## **Seeds for a season**

Did you know that fall is a perfect time to plant native species? The Town of Vienna's Conservation and Sustainability Commission will offer a bevy of local perennials, shrubs, and trees for purchase from Hill House Nursery at its Fall Native Plant Sale from 9 a.m.-1 p.m. Saturday, September 21, at the Vienna Community Center.

Your family – as well as pollinators and wildlife habitat– will enjoy the benefits of going “native.”
