Arbor Day shows Vienna rooted in tree commitment

To commemorate Arbor Day and the Town's commitment to preserving trees, Mayor Laurie DiRocco, along with Cub Scout Pack 1116, will plant a dogwood tree, donated by the Women's Club of Vienna, at 5 p.m. Friday, April 26, at the Vienna Community Center. The Town of Vienna has been certified as a Tree City USA, for the 17th time, by the Arbor Day Foundation.
