Liberty Amendments Month Continues

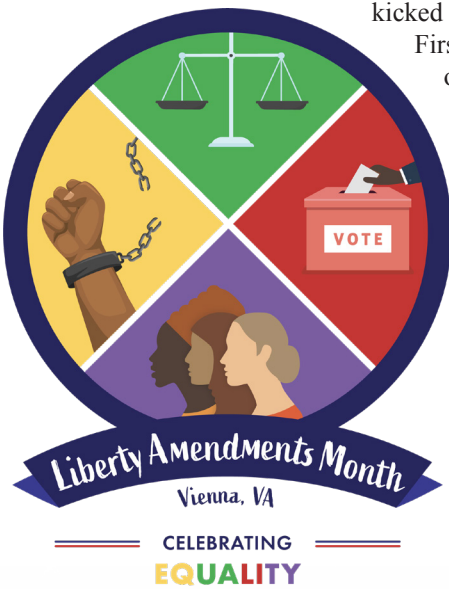

The Town of Vienna's inaugural Liberty Amendments Month continues this month with community organizations, businesses, and individuals helping shape the four weeks of festivities taking place through July 19.

A celebration of the 13th, 14th, 15th, and 19th amendments, which extended rights to those who had previously been excluded from full participation, Liberty Amendments Month is the brainchild of Town Manager Mercury Payton, who during this past summer of discourse and strife, sought a way to bring us together and to find common ground.

Liberty Amendments Month kicked off on June 19 at First Baptist Church of Vienna's annual Juneteenth Celebration.

photos by Adam Kincaid

The celebration included an opening ceremony for Liberty Amendments Month that offered thoughtful reflection on the liberties assured by these four amendments to the U.S. Constitution. In addition, each week through July 19, the liberty amendments will be celebrated with contests, entertainment, lectures, performances, classes, themed restaurant specials, art exhibits, films, shows, walks, and more. The month-long celebration will culminate with a multicultural festival featuring food, drinks, crafts, and entertainment from around the world on July 17. The Town Offices are closed on July 19th in observance of Liberty Amendments Day.

Liberty Amendments Day has been recognized as an official 2021 Town holiday and the month-long celebration has been officially recognized by the commonwealth of Virginia, having been adopted this year by the General Assembly.

ViVa! Vienna! Raises \$40,000 for charity

Thank you to all who came to ViVa! Vienna! 2021!

Whether you screamed on a roller coaster, feasted on the festival treats, shopped at local businesses, or enjoyed the entertainment, the Rotary Club of Vienna is grateful for the 25,000 attendees who came out to enjoy Memorial Day weekend as they were able to raise \$40,000 for charity. A special thank you to all of the volunteers who worked after a year that will not be forgotten.

Enjoy the photo story below to relive the weekend. See you next year! 🍷

Home Protection Suggestions

By Council Member Howard Springsteen

Each year the Mayor and Council individually write a column for the Newsletter on a subject they choose. This year I would like to recommend three important suggestions homeowners and renters can take to protect against electrical surges, storms, and sewer and water pipeline breaks and/or leaks.

Install a whole-home electrical surge protector.

In July 2019, many residents in southwest Vienna experienced electrical surge damages due to storm and electrical power issues resulting in major residential electrical equipment and appliances being damaged or ruined. In the September 2019 Vienna Voice Newsletter, I mentioned the importance of having a whole-home surge protector installed to protect your home's electrical system and appliances. This relatively inexpensive device provides critical one-time protection when installed in the electrical service panel by a professional electrician. Two months ago, northeast Vienna residents experienced similar electrical issues after a storm and electrical outage.

Given the potential damage that can happen during storms, I again encourage you to invest in an approved

whole-home surge protector and have it installed in your electrical panel by a professional electrician. This step will ensure considerable savings in terms of replacement costs and minimize the risk of losing all your home appliances. This can happen anywhere in Vienna. (See picture of installed protector)

Check your insurance coverage for underground sewer and water line breaks.

Coverage is available through homeowner or renter insurance policies for sewer backups. I would also highly recommend you obtain special coverage for water line breaks or leaks that could occur on your property. Many residents have coverage that Dominion Energy offers at a very low rate and as an add-on to your monthly electric bill. According to many Town of Vienna residents, this coverage has proven to be very useful when water lines break or leak. Water line replacement on private property can exceed \$5,000 and is not a Town responsibility. No matter what you choose, the key is to have insurance coverage for these occurrences which are not predicable and can occur with no warning.

Have a safe summer! 🍷

Big Screen on the Green

Thursdays in July and August at 8 p.m.

Glyndon Park, 300 Glyndon St NE, Vienna VA 22180

July 8 - Remember the Titans (a part of Liberty Amendments Month)

In Virginia, high school football is a way of life, an institution revered, each game celebrated more lavishly than Christmas, each playoff distinguished more grandly than any national holiday. And with such recognition, comes powerful emotions. In 1971 high school football was everything to the people of Alexandria. But when the local school board was forced to integrate an all black school with an all white school, the very foundation of football's great tradition was put to the test.

