## **Easter bunny to hop by Vienna neighborhoods**

The Town of Vienna Easter bunny will hop his way from the Vienna Community Center through all quadrants of Town (not every street) beginning at 10 am Saturday, March 27.

The route will be published on the Town's social media accounts @townofviennava at 10 am Thursday, March 25, and the bunny's location will be live tracked courtesy of the Vienna Wireless Society. Location tracking, trivia, prizes, and giveaways will be streamed during the event on Facebook Live.

Residents are invited to set up chairs and blankets at socially safe distances along the route and wave hello to the Easter bunny.
