## TOWN LAUNCHES NEW WEBSITE

At the beginning of October, the Town of Vienna unveiled its new and improved website. The Town's website was redesigned in an effort to streamline our online information as well as make it easier for the public to find what they're looking for. The site includes several new features like an online blog authored by Town Council members, an Alert Center that houses up-to-date information on work going on around Town, a subscription area called Notify Me where residents can sign up to receive text messages and e-mails on topics of their choosing, Frequently Asked Questions and more!

As technology improves in the coming years, so will the Town's website. The new site will keep up with technology and implement new features as they become available. Keep an eye on the "Report a Concern" section of the website! The Town is in the process of developing a customer request tracker that will allow residents to submit requests and track them to their completion- all online.

See what Vienna's new website has to offer at [www.viennava.gov](http://www.viennava.gov).

## YOUTH 14 YEARS AND YOUNGER MUST WEAR A HELMET

On September 26, the Vienna Town Council adopted an ordinance that requires anyone age 14 and under riding a bicycle, electric personal assisted mobility device, toy vehicle or electric-power assisted bicycle, to wear a helmet. This ordinance became effective on October 10, 2011. For questions regarding this ordinance, please contact Lt. Dave Pelto at [dpelto@viennava.gov](mailto:dpelto@viennava.gov) or 703-255-6396.

## ANNUAL TOWN CLEANUP DAY

The Annual Town Clean Up Day, sponsored by Vienna's Community Enhancement Commission, will be held rain or shine on Saturday, November 5, from 9 to 11 a.m. Individuals, families and community service groups are invited to participate in making Vienna a more beautiful community.

Clean up your own neighborhood or be assigned to an area of town that needs special attention.

Check in at the Vienna Community Center on Cleanup Day to receive garbage bags and gloves. Walk-ins are welcome, but organizations are asked to register by November 1. Complete an online registration form at [www.viennava.gov](http://www.viennava.gov) or pick one up from the Vienna Community Center. For more information, contact Cathy Salgado at 703-255-6356 or [csalgado@viennava.gov](mailto:csalgado@viennava.gov).

## HOLIDAY CLOSING

Town offices will be closed on Thursday, November 24 and Friday, November 25, in observance of the Thanksgiving Holiday.

There will be no curbside recycling on Thursday or Friday.

# TOWN COUNCIL ACTION

*All votes are unanimous unless noted otherwise.*

**Town Council minutes, agendas and meeting videos are available online at <http://www.viennava.gov/index.aspx?nid=567>.**

## COMMENT FROM THE COUNCIL TABLE

### Community Preparedness Begins with Us All

By Councilmember Carey Sinieki, Vienna Town Council

November is a time for Thanksgiving. The Town of Vienna can be thankful that we fared quite well in a year filled with nature's wrath of unprecedented and unexpected events, i.e. storms, floods, earthquakes, heat waves and heavy snows. Special thanks to our First Responders and Town Staff, who were put into sudden service during these recent events to maintain a safe and healthy environment, so that we all can continue having the benefit of living and working without undue interruption.

While attending the Virginia Municipal League Conference in Richmond last month, I was fortunate to attend informative sessions that addressed the issue of continuity of operations and disaster planning. There were some important lessons that I would like to share with you.

First, each and every one of us play an important initial link in our community's readiness, affecting how quickly we can emerge from the subsequent recovery. Whether a resident or businessperson in the Town, one of our most basic civic duties is individual responsibility.

Because we do not know if future disasters will be small or large, natural or man-made, it is essential for us to prepare now, so first responders can assist others who are unable to help themselves. Start at home or work as an active participant by practicing some simple strategies. I hope when asked, we can all answer the call: "Yes, we are ready."

1. Create a "Go-Bag" of essential items for your home, business and/or vehicle. Store it in a place that is easily accessible, portable and waterproof. Organize items you might need including important documents, cash (coins and bills), first aid items, a list of allergies and vital medications with dosages for each person, essential gear (including LED flashlights, batteries, radio, whistle and phone that does not rely on electricity), water and imperishable food items.

2. Establish (and practice annually) a family or business emergency plan. Remember to include those with unique/specific needs, including the elderly, handicapped, children and pets, those with mobility issues, medications, etc. Also, familiarize yourself with procedures while at other locations, such as government buildings, businesses, schools, and community groups, and other areas that might directly impact you (or could be impacted by you) in the event of an emergency.

3. Identify a shelter-in-place location for various emergency scenarios, in case you and your family or business cannot immediately return to your main location.

4. Create a communication plan, including out of town and secondary numbers. Remember, utility services may be temporarily interrupted or overloaded in our area. Text messaging proves to be one of the most efficient ways to communicate as it utilizes a smaller bandwidth and the message continues indefinitely to be sent until received.
5. Help yourself and the community by getting involved throughout the year. Educate yourself in emergency preparedness strategies, as well as First Aid and CPR. Donate time or resources to organizations that support our community's readiness plan.
6. Subscribe to our Town of Vienna Community Alert and Emergency Notification Service (at [www.viennava.gov](http://www.viennava.gov) under "Vienna Community Alerts" icon), so you and your significant others can be quickly informed by phone, SMS text or e-mail with essential news and instructions.