August, 12 - Onward

In Disney and Pixar's *ONWARD*, two teenage elf brothers, Ian and Barley Lightfoot (voices of Tom Holland and Chris Pratt), get an unexpected opportunity to spend one more day with their late dad and embark on an extraordinary quest aboard Barley's epic van Guinevere. Like any good quest, their journey is filled with magic spells, cryptic maps, impossible obstacles, and unimaginable discoveries. But when the boys' fearless mom Laurel (voice of Julia Louis-Dreyfus) realizes that her sons are missing, she teams up with a part-lion, part-bat, part-scorpion, former warrior – aka The Manticore (voice of Octavia Spencer) – and heads off to find them. Perilous curses aside, this one magical day could mean more than any of them ever dreamed.

MEET THE MAYOR

Mayor Linda Colbert offers several opportunities for residents to meet with her each month, both in her office and out and about in the community.

- **Meet the Mayor:** The first Friday of each month, the mayor sets up “office” in various locations in the community and invites residents to come meet her. **From 9-10:30 am Friday, July 2, she’ll be available at the Town Green.** If there’s inclement weather, call 703-255-6304 to check on a backup location.
- **Business Walk-About:** The mayor and Economic Development Manager Natalie Monkou visit various businesses on the second Friday of each month.
- **Mayor’s Walk:** Join Colbert for a chat and stroll through Town the third Friday of each month. Meet at 9:30 am in front of Town Hall.
- **Office Hours:** Feel free to drop in for open office hours 9-11 am Tuesdays and Thursdays, during which time the mayor will do her best to be available. Or make an appointment to meet with the mayor on Wednesdays; email mclark@viennava.gov or call 703-255-6304 to schedule an appointment.

Topic on deck for July: Liberty Amendments Month

On Deck with Mercury is a monthly community forum hosted by Town Manager Mercury Payton. The program provides an opportunity for Town residents to learn about recent projects and accomplishments of the Town, receive a preview of upcoming initiatives, and ask questions and have an open discussion. On Deck with Mercury is recorded for later broadcast on the Town’s cable access channel, channel 27 on Cox and 38 on Verizon Fios, as well as the TownofViennaVA channel on YouTube.

Valor Awards

On June 15, 2021, the Greater Reston Chamber of Commerce hosted the 43rd Annual Fairfax County Valor Awards. The awards celebrate the remarkable achievements of Fairfax County's First Responders, who exceed their call of duty with their life-saving acts. This year, Vienna Police MPO Kenny Smith and PFC Chip McElhattan received the Life Saving Valor Award for their actions saving an individual in cardiac arrest at the scene of an accident. 🙏

Staying Cool and Sustainable this Summer

By Desiree Di Mauro and Bill Comerford

Summertime and the livin' is HOT if you live in Virginia, and adding to climate change is the last thing we want to do. So how can we be sustainable and cool this summer in Vienna? Here are a few tips:

- **Conserve energy** – you can stay cool while also conserving energy! Draw shades and curtains on the sunny side of your house to keep rooms cool. Be sure to turn off all lights when not in use – even LED and CFL bulbs release some heat. And look for those cross-current breezes to cool the house without air conditioning. Going on vacation? Don't forget to raise your air conditioning temperature until you get back. And when you return, don't set your thermostat extra cold – it won't cool your home any faster.
- **Adjust your ceiling fans** – ceiling fans are a great way to stay cool. In the summer, switch the rotation so they're running counterclockwise. And remember, ceiling fans cool people, not air, so please turn them off when the room is empty.
- **Plant native plants** – and you thought native plants were just about providing habitat for native animal species. In addition to

the wonderful habitat they provide, native plants (particularly trees and shrubs) help to cool our environment. According to the U.S. Dept of Energy, shading and water evaporation from plants can reduce ambient temps by 6 degrees F. So enjoy the shade and cooling of beautiful native plants in your yard!

- **Eat a "cool" diet** – did you know spicy foods can actually make you feel cooler? Since we've got lots of great restaurants in Vienna (including Sustainability Challenge awardees Social Burger, Caboose Brewery, Blend 111, and Caffe Amouri), why not take a night off from cooking and enjoy some body-cooling, palate-pleasing spicy food? Chilled foods and salads are also a great choice on a hot day – and you keep your house cool by not firing up the stove!

- **Stay hydrated** – drinking water is one of the best ways to stay cool, but remember to use your reusable bottles. No single use bottles for you! Plan ahead and prepare your water bottle with some ice and cool water to keep you chilled all day long.

Vienna's Conservation and Sustainability Commission wishes you a happy, cool, and sustainable summer! ♻️

Swapping plastic for paper: How to dispose of yard waste

Fairfax County has eliminated plastic bags from yard waste collection. This ban went into effect on March 1, 2021, and the county began enforcing the new rule on April 19, 2021. Penalties will be assessed to any collector who delivers yard waste in plastic bags to Fairfax County solid waste management facilities. What does this mean for Town residents? It means that, as of April 19, 2021, **the Town will no longer collect yard waste in plastic bags.** Residents must place grass clippings, leaves, weeds, vines, and other materials loose in reusable containers or paper bags made specifically for yard waste and available at hardware stores. This new policy is better for the environment. It also prevents expensive waste processing machinery from becoming clogged or damaged by plastic bags. Correction Note:

As previously stated in prior newsletters, the Maud Robinson Trust contains a very generous gift to the Town of Vienna for new sidewalk construction. Under the terms of the Trust, money may be provided to the Town for the construction of new sidewalks which would otherwise be delayed or deferred due to budgetary reasons. Any new sidewalk construction will be approved by the Town Council and then funds released by the Trustee. Previous newsletter's may have stated the trust terms in a way that was not accurate. 📄
