through the Weldon Cooper Center for Public Service at the University of Virginia.

Mr. Payton, his wife Andrea and their children Amar, Avery, Marielle, Macy and Marissa will relocate to Vienna on July 1, and are excited to call Vienna home.

CHESAPEAKE BAY PRESERVATION AREA ORDINANCE AMENDMENTS TO BE CONSIDERED BY COUNCIL

Town Council will consider four ordinance amendments of the Town Code relating to the Chesapeake Bay Preservation Area on Monday, June 6, at 8 p.m. The Department of Conservation and Recreation's Division of Chesapeake Bay Local Assistance Advisory completed a review of the Town's ordinance and found that there are deficiencies within the Town's land development ordinances with regards to required plat and site plan notations. The deficiencies within the Code must be addressed and remedied prior to the next compliance evaluation. The proposed ordinance amendments include:

- Chapter 17, Subdivisions, Article 2, Preliminary Plats, amending 17-15.
- Chapter 18, Zoning, Article 21.1, Chesapeake Bay Preservation Area, amending 18-216.1.3, General Provisions;
- Chapter 18, Zoning, Article 21.1, Chesapeake Bay Preservation Area, amending 18-216.1.5, Performance Criteria, Section (B)(2); and
- Chapter 18, Zoning, Article 22, Administration and Enforcement.

The proposed amendments will codify the Town's current practices as they relate to the Chesapeake Bay Preservation areas in Town. For those who are currently affected by the Chesapeake Bay Preservation Area legislation, the existing provisions of the ordinance, including existing grandfather provisions, remain unchanged. The proposed changes are to ensure that certain notifications pertaining to Resource Protection Areas (RPA) and Resource Management Areas (RMA) are included on any site plan or house location plat when proposing new construction activities.

The proposed amendments are available for public view on the Town's website at www.viennava.gov.

Interested residents are encouraged to attend the June 6 Town Council meeting. For more information, please contact the Department of Planning and Zoning at 703-255-6341.

REAL ESTATE TAX DUE NEXT MONTH

The first installment on 2011 Town of Vienna real estate tax bills is due on July 28. Mailed payments must be postmarked on or before that date to avoid penalties and interest. For your convenience, an overnight drop box is located at the front door of Town Hall.

Tax bills will be mailed out the first week of July. If your Vienna taxes are paid through your mortgage company and you receive the tax bill, please notify your mortgage company immediately. If you have sold the property and are not responsible for the tax bill you receive, please notify the Real Estate Office immediately at 703-255-6325 or realestate@viennava.gov.

To pay by credit or debit card online, go to www.viennava.gov/Town_Departments/onlinepay.htm. To pay by phone with a credit card, call 1-888-2PAYTAX (1-888-272-9829) and use the Jurisdiction Code 1094 for real estate. Make sure you record the confirmation number given to you at the end of the transaction, as this will serve as your proof of payment. A convenience fee applies to all credit or debit card payments. No portion of this fee goes to the Town of Vienna.

Town of Vienna property owners must also pay Fairfax County real estate tax. For information on County tax payments, call 703-222-8234 or visit www.fairfaxcounty.gov/dta/homepage.htm.

YARD SALE REGULATIONS

*A reminder from your Vienna
Planning & Zoning Department*

- Each residence and/or family household may conduct no more than two yard sales during any calendar year. No permit is required.
- Each sale must be conducted during daylight hours for no more than two consecutive weekends (Saturday and Sunday).
- To advertise your sale, two signs of not more than two square feet each are permitted at the residence where the sale is being conducted.
- Four additional signs of not more than two square feet each are permitted, as directional signs, provided permission is received from the owner of the property where the signs are to be placed.
- No sign may be exhibited more than two days prior to the start of the sale.
- Signs are not allowed in Town rights-of-way (10 feet from the curb or edge of pavement) or on utility poles. All signs placed illegally will be removed.

If you have questions about these regulations or to report violations, please call the Planning and Zoning Department at 703-255-6341.

ELECTION RESULTS

In the May 3 Town election, Town Council members Laurie DiRocco and Howard Springsteen were re-elected and Carey Sienicki was elected to two-year terms beginning July 1.

The vote totals are as follows:

DiRocco: 825
Springsteen: 770
Sienicki: 742
Barahmand: 157

A total of 964 Vienna residents voted in this election, out of 11,105 registered voters, and is a 9% voter turnout. Thanks to all citizens who took the time to vote as well as those who served as election officers.

