Zap the kiddos' toy trucks from mini to life-size at Public Works Day

The Town of Vienna will open up its Northside Property Yard for Public Works Day Open House festivities from 2-6 p.m. Thursday, May 2. The event, which takes place at 600 Mill Street, provides an opportunity to share with the Town's youngest residents the trucks, tools, and equipment that help public works staff get the job done. Kids also can engage in various games and activities and enjoy some refreshments.
