## Attention Antique Dealers

Antique dealers and handicrafters take note! Historic Vienna, Inc., is having its annual Antique Market Saturday, September 17, from 10 a.m. to 4 p.m. on the Freeman House grounds, 131 Church St., N.E. (rain date September 24).

Antiques and homemade crafts such as quilts, wooden items, stained glass and jewelry will be featured. The fee per space is \$15. For application forms and more information, call 281-3469 after 6 p.m.

## Boxing Club Tournament

The Vienna Boxing Club will hold its second annual Amateur Boxing Tournament August 26, 27 and 28 at the Vienna Community Center. Matches begin at 7 p.m. each evening.

Admission is \$4 for adults and \$3 for children. For tickets and more information, call the Community Center at 938-8000, ext. 277. Tickets will also be available at the door.

## Stored Vehicles

Town ordinance requires a special stored vehicle license for vehicles that do not display current state license plates. The annual license fee is \$50.

Certain vehicles are exempt from this requirement, including those owned by a member of the military on extended active duty, those stored in completely enclosed structures and those stored on private property for less than 60 days for the purpose of removing parts for the repair of another vehicle.

## Town Hall Art

The Vienna Arts Society will sponsor a one-person show by Laura Chirillo August 29-October 16 at Vienna Town Hall. Her recent work in water color includes local scenes and images in nature.

Ms. Chirillo, a native of Trieste, Italy, has won several awards in painting and has participated in a number of exhibits in the Washington, D.C., area.

## Vienna Babe Ruth League Host Of Southeast Tournament Play

The Babe Ruth 16-year old Southeast Regional Tournament, hosted by the Greater Vienna Babe Ruth League, will be held August 4-11 at Waters Field.

Tournament passes are available from local sponsoring merchants for \$10 and provide admission to all the games.

The first game, featuring the Vienna host team against Northern Alabama, will be played at 8 p.m. August 5, following opening day ceremonies at 7 p.m. President Reagan, Governor Robb and other dignitaries have been invited to the opening day activities, which will be taped and televised on WNVC channel 56 on August 7. WNVC will also broadcast the championship game on August 11.

Because of the tournament, Cherry Street next to Waters Field will be closed from 6:30 to 8:30 p.m. August 4 and from 3 to 9 p.m. August 5.

Host families are still needed. For

## ABC to Reopen

A new Virginia ABC store will open in Vienna at noon on Thursday, August 4. This new outlet, located at 436-438 Maple Ave., E., is a self-service "superstore" and will be one of 10 stores in Northern Virginia to feature flexible pricing.

The Town Council has expressed appreciation to Vienna's state representatives, Senator Clive DuVal and Delegate Dorothy McDiarmid, for their efforts in getting an ABC outlet reopened in Vienna.

information, call Housing Coordinator Nan Hazlett at 938-6962.

The July *Newsletter* article on the Babe Ruth tournament failed to credit all sponsors of a welcoming dinner for the teams. They are the Vienna Host Lions, Vienna Lioness Club, Ayr Hill Lions, Oakton Lions and Oakton Lioness Club.

## Senior Games

Go for the gold or just go for the fun at the second annual Northern Virginia Senior Olympics September 12 - 16 at Wakefield Park in Annandale.

This program welcomes senior adults aged 55 and over to compete for gold, silver and bronze medals in over 30 events. Registration opens August 1, and for \$1 participants may compete in any or all events.

Sponsored by 10 Northern Virginia parks and recreation departments, including Vienna Parks and Recreation, this regional olympics features competition in basketball, bicycling, billiards, bowling, bridge, canasta, checkers, chess, dancing, dominoes, horseshoes, ping pong, racquetball, shuffleboard, swimming, track and field events, and tennis.

A social will be held the evening of September 14 for competitors and spectators.

For further information and registration forms, call Vienna Parks and Recreation at 938-8000, ext. 277.

Reminder - August 1 Town Council meeting and August 10 Planning Commission meeting have been canceled.

