The parade must go on: Wave at Halloween Parade from home

This year, the Town of Vienna is bringing its 74th annual Halloween Parade to residents – in a new “wave” fashion – beginning at 10 am Saturday, October 31.

Due to the ongoing coronavirus pandemic, this year’s parade, presented in partnership with the Vienna Business Association, will be a “wave parade” consisting of 10-15 floats that will visit all four quadrants of Vienna, though not every street will be visited.

The route will be released to the public after 3 pm Thursday, October 29, via viennava.gov/Halloween as well as the Town’s social media accounts [@townofviennava](https://twitter.com/townofviennava). Residents are encouraged to don their costumes and wave from sidewalks near their home as the parade passes by.