## VEHICLE LICENSE FEE: TAX RELIEF FOR THE ELDERLY AND DISABLED

If you are an elderly or disabled person or a disabled veteran and have been approved for tax relief by Fairfax County for 2011, you are entitled to ONE vehicle exemption from the Town's vehicle license fee. The Town will automatically exempt one vehicle and send a bill for each of the remaining vehicles you own. You will not receive a bill for the exempt vehicle.

If you have any questions, please leave a message on the Vehicle License Fee Hotline at 703-255-5735 or e-mail [vehicle@viennava.gov](mailto:vehicle@viennava.gov).

## VEHICLE LICENSE FEE DUE NOVEMBER 30

Town of Vienna 2011 Vehicle License Fees are due on November 30 for vehicles garaged in town as of January 1, 2011. The fee is \$33 for vehicles and \$18 per motorcycle and bills will be mailed out on November 1. Payments postmarked after November 30 will incur a \$25 late fee and further collection costs may apply.

If you have a delinquent balance for 2010, it will be billed separately on November 1, 2011.

Vienna residents are responsible for paying the Vehicle License Fee to the Town and Personal Property Tax to Fairfax County. If you have any questions, please contact the Vehicle License hotline at 703-255-5735 or send an e-mail to [vehicle@viennava.gov](mailto:vehicle@viennava.gov). Questions for Fairfax County can be directed to 703-222-8234.

## REAL ESTATE TAX DUE

The second installment of your 2011 Town of Vienna Real Estate Taxes is due on Monday, December 5. If you have not received your bill by November 15, please call the Town's Real Estate Office at 703-255-6325 or e-mail [realestate@viennava.gov](mailto:realestate@viennava.gov).

## FISCAL YEAR 2012-2013 DONATION REQUESTS DUE DECEMBER 9

Friday, December 9, is the deadline for non-profit Vienna organizations to apply for donations of Town funds in Fiscal Year 2012-2013. Applications should be addressed to Town Manager Mercury Payton, Vienna Town Hall, 127 Center St., S, Vienna, VA 22180.

All requests must include the following information:

- Name of the organization and names and addresses of its officers;
- Purpose of the organization and a description of its programs and activities;
- Percentage of members or participants who live in town or who own or are employed by town businesses;
- Organization budget showing all income and expenses for the year in which the donation will be used;
- Amount of funding requested from the Town;
- Purpose for which the donation will be used;
- Synopsis of the fundraising activities being conducted during the current year; and
- Statement signed by the principal officer that membership or participation is open to all residents and business people in town without regard to race, national origin, religion or sex.

## VIENNA EMPLOYEES HOST FIRST GOLF TOURNAMENT

On Columbus Day, Vienna employees hosted the first Vienna Fall Golf Classic at South Riding Golf Club. The event was organized through the Town's Employee Social Committee and was attended by over 48 employees and their friends and families.

## Snow Removal

Sanding and salting operations begin immediately at the onset of snow and ice. Plowing begins when snow has accumulated two inches or more, with the primary streets listed below receiving top priority:

Maple Avenue  
Nutley Street (Marshall to Malcolm)  
Park Street (Maple to Fardale)  
Center Street (North and South)  
Kingsley Road (Nutley to Park)  
Courthouse Road  
Locust Street (Branch to Park)  
Lawyers Road  
Malcolm Road  
Old Courthouse Road  
Creek Crossing Road  
Cottage Street  
Church Street  
Tapawingo Road (Park to Nutley)  
Follin Lane  
Branch Road  
Beulah Road  
Cherry Street (Center to Park)  
Marshall Road  
Electric Avenue  
Glyndon Street (Locust to Church)

Once these streets are, and remain, passable, snowplows then move into residential subdivisions following established routes. Snow removal crews may be required to return to primary streets at any time during snow removal to ensure they remain passable at all times.

## Snow Emergency Routes

Snow emergency routes inside the Town of Vienna are marked by signs. No parking is allowed on these streets during snows so that plows can do a more efficient job of clearing the streets.

## Parking During Snows

When snowplows are at work residents should park only on the side of the street with even-numbered addresses, or in their driveway, garage or carport if possible. This parking plan is voluntary but strongly recommended to enable snowplows to maneuver more easily. It is recommended that residents not to clear private driveways until the snow plows have cleared the street because it is not possible to maneuver a plow in such a way as to keep snow from closing up the driveway entrances.

## Clearing Sidewalks

Residents who are physically able are requested to shovel sidewalks next to their property for the safety of pedestrians, especially schoolchildren. Vienna area teens are available to shovel snow and help with other odd jobs through the Vienna Parks and Recreation Department's Job Bank. Residents can call 703-255-6360 to be matched with a young worker.

Town businesses that hire snowplows to clear their parking lots are asked to ensure that snow is not piled onto adjoining sidewalks or pushed into the street. This creates a serious hazard for pedestrians and snow removal crews.

