## **Vienna Cyclists Ride to Victory in Caboose-to-Caboose Challenge**

More than 250 bike enthusiasts from Herndon and Vienna participated in the 2021 Caboose-to-Caboose Bike Ride challenge, and though both Towns were evenly matched in numbers, The Town of Vienna finished first with 38% more social media posts than the Town of Herndon. The contest from Oct. 1-30 encouraged bike riders of all ages to pedal along the W&OD Trail from the Vienna Caboose to the Herndon Caboose (or vice versa) and back, and then tag their respective town in a social media post with a selfie documenting the ride.

The purpose of the contest was to encourage people to get some exercise along the scenic W&OD Trail and explore each community's unique features. The first 225 participants received a T-shirt representing their town, blue for Vienna and red for Herndon.
