Vienna to Host State Babe Ruth Playoffs

For the second consecutive year, the Greater Vienna Babe Ruth League will host the Virginia state tournament at Waters Field. Opening day ceremonies will be held at 7 p.m. Friday, July 23, followed by a game featuring the Vienna Host All-Stars.

Senator John Warner and Congressman Frank Wolf have been invited to participate in the ceremonies, along with members of the Vienna Town Council and Fairfax County Board of Supervisors, local service club representatives and Babe Ruth president Ronald Tellafsen.

The tournament will continue through the weekend, with the final game at 6 p.m. Tuesday, July 27. The state winner will go to the regional tournament in Alabama next month. The Greater Vienna Babe Ruth League is tentatively scheduled to host the 1983 regional tournament, which will include ball clubs from each southern state.

All Vienna residents are invited to attend these games and show their support for the local Babe Ruth organization, which provides such an outstanding program for area youngsters. Donations will be accepted at the gate.

Paper Thieves

Newspaper thieves have been seen in Vienna recently. Residents who participate in the Town's twice-monthly newspaper pickup are asked to be on the lookout for unauthorized persons taking bundles of papers from the curbside. Remember, the only official newspaper pickup is conducted by Town crews in marked Town trucks.

The money the Town receives from recycling newspapers benefits all citizens. If you see newspaper thieves, please call the police at 938-4900.

Jaycee Fireworks

The Vienna Jaycees are selling fireworks on the Safeway parking lot through July 4. Fireworks will be sold on weekday evenings and all day on weekends.

Proceeds will be used to support the Jaycees' many community service programs.

Customers who present this Newsletter article at the fireworks stand will receive a 10% discount on purchases over \$25.

The Jaycees thank Safeway and Craig Movers for their assistance.

FY 82-83 Budget Adopted; No Tax Increase

The Town Council has adopted the Town budget for fiscal year 1982-83. This year's budget, which becomes effective July 1, totals \$7,399,067, about 12% more than last year. Included in this increase is funding for capital improvements in the amount of \$85,000 to replace the police telecommunications system, which has become unreliable due to age and unavailability of repair parts.

There is no change in the Town real estate tax rate of 33¢ per \$100 assessed valuation. However, water and sewer rate increases have been proposed to meet the substantial rise in the price the Town pays for water and for sewage treatment, and to make the water and sewer fund self-sustaining. The Town Manager has asked that Council hold a public hearing on this matter, perhaps at the August 16 Council meeting. New water rates are proposed at 85¢ for town residents and \$1.13 for out-of-town customers per 1,000 gallons. The sewer rate for all users is proposed at \$1.90 per 1,000 gallons.

The FY 82-83 budget emphasizes maintenance of existing facilities rather than new programs and construction.

A summary of the budget is given here. Complete copies of the budget are available for public inspection in the Town Clerk's office at Town Hall.

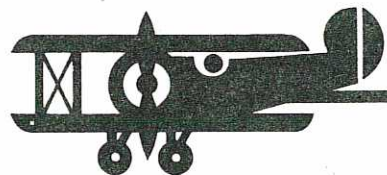

Town Hall will be closed Monday, July 5. NO TRASH PICKUP. Reminder - No Town Council meeting July 26 or August 2.

FY 1982-83 BUDGET IN BRIEF

TOWN COUNCIL ACTION

APRIL 5, 1982

Council unanimously adopted a resolution supporting the reconstruction of the Filene Center at Wolftrap Farm Park. The resolution also declares Council's intent to contribute at least \$2,500 toward the rebuilding effort. Citizens may send personal contributions to Wolftrap Lives, P.O. Box 1635, Vienna, Va. 22180.

Other Council Action:

- * Accepted the annual budget and operation report of Historic Vienna, Inc. for fiscal year 1982-83.
- * Accepted a bid of \$14,900 by Newton Asphalt Co., Inc. of Virginia to reconstruct the tennis courts at Meadow Lane Park.
- * Reappointed Richard Fisher to the Planning Commission for a three-year term.

April 19, 1982

Ten-year old John McDonnell, of Westerholme Way, received special recognition for his bravery in saving another child from drowning in Wolftrap Run. John was given a letter of commendation, a pen with the Town Seal on it and the Mayor's personal gift of \$20.

Other Council Action:

- * Took no action on approving the final plat of Ridge-wood Subdivision.
- * Reappropriated \$2,117 in budgeted funds to purchase maintenance equipment for the Department of Parks and Recreation.
- * Approved an intra-fund transfer of \$13,000 to purchase two K car sedans for the Police Department.

* Approved budget transfers requested by the Director of Finance in his quarterly budget review and analysis.

May 10, 1982

The Mayor was authorized to send a letter to the Fairfax County Planning Commission concerning the special exception permit to be issued for the construction of the Vienna Metrorail Station at Nutley Street and I-66. Two of the Town's recommendations were subsequently adopted by the Board of Supervisors: to ensure adequate parking facilities and for access ramps to be in place prior to the opening of the station. The Town's third recommendation, for covered walkways, is under study.

Other Council Action:

- * Approved the installation of a four-way stop sign at the intersection of Nutley Street and Windover Avenue, N.W.
- * Directed the Town Manager to gather information about the Virginia Non-entitlement Community Block Grant Program and make a recommendation to Council on whether the Town should participate in the program.
- * Adopted an ordinance amending the Town Code relative to disorderly conduct.
- * Established a policy that no articles by Council members be published in the *Newsletter* during the months of February, March, April and May.

May 24, 1982

Council directed that the use of Town vehicle licenses be studied. Motorists are currently offered a choice of a windshield sticker, metal plate or bumper sticker. These different types of tags, displayed in various places on vehicles, make it difficult for the police to determine whether a vehicle has a current license.

Other Council Action:

- * Recommended to the Fairfax County Planning Commission and the Board of Supervisors that there be no rezoning of the property located at Route 123 and Glengyle Drive (Item 82-11-13V of the County's annual plan review).
- * Reappointed Rodger Seeman to the Planning Commission for a three-year term.
- * Adopted an amendment to the Town Code whereby the Planning Commission must notify adjacent property owners when a wall waiver is requested.
- * Approved the use of \$10,000 from contingency reserve funds to replace and repair Well #6 on Park Street. This cost will be removed from the 1982-83 budget.
