Green group of businesses' sustainable efforts recognized

Each year, the Town's Conservation and Sustainability Commission calls businesses to green action through the Vienna Sustainability Challenge. The challenge provides a checklist of "green practices" for which businesses and organizations earn points toward certification as "sustainable."

Vienna's 2019 certified sustainable businesses were recognized at the January 6 Town Council meeting. Congratulations to:

- Blend 111
- Caboose Tavern
- Caffé Amouri
- Cycle Chi
- Joanne Ehreth Burke, CPA, LCC
- Purple Onion Catering Company
- Social Burger
- The Sustainability Guys
