**Fundraising Initiative Launched For Mayor M. Jane Seeman Memorial**

The Town of Vienna, with the support of local businesses, organizations, and residents, is proposing to create a permanent memorial to honor the late Mayor M. Jane Seeman.

A committee has been established to determine best practices for public art and to solicit artists for the memorial. Vienna Paint and Decorating, Inc., through Benjamin Moore & Company’s Main Street Matters initiative, made a donation in the amount of \$8,600 and PostNet Vienna donated \$1,000 to start the memorial fund.

Beginning July 1, donations from businesses, organizations and citizens are being accepted on the Town website [www.viennava.gov/mayorjanefund/](http://www.viennava.gov/mayorjanefund/). In addition, cash donation boxes will be located at the following local establishments that will collect and donate funds in their name: Vienna Paint and Decorating, Inc., PostNet Vienna, Caffe Amouri, Vienna Inn and Victoria Station. Periodic updates on the memorial will be reported on the Town website and in the Newsletter.

**CALLING JULY 4TH VENDORS!**

To be a vendor during this year’s July 4th Festival at the Vienna Community Center, complete the application online at [www.viennava.gov/index.aspx?nid=894](http://www.viennava.gov/index.aspx?nid=894).

*Completed applications and all fees are due by June 6.*

**Spirit To Serve**

*By Mike Gadel, Town/Business Liaison Committee*  
A few years ago, I ran for a seat on Town Council to become more involved in the community where I have lived for over fifty years. When I did not win, Mayor Jane Seeman asked if I still wanted to volunteer. She was very graceful at recruiting, and I’ve been on the Town/Business Liaison Committee ever since.

What does it mean to be involved? Some give money, others donate their time. There are many great organizations that support Vienna with volunteer opportunities. The Optimists Club, The Rotary Club and The Lions Club are just a few groups that raise funds for our town. These and other organizations, such as the Vienna Youth Inc. (VYI), give people the opportunity to donate their time and talents to the benefit of our entire community.

Every citizen has the opportunity to serve, directly or by patronizing local businesses. Money spent in Vienna stays in Vienna. If you know: Grant’s, Peter Pan, Hawthorne’s Pharmacy, Conrad’s, Curley’s, A & P or Ketterman’s, then you have roots in Vienna. If not, you can make your own memories of unique businesses in town. They are part of the long history of what makes Vienna a great place to live, work, play and shop.

## COMMENT FROM THE COUNCIL TABLE

*By Laurie DiRocco, Mayor*

I am excited to begin my term as Mayor. There are a number of initiatives I will be working on over the coming months, and I want to keep citizens informed about what is happening in Town. In addition to the Vienna Alerts, the Town newsletter and Town website, I will be blogging regularly about Town policies and activities at [www.lauriedirosso.org](http://www.lauriedirosso.org).

I believe two-way communication is an essential part of local government. Therefore, I want to hear from you! You can come by Town Hall and talk with me during my office hours of 12:00 noon to 3:00 pm Monday through Friday. Otherwise, you can call me at 703-255-6310 or email me at [ldirocco@viennava.gov](mailto:ldirocco@viennava.gov). Please feel free to contact me if you have a question, concern or just want to stop by Town Hall and say hello.

Additionally, what makes Vienna a great community is it's many volunteers. In this newsletter is an application for the Town's Boards and Commissions. If you have the time, please consider getting involved in the Town's activities by applying for a Board or Commission. The Town is fortunate to have residents willing to serve on these commissions.

On a healthy note, I would like to start a Mayor's Walking group on Friday mornings in the fall. Please stay tuned for more information about this in the summer newsletters and communications.

I am honored to serve you as Mayor and look forward to keeping the communication flowing!

## ELECTION RESULTS

Three Councilmembers were chosen in the May 6 election. Incumbent, Edythe Frankel Kelleher has been re-elected. Kelleher has served on the Vienna Town Council since 2002. Newly elected members are Pasha M. Majdi and Linda Jane Colbert.

**The vote totals are as follows:**

Out of 10,996 registered voters, 1,782 voted; a 16.21% voter turnout. That's the largest response the Town has seen since 2007. Thank you to all citizens who took the time to vote as well as those who served as election officers.

## CITIZENS ACT TO PROTECT TREE CANOPY

*By Susan Stillman, Chairperson, Community Enhancement Commission*

Citizens can make a difference in Vienna. Over a year ago, Vienna citizens asked members of the Vienna Community Enhancement Commission (CEC) what could be done about all the trees that are being removed with the development occurring in town. The Town is in the midst of a make-over, as it is being redeveloped lot by lot. We investigated the Town Code and found that while builders that built a subdivision, two or more houses, had to maintain a minimum tree canopy coverage by a defined period of time, the Code was silent on tree canopy coverage for “single lot redevelopment”.

Members of the CEC worked with the Mayor, Town Council, the Director of Planning & Zoning, the Director of Parks and Recreation, the Town Attorney and Town arborists to understand the work that would be involved and everyone’s perspective on the code change. Buy in was garnered at every level.

The code change addressed tree canopy and tree protection to improve the odds of trees’ survival. Although the ultimate goal is to save healthy existing trees, this is not possible on every lot. Therefore, the emphasis of this code change is to provide new plantings to replace those trees removed due to redevelopment and also to provide specific guidelines for tree preservation when appropriate which will be enforced by Town staff.

These CEC members really did their homework and showed the value attributed to homes with a vibrant tree canopy. Homes with mature trees have significantly higher value than those that don’t. Trees save on cooling bills in the summer and improve the quality of our air.

This is the first time that the CEC has brought forward and successfully changed the town code. This change was started by citizens who were concerned about a disconcerting trend in the Town. Their persistence and the diligence of CEC volunteers has changed our Town for the better. The code changes will affect homes permitted after May 22, 2014.

# EMPLOYEE SPOTLIGHT

By Marion Serfass, Acting Administrative Services Director

Vienna is full of good people. The same can be said about the Town's employees. I'd like to share a couple of examples of caring and dedicated workers who recently went beyond the call of duty. These individuals don't think they did anything special. They'd say they were just doing their jobs.

In February, during one of our many snow storms, Paul Cook, from the Streets Maintenance Department, was on a plowing assignment when he spotted an older man in distress. The resident had fallen and suffered a broken leg while shoveling. Mr. Cook stopped his plow and

carefully helped the resident back into his home.

Just last month, Wayne Walker, from the Sanitation department, was headed down Maple Avenue when he noticed a gentleman slumped over at James Madison Shell station. Mr. Walker immediately pulled into the station to evaluate the situation. Certified by the Town in CPR, he positioned the man on the ground, instructed a bystander to call 911 and followed his training until the rescue squad arrived and took over.

The Town is proud of these employees for going above and

beyond the call of duty, and helping to make Vienna a great place to work and live.

## CALL TO PARTICIPATE IN A VIENNA SUSTAINABILITY HOME AND GARDEN TOUR

On Sunday, September 14, the Community Enhancement Commission will once again sponsor the Home and Garden Sustainability Tour and is looking for homes and businesses in Town that have used a variety of green methods to improve their homes, gardens and/or businesses to be featured in this one-of-a-kind tour.

If you have installed geothermal heat, solar PV and/or solar hot water and would like to talk to your neighbors about how this has worked for you, let us know. If you have re-insulated your home and sealed it up to make it more comfortable and energy efficient and would like to discuss your experience, let us know.
