## Green Expo Showcases Sustainable Ways of Living

The Town of Vienna and the Conservation and Sustainability Commission are teaming up once again for this year's Green Expo at the Vienna Community Center, 120 Cherry St. SE, on Thursday, April 28, from 7 p.m. to 9 p.m. The annual event features nearly two dozen exhibitors offering information about topics including: composting, recycling, beekeeping, pollinators and native gardens, green landscaping, home energy efficiency, Solarize Vienna, ways to reduce plastic usage, citizen science, volunteer opportunities, sustainable businesses in Vienna, and much more.

Attendees can enjoy a live raptor exhibit and ask questions of the Town's arborist. Participants can also enter a drawing to win a free rain barrel or composter. Kids can grab a passport and visit exhibitors, learn about the environment, and earn a prize.

Winners of the second annual Student Creativity Contest for students within the Madison Pyramid will have their essay or artwork featured at the Green Expo.
