

SURVEY ON RECYCLING

It costs the taxpayers of Vienna over \$20,000 a year to bury the Town's trash and garbage in the County landfill. Since newspapers make up about one-third of the total volume going into landfill, the Town is considering curb-side pick-up of newspapers. At some future date, the feasibility of separated collection of garbage and recoverable items (bottles, glass, paper) will be studied.

If enough citizens express an interest in having their newspapers picked up, the Town's Department of Public Works will try to figure a way to do so. This proposed action by the Town is intended not only to save taxpayer's dollars, but also to support the ecology program of the Vienna Environmental League which seeks cooperation from all Vienna citizens in bringing paper, bottles and aluminum to the Recycling Center on Dominion Road, just off Church Street.

In order for the Town to do future planning in this matter, it is requested that you clip out, complete, and return the questionnaire below.

1. Will you be willing to deposit bundled newspapers at the curb for weekly pickup?

2. Will you be willing to segregate from your garbage, glass and metal cans for separate pickup? (Possibly separately bagged in plastic bags.)

VIENNA NEWSLETTER

Vol. 9-72

September, 1972

**NEW MEN, NEW WHEELS, NEW PROGRAMS
FOR VIENNA'S ACTIVE POLICE DEPARTMENT**

Six new patrolmen have joined Vienna's Police Force within the last three months, bringing the Department's complement to 24. The new men, presented to the Mayor and members of the Town Council at its last meeting are: Thomas P. Sherwood, James E. Decker, James N. Kieticus, Johnny T. Price, Clarence A. Keith, and Robert W. Spuner.

For the first time, Vienna patrols will be augmented by a motorcycle. The new vehicle will be used for park patrol as well as patrolling parking lots and businesses. It will allow the police access to areas unreachable by car, and greater mobility in confined areas.

Vienna's Police Department has been active in several new programs this year. It is a participant in the Alcohol Safety Action Program, funded by the Virginia Department of Highways. This pilot program, which attempts to get the alcoholic driver off the road, is being tried out in several test areas, including Fairfax County. For its participation, Vienna received a patrol car, used in the apprehension of drinking drivers. The "Officer Friendly" program, is a federally funded program, designed to acquaint the public with the work of the Police, and to bring about a better understanding of community problems and their solutions. Much of Officer Friendly's work is done with the Town's youth, through presentations at the schools. A white station wagon, labelled "Community Services" was added to the fleet of police vehicles through this program.

Two projects involving the identification of personal property were also included in the Department's activities. An attempt is being made to register all bicycles at police headquarters. Bicycles brought into the department are engraved with a number and this, together with the maker's number and a description of the bike are put on file. Engravers may be borrowed by individuals to mark personal possessions for identification in case of theft and subsequent recovery.

A second radar set has drastically increased the number of speeders apprehended in town. Since speeding is our No. 1 complaint from residents, a special effort is being made to reduce it.

* * *

THE TOWN CRIER

FOUR WAY STOP

A four way stop sign was approved by Council for the intersection of Cottage and Patrick Streets in an attempt to mitigate speed on Cottage, which has been the source of numerous complaints from residents.

* * *

EMPLOYEES HONORED

Service awards were presented by Council to town employees who have been with the town for 5, 10 and 15 years. The following received service pins:

Finance Dept.: Victoria Upham, 15 years; Naomi V. Wheeler, 10 years; Nancy Fello, 5 years; Virginia Hodges, 5 years.

Public Works: Douglas Brooks, 10 years; Mary Petti, 10 years; Lawrence Shillingburg, 10 years, Ray Shillingburg, 10 years; Herbert Marr, 5 years.

Police Dept.: Bennie Shaver, 10 years; Joseph Tavares, 10 years; Richard Williams, 10 years; James Coleman, 5 years; Thomas Payne, 10 years.

Recreation & Parks: Charles Fritter, 10 years, Harvey Jennell, 10 years.

* * *

CONGRATULATIONS!

To the Vienna Little League, winners in the State Tournament and the South East Regionals. The Town is proud of the ability displayed by the all-star team.

* * *

APPOINTMENTS

Council recommended to the circuit court, the re-appointment of Raymond Hicks to the Board of Zoning Appeals. Mr. Hicks was a member of the Planning Commission prior to his service on BZA.

James O. Harris was appointed to the Planning Commission. Mr. Harris is the president of the Progressive Citizens Association.