## Call for Floats

The Greater Vienna Chamber of Commerce invites all businesses, clubs, school groups and other organizations to enter floats in the 1983 Vienna Halloween Parade.

This year's parade will be held on Wednesday, October 26 (rain date October 27). All floats should be designed in keeping with the parade theme, "Heaps of Creeps and Hosts of Ghosts."

For entry application forms and more information, call the Chamber of Commerce at 281-1333. Specifications for floats must be submitted by September 25. All entries are subject to approval by the Chamber's Halloween Parade Committee.

The Greater Vienna Chamber of Commerce announces its relocation to a new office at 110 Maple Ave., E., Suite 2B.

## Rabies Warning

Several rabid raccoons and ground-hogs have been found this summer in Vienna. Residents are warned to be cautious when working and playing outdoors, especially along bike trails. If you see an animal you suspect may be rabid, call the Animal Warden at 938-4900. Do not attempt to capture the animal yourself.

## Planning for Commercial Redevelopment

by George E. Lovelace  
Vienna Town Councilman

Changes are occurring all around us. In the past five years, we have seen heavy commercial development on both ends of town. Coincident with this movement, we have experienced a decline in commercial revenues and many commercial structures within the town are reaching the end of their economic life.

My Council colleagues and I are adamant about ensuring that Vienna continues to have a viable and attractive commercial area, one that compliments the high quality of life and residential character we enjoy. For us to realize this goal, we recognized the potential for businesses to leave town for other locations in the county and that commercial redevelopment could occur, possibly uncontrolled, presenting us with undesired results.

### Citizen Advisory Panel Established

In the face of these pressures, the Council has acted in a manner which will allow us to direct development or redevelopment of the commercial area. On November 1, 1982, by resolution, we established a Citizen Advisory Panel to develop recommendations on redevelopment of commercial zones. The Panel in developing its recommendations will:

1. Assess trends in Vienna's commercial and light-industrial zones in view of current and projected developments adjacent to the town.
2. Determine what short- and long-range policy goals should be pursued to ensure a continued viable commercial sector in Vienna.
3. Determine what changes, if any, are required in the Town's ordinances, code and policies to achieve the goals of maintaining a viable commercial area while enhancing the appearance and residential nature of Vienna.
4. Recommend any proposed changes to the Town's or-

Councilman  
George E.  
Lovelace

dinances, codes and policies as identified through the above efforts.

The Panel is composed of citizens from the business and residential communities who are concerned and dedicated and who are volunteering their time and skills for this critical task.

### More Meaningful Comprehensive Plan

Their efforts should result in actions that will pave the way toward making our Comprehensive Plan a more meaningful document, offering the guidance of Vienna citizens and Council in areas of development and redevelopment, as well as a more forceful basis for protecting the valuable environmental, historic and residential resources.

Admittedly, the work of the Panel will be only the first step in a process designed to prepare the town for redevelopment that will inevitably occur. The Panel will submit a preliminary report of its findings and recommendations in late September or early October. Consideration of the report will endure the process of several public hearings designed to gain maximum input from both the residential and business communities.

## Keep Dogs Under Control

Dog owners are reminded that all dogs must be controlled on a leash whenever they are off the owner's property. Dogs found running at large, with or without a current dog tag, will be picked up by the Town Animal Warden and may be impounded. Fines for dogs at large increase with each offense up to a maximum of \$100.

When walking your dog, please be considerate of your neighbors. Don't allow dogs to walk on other people's property.

## Trash Collection Regulations

The Vienna Department of Public Works reminds residents of the following regulations concerning trash collection:

— Trash should be placed at the curblin away from the sidewalk and street. Trash cans should be removed from the curblin as soon as possible after trash pickup.

— Trash containers should be watertight metal or non-breakable plastic cans equipped with handles and tight-fitting lids. Cans with a maximum capacity of 31 gallons are recommended. Plastic bags expressly designed for refuse disposal and paper bags used in trash compactors may be substituted for cans. The bags should be removed from the can or other holder, tied at the top and placed at the curblin.