TOWN EMPLOYEES DROP 479 POUNDS

In January, the Town's Wellness Committee kicked off the Town's own version of the "Biggest Loser" competition. With the help of local business Evolution Health and Fitness, 41 Town employees shed 479 pounds over a four month period.

The program enlisted the assistance of Mark Lander, owner of Evolution Health and Fitness, who volunteered to oversee the program. He weighed in participants on a weekly basis and provided feedback and coaching to help the participants along their weight-loss journey.

The winner of the competition was Pat Shaw, a member of the Vienna Police Department, who lost almost 25% of his total body weight during the program. The second place winner was Craig Schlemmer, Department of Public Works employee, who lost over 15%. Not one participant ended the program weighing more than where they started.

The purpose of this program was to promote healthy habits that will last a lifetime and to ensure a healthy work force for the Town of Vienna.

On Friday, May 13, the Town held an employee "Field Day" to celebrate the successful completion of the Biggest Loser Program. The Vienna Inn and Church Street Pizza sponsored the event and provided lunch for the participants.

In an effort to continue on this path of a healthy and active lifestyle, the Town is once again partnering with Mark Lander and Evolution Health and Fitness for the Town's "Summer Meltdown," which begins at the end of the month. Look for the results of this program in the September 2011 Town Newsletter.

CALL TO PARTICIPATE IN A VIENNA SUSTAINABILITY HOME AND GARDEN TOUR

In late spring this year the Community Enhancement Commission would like to sponsor a tour of homes and gardens in Vienna. If you have installed rain gardens, rain barrels and/or a native garden and would like to show it off, let us know. If you have installed geothermal heat, solar PV and/or solar hot water and would like to talk to your neighbors about how this has worked for you, let us know. If you have re-insulated your home and sealed it up to make it more comfortable and energy efficient and would like to discuss your experience, let us know. We'll get back to you once we have the plan in place and hopefully you'll be on our tour!

If you have questions or would like to participate in this tour, contact Cathy Salgado at csalgado@viennava.gov or 703-255-6356.

TOWN OF VIENNA POLICE REMIND DRIVERS: DON'T "BLOCK THE BOX" AND DON'T CUT THROUGH PARKING AREAS

The Town of Vienna Police Department would like to remind drivers to never enter an intersection unless you are able to safely clear it. Commonly referred to as "blocking the box" (the box being the area between intersecting roadways), vehicles are unable to proceed in other directions because another vehicle is blocking that shared intersection. This creates gridlock and headaches for everyone.

Additionally, drivers are reminded that it is illegal to cut through a private property parking area to avoid a traffic control device. This situation is typically seen where traffic is stopped for a red signal and drivers want to make a right turn at an upcoming intersection. This is extremely hazardous and could injure patrons or other pedestrians walking to and from their vehicles or even result in crashes. Both of these offenses are moving violations under Virginia law and a conviction can result in a fine with points being assessed to the driver's record.

The Town of Vienna Police Department will begin an aggressive enforcement wave relative to these two violations in the coming weeks.

THIS MONTH IN HISTORY

From the Vienna Newsletter Archives

June 2001: In order to ensure that Phase II of the Maple Avenue Enhancement Project does not adversely affect either this fall's Halloween Parade or the holiday shopping season for Vienna businesses, the Town Council has approved a revised construction schedule for the project, setting a starting date of March 2002. The project was originally scheduled to begin in March of this year. However, due to additional time required to meet certain Virginia Department of Transportation requirements and other unforeseen delays, work could not have begun until August with a completion date of December 31.

June 1991: The Vienna Parks and Recreation Department has posted signs in several Town parks prohibiting pets from athletic fields and courts, playgrounds, and picnic areas. This was done because of the number of people allowing their dogs to defecate in these areas, creating a nuisance and a potential health hazard to park users.

June 1981: The Vienna Optimist Club has presented a new Telecommunications Device for the Deaf (TDD) to the Christian Fellowship Church for use as a Fairfax County Deaf Hot Line available to anyone needing the service. A TDD allows deaf persons to make phone calls by typing messages back and forth on a TV screen.

June 1971: The Town Council has expressed concern to the County School Board over plans to transport children who have completed 6th grade at Marshall Road School to Luther Jackson Intermediate rather than Thoreau. In spite of overcrowding at Thoreau, Council expressed the hope that the County would reconsider so that Vienna children could preserve a sense of community and identity with the Town.

2011 VIENNA CABOOSE OPEN HOUSE SCHEDULE