* * *

IMPROVED ACCESS

Council authorized the expenditure of \$15,000 for the purchase of 8223 ft. of the Beckner property to provide improved access to the rear of the Town Hall and additional parking space.

* * * * *

COUNCIL TO CONSIDER NEW ORDINANCE

On Monday, September 25, Council will consider a proposed ordinance amending the Town Code to prohibit the dumping of any trash, grass clippings, petroleum products, or other substance other than surface or subsurface water, into public storm drainage facilities, including gutters and ditches.

A public discussion of this agenda item will be welcomed. Council meetings are held at 8 p.m. in the Council Room at Town Hall.

SPECIAL FOR SEPTEMBER

MAYOR'S ADVISORY

Mayor's Advisory Committee meetings will resume on Tuesday, Sept. 12 at 8 p.m. in the Council Room. Newly appointed members should inform the Mayor's Secretary, Mrs. Elkins, in advance of that day, so that name tags may be prepared.

LABOR DAY HOLIDAY

Monday, September 4. The Vienna Highway Safety Commission cautions all drivers to take special care on the highways on that long week-end.

BACK TO SCHOOL - - Tuesday, September 5.

DESCRIPTION OF CLASSES

CHILDREN'S ART - For beginning and experienced students ages 6 through 11. The course will include charcoal, pastel, watercolors and ink. All materials are provided with the exception of watercolors.

DANCE EDUCATION - Tap, ballet, modern and jazz are covered in Dance Education. Participation in a well-rounded dance program offers the student an opportunity to develop an appreciation of dance as a creative art form.

CREATIVE NEEDLEPOINT - Taught in a contemporary manner using a wide variety of flat and textured stitches from charts, incorporating found objects, and design elements. Students learn to evolve their own designs from studies. Bring notebook, pen, and scissors for first lesson. Supplies extra.

FOUNDATIONS OF ART - For beginning students and those with limited experience in the field of art. The course will include instruction in showing perspective, color matching, charcoal drawing, use of watercolors and a brief exposure to oils.

WATERCOLORS AND SUMI - Two of the more popular methods of exhibiting ones feelings on paper. Mrs. Koke does a delightful job of combining these two methods into one thoroughly enjoyable session.

POTTERY - This is not a greenware course. Hand building has a free rein and imagination is the order of the day. The course includes work with the potter's wheel and kiln which are on the premises. All supplies and firing included except clay which may be purchased through the Recreation Department.

HAND WEAVING - A variety of different methods of weaving without a loom will be taught using different materials. Supplies extra.

YOGA - Learn to relax through yoga and to completely refresh your mind and body. Throw away the tranquilizers. Try yoga instead.

ELECTRONICS AND RADIO COURSE - This course is intended to help persons wishing to gain a basic knowledge of electronics and those desiring to obtain their ham radio operators' license. Open to youth and adults. Textbook included in fee.

POODLE CLIPPING - Complete care, grooming and clipping of poodles will be included in this course. Students will need to purchase clippers after the thrid lesson.

SLIMNASTICS - Do it the enjoyable way . . . slim down in the company of others - exercise to music under the direction of a professional in air-conditioned comfort. Losing weight or toning muscles is never real pleasure, but this class allows you to come closer to fun than ever before.

RIFLE SAFETY - This course is designed to teach the beginner how to handle a weapon safely. The course is conducted by certified National Rifle Association instructors at the Vienna Police Department Range . . . 22 caliber rifles are used and furnished by the Recreation and Parks Department. Ammunition and target faces are also included in the course fee.

GUITAR - Guitar instruction is offered at two levels, beginning and intermediate. Only basic fundamentals are stressed at both levels. Students primarily learn to properly chord a guitar as opposed to reading music by note. All students must own a guitar and it is helpful if they have a music stand when class begins.

SEWING - At todays prices and with the new fabrics on the market, sewing is again becoming a pleasure. Youngsters thoroughly enjoy learning how to sew and parents will be proud to exhibit the first product of this class. Sewing machines, irons and ironing boards are provided for this activity.

YOUTH ACTIVITIES

The Community Center is open weekdays for children's activities such as ping pong, shuffle board, bumpo, pool, bumper pool and basketball. Hours of operation are 3:30 to 6:00 p.m. for ages 6 through 12 in the game room and 4:30 to 6:00 p.m. for ages 13 and older in the gym.

