Town surveys business community about COVID-19 effects

The Town of Vienna economic development office, in partnership with the Town Business Liaison Committee and Vienna Business Association, is conducting a survey to better understand the impact of COVID-19 on the Vienna business community. The survey can be found at viennava.gov/covidbizsurvey.

The survey asks business owners a variety of questions about COVID-19's effects on staff, rent payments, responsive creative actions, and more. Survey responses will be shared with Town staff and Councilmembers and will help inform strategies that may lead to relief programs for businesses in Vienna.

Please note that individual responses will not be published.

The survey will take at least 10 minutes to complete and should be completed in one sitting by an employer (owner or executive staff member). **The survey deadline is May 15.** Questions? Email natalie.monkou@viennava.gov.