— In the interest of health and safety, defective trash cans will be red-tagged by trash crews, indicating that they are no longer suitable for use. These will be removed the first pickup the following week if left upside-down at the curbside.

— For large objects or an excessive amount of refuse, a special pickup will be made for \$20, payable in advance, for each dump truck load, provided objects or refuse are placed at the curb.

— Residents are required to separate newspapers from other trash. Newspapers are picked up twice a month for recycling. (See Town Calendar for pickup days.)

— Building materials generated by contractors employed by homeowners *will not* be picked up either by the regular trash crews or the special pickup crews.

— In addition to household trash, the bi-weekly trash crews *will* pick up:

- \* Grass clippings and leaves placed in plastic bags or cardboard containers (limited to 10 bags of leaves per pickup day).
- \* Tree trimmings (1½" maximum diameter), bushes and brush, provided they

are tied securely in bundles no longer than four feet.

\* Cold ashes, if placed next to trash cans in separate containers.

— Trash crews *will not* pick up the following items except through a pre-arranged special pickup or during the spring and fall town cleanups:

- \* Building materials — wood paneling, building block, stones, fences, broken concrete, etc.
- \* Discarded furniture, swing sets, playground equipment, etc.
- \* Scrap metal, automobile parts, bicycles, tires, etc.
- \* Sod and piles of debris such as mixtures of leaves, wood, brush, stumps, etc.
- \* Trees and limbs larger than 1½" in diameter.
- \* Bushes, brush and trimmings not securely tied for ease of handling.
- \* Stoves, refrigerators, washers and dryers.

Vienna residents may purchase plastic trash bags at Town Hall weekdays from 8:15 a.m. to 4:45 p.m. Lightweight bags cost \$4.50 for a box of 50, and heavyweight bags come in boxes of 100 for \$12.

## Right-on-Red: Exercise Care

Before turning right on red, please observe these important precautions:

At some intersections, because of heavy traffic or sight distance problems, right-on-red is prohibited or restricted to certain hours. Check intersections for warning signs before turning right on red.

Come to a full stop at the red light. Check to see that no cars are coming from the left. Then check to see that no cars are turning on an advance green light across the intersection from you.

Finally, and extremely important, make sure there are no pedestrians crossing the intersection. Drivers must always yield to pedestrians.

## New Track Club

Interested adults are invited to attend an organizational meeting to form a track club for Vienna youth. Track experience is helpful, but interest and enthusiasm are necessities.

The meeting will be held at 7:30 p.m. August 10 at the Vienna Community Center. For information, call 938-8000, ext. 277 or 591-0183.

## Baseball School

Vienna Little League is sponsoring a Baseball School for boys and girls ages 8 through 12. Classes will be held at Yeonas Park August 8 - 13 from 9 a.m. to 12 noon and 1 to 4 p.m.

Register at the park on August 8 from 8 to 10 a.m. The registration fee is \$6. For additional information, call 938-1764.

## Lawn Savers Tips Available

Homeowners in Vienna can have the healthy, green lawn they desire while saving time, money and energy by following the recommended lawn care practices outlined in the Lawn Savers Guide, available free at Town Hall.

Sponsored by the Northern Virginia Planning District Commission, local governments in Northern Virginia and the Virginia Cooperative Extension Service, the Lawn Saver Program is aimed at reducing the volume of solid waste and conserving soil and water resources.

The Lawn Saver Program is a plan of moderate watering, fertilization in the fall, regular mowing and the continuous return of nutrient-rich grass clippings to the lawn.

Actual dollar savings to homeowners vary with lawn size and weather conditions, but typical savings are in the range of \$35 to \$80 a year.

The Fairfax County Extension Agent can answer questions about Lawn Savers or specific lawn care problems. Call 691-3456.
