Town Business Liaison Committee hosts round table talks

Vienna businesspeople are invited to be part of a community conversation related to gathering ideas to support a thriving business community when the Town Business Liaison Committee hosts a roundtable discussion at 6 p.m. Thursday, October 10, in Town Hall Council Chambers. While the focus of this initial round table will be on Vienna's industrial zone along the Mill Street/ Dominion Street corridor, the conversation is open to all.

The following questions will be addressed in the open forum:

- How can the Town of Vienna more effectively assist businesses in maintaining a successful, thriving business environment?
- How can Town businesses remain competitive with alternative forms of commerce, such as online ordering and nearby commercial centers?
- What revisions should be made or additional information included in the Town's commercial signage regulations?

The Town Business Liaison Committee (TBLC) is a Council-appointed board, comprised of business owners and residents, whose mission is to support the Town of Vienna in creating an engaging, vibrant, unique, community-enhancing local business landscape. The TBLC represents concerns of the local business community to Town government and management, the Vienna Business Association, and the general community.
