Vienna puts on a doubleheader for America

The Town of Vienna will host a doubleheader celebration of Americana this July 4 with two events.

Sprinklers & Sparklers, from 10 a.m.-2 p.m. at the Vienna Community Center, will feature three water slides and a bevy of other water activities for kiddos as well as five food trucks and snow cones. Kids (and adults who may encounter collateral water damage) should be prepared to get really wet and to have a really good time.

July 4 evening, the Town will host its annual big bang show. Festivities start at 7:15 p.m. at Yeonas Park where the Josh Christina Band will provide the evening's soundtrack. The Vienna Little League concession stand and food trucks will serve up food and non-alcoholic beverages. The fireworks show, courtesy of Navy Federal Credit Union, will blast off at approximately 9:30.