## Clearing Fire Hydrants & Water Meters

Residents who can be asked to assist the Water and Sewer Division in clearing ice and snow from fire hydrants near their homes. In case of an emergency, firefighters will be able to respond much quicker if the hydrants are accessible.

During winter weather, please keep water meter enclosures clear of snow and ice. If the meter cannot be read due to obstructions, an estimated water bill must be rendered based on past usage during the same quarter the previous year.

## Some Frequently Asked Questions

### About Snow Removal

Q: Which streets are plowed first and why?

A: Primary streets, which are used by emergency service crews, then secondary streets and cul-de-sacs.

Q: Why don't they plow from curb to curb?

A: Plow crews must open area streets for emergency access with the initial pass. Then they go to primary streets and ensure they are clear before returning to the secondary streets and cul-de-sacs.

Q: Why do I sometimes see a snowplow going down the street with its blade up?

A: It may be going to a pre-assigned route, applying sand or returning to the property yard for more sand.

Q: Why don't they plow my cul-de-sac better?

A: Maneuverability in cul-de-sacs is very limited for snow plows, and cars parked on the street create obstacles as well.

Q: Why do they plow the snow onto my yard?

A: This occurs mainly on corner lots because they must remove more snow from the streets in order to widen the intersections for increased safety.

Q: Is there an ordinance requiring residents to shovel sidewalks?

A: The Town of Vienna currently does not have such an ordinance.

Q: Where can I find more information about the Town of Vienna's snow removal services?

A: Please visit the Town of Vienna's website at [www.viennava.gov](http://www.viennava.gov). You can also contact the Department of Public Works Administration office at (703) 255-6380, Monday through Friday.

## THEFT PREVENTION TIPS: AUTOMOBILE LARCENIES

By MPO Bill Murray, Vienna Police Department

The Vienna Police Department has noticed a resurgence of larcenies from vehicles in recent months. The following prevention tips are provided for your safety.

**#1 Prevention Tip:** Lock your doors and remove all valuables from an unattended vehicle.

- Remove all traces of a laptop or GPS unit including cable, suction cup and even suction cup residue.
- Make sure windows are rolled up all the way.
- Take all valuables and extra ignition keys inside with you.
- Document the serial numbers of electronics in case they are stolen. Keep the document in your house.
- Report any unusual foot traffic or behaviors in your neighborhood by calling 9-1-1.
- Quickly report all unusual sounds which occur at unusual times by calling 9-1-1.
- If you see someone or something unusual, and it is safe, note tag number, vehicle type, suspect description, etc. and give it to the police.

## THIS MONTH IN HISTORY

*From the Vienna Newsletter Archives*

**November 2001:** The Virginia Department of Transportation (VDOT) will hold a public hearing on the proposed reconstruction of Branch Road, SE, on Wed., Nov. 28, from 7 to 9 p.m. The project, scheduled to begin in 2003, would entail rebuilding and asphalt overlay along the entire length of the street (Maple Ave. to Valley Dr.) at its current width plus new curb, gutter, sidewalk and driveway entrances. The Town has budgeted \$32,000 in Capital Improvement Program bond funds for the required 2% local match of state funding.

**November 1991:** At its November 4 meeting, the Town Council awarded the contract for the new police station to 722 Construction Corp. of Sterling at a price of \$1,169,722, to come from Capital Improvements Program bond funds. The award is contingent on the construction contract language concerning the testing and warranty of the firing range.

**November 1981:** A public hearing is set for November 23 on an application to rezone the property behind the Marco Polo Restaurant from residential to C-1A commercial. The applicant has stated his intention is to develop a professional office building on the site.

**November 1971:** The Vienna Comprehensive Plan, which is a complete revision and updating of the Vienna Master Plan, is nearing completion. The Comprehensive Plan is an official statement of long-range goals, policies and intentions of the community with regard to its future growth and development and determines what a community has, what it wants and how to get what it wants. Vienna's primary goal is to control its present and future character and identity as a predominantly single-family residential community, with a strong and expanding economic foundation, and as a cooperating jurisdiction of the Northern Virginia region. It is toward this attainment of this goal that efforts have been underway to prepare the Comprehensive Plan.

## SCHOOL BOARD CANDIDATE FORUM RESCHEDULED

Due to a power outage, the School Board Candidate Forum has been rescheduled to Thursday, November 3, at 7 p.m. Hosted by the American Legion Auxiliary, 330 Center Street North (park and enter in the rear of the building). Free and open to the public. Refreshments. For more information, contact Edythe Kelleher at 703-242-7651.

## MODEL RAILROAD OPEN HOUSE

View a Model Railroad on Saturday, November 12, from 1 to 5 p.m. and on Monday, November 28, from 6 to 9 p.m. (during the Holiday Stroll) in the historic Vienna Depot, located at 231 Dominion Road, NE. Admission is free; donations are accepted.

The layout depicts the Western North Carolina Railroad during the period of transition from steam to diesel. The Open House also features Thomas the Tank Engine and some of his friends.