Roller skating is offered on Saturdays from 9:30 to 11:00 a.m. or 11:30 a.m. to 1:00 p.m. Fee is \$.50 for one and one half hours of skating which includes the skates. No instruction is given. All ages. Begins November 16.

Teen dances and coffee houses are held periodically throughout the year at the Community Center. Admission ranges from \$1.00 to \$2.50.

A sewing bee is held Thursdays from 4:00 to 5:30 p.m. There is no charge for this activity. Girls ages 9 and older are invited to bring their hand sewing and get free advice on the best way to complete projects. Beginning September 28th for 10 weeks.

ADULT ACTIVITIES

Men's basketball every Tuesday at 8:00 p.m.; men's volleyball every Wednesday at 8:00 p.m.; Ladies volleyball every Thursday at 8:00 p.m.; Ladies basketball every Wednesday at 1:00 p.m. Begins the week of November 6th. Ends the week of March 26th.

DUPLICATE BRIDGE - A NEW GAME - Begins September 19th at 8:00 p.m. . . . each Tuesday thereafter Franchised by the American Contract Bridge League. Colonel (retired) John Davenport is director of the game. \$1.50 per person. Legal restrictions prevent the department from offering prizes. In lieu of monetary prizes, free games for future games are awarded to weekly winners. Master points are awarded to winners by the director.

SPECIAL INTEREST GROUPS - In an effort to provide a well rounded leisure time program, the Recreation and Parks Department will offer Community Center space on a no fee basis for special interest groups. Individuals with a particular interest in such areas as antiques, poetry or literary works, creative writing, gardening, etc., are urged to form groups and contact the department to arrange time for these activities. Time will be scheduled on an as available basis and groups will be expected to secure their own director or leadership as the case may be. Call 938-8000 for more information or assistance.

SENIOR CITIZENS

50+ Club meets every Wednesday at 12:30 p.m.; 50-90 Club meets the second Saturday of each month at 5:00 p.m.; NARFE meets the first Tuesday of each month at 1:30 p.m.; AARP meets the third Monday of each month at 1:30 p.m.; AARP Crafts meets the third Thursday of each month at 1:00 p.m. for an exchange and the construction of craft items.

HISTORY AND PURPOSE

The Vienna Recreation and Parks Department was authorized by Council action in 1965. The department officially began in February of 1966 with the employment of Judson Hockman who is still the Director of the department.

The purpose of the department, as defined by the Vienna Town Council, is to supplement the recreation program provided by Fairfax County rather than to duplicate that program. Therefore, the vast majority of fee classes are offered during the standard working hours and are aimed primarily at women and children.

This leaves the Community Center open during the evening hours to provide meeting space for a wide variety of town groups and organizations. Weekends during the Fall months are used by these same organizations for shows and exhibits, all of which are community interest affairs. A complete schedule of dates is available elsewhere in this brochure.

The department maintains a close relationship with civic clubs, garden clubs, the Vienna Women's Club and all youth oriented agencies. In addition the department is a co-worker with Vienna Youth Incorporated which provides youth football, soccer, wrestling, basketball and a majorette corps. Soccer and basketball are open to boys and girls through Vienna Youth Incorporated. Schedules of activities and meeting time for all the aforementioned groups are available at the department office which is located in the Vienna Community Center.

The administration of the Recreation and Parks Department is always seeking new and better ways to improve the program. Vienna is an autonomous unit in the midst of suburbia and is a compact area where residents know their neighbors and visit throughout the town.

The department shares the desire for this way of living and is always available to residents who wish to offer changes or new ideas.

The department is also responsible for maintaining some 90 acres of parkland which include the median strips dividing the entrance ways to town and the right-of-way on all town owned property. The department maintains four picnic areas which may be scheduled and reserved in advance by large groups desiring such facilities. There are six public tennis courts, four of which are lighted, available on a no reservation basis. The department also maintains a lighted baseball facility at Waters Field, a lighted men's softball field at Southside Park and will soon assume maintenance of a multi-use lighted facility at Cunningham Park School for Little League baseball, girl's softball and youth football. Several other smaller areas for community use are also maintained by this department, many of which can be reserved in advance by town residents.

Hiking and biking trails have been constructed through out the stream beds in the town and weather permitting, are maintained by the department. Maps of the town's park and trail system may be obtained at the Vienna Community Center.
