Vienna Town Council Cuts Tax Rate, Adopts FY2023 Budget

The hard work is done and the Town's balanced budget for the next fiscal year includes a property tax rate reduction while maintaining Town services at the same time. The Town Council adopted the budget at its May 16 Council meeting following a months-long process involving several work sessions and public hearings. The Council also adopted the real estate tax rate, and water and sewer rates for fiscal year 2023. The adopted budget:

- Reduces the property tax rate by 1.75 cents to 20.5 cents per \$100 of assessed value
- Funds compensation increases for eligible employees
- Provides a new pay structure for the police department to address challenges with officer recruitment and retention
- Addresses inflationary increases in operating costs, mainly through tax revenue increases related to assessed value of new construction

- Adds no new programs

"I want to thank our Town Manager, Mercury Payton, and Town staff for their hard work and diligent, thoughtful efforts to develop a balanced budget that meets the Town's operational needs and mitigates the tax burden on property owners," Mayor Linda Colbert said. "The result is a Town budget that represents our collective commitment to be good stewards of our taxpayer resources."

During the process, the Town Council asked finance staff to determine the

lowest possible property tax rate to help mitigate the tax burden on property owners stemming from large increases in real estate assessments. It was determined that Vienna realized enough of a surplus last year to offset a larger tax rate reduction than the original one cent proposed reduction, and still maintain a rainy-day fund.

This is the tenth consecutive year there was either no change or a reduction in Vienna's property tax rate. The FY2023 Town Budget takes effect July 1, 2022. 📌

Liberty! Liberty! Liberty!

Get ready for a month full of history, education, fun and excitement! The Town of Vienna's second annual Liberty Amendments Month is set to begin June 18, offering residents a chance to learn about local history and how it relates to the four Amendments that granted equal liberties to people who were previously excluded from the U.S. Constitution. The inaugural event last year was initiated by Town Manager Mercury Payton after Juneteenth was declared a state and federal holiday. He suggested that we, the people, have more in common than what divides us, and he wanted to bring the town together to foster mutual respect and understanding among its multicultural families.

What are the Liberty Amendments?

The Liberty Amendments are the 13th, 14th, 15th, and 19th Constitutional amendments. The 13th Amendment abolished slavery. This Amendment explicitly banned slavery and involuntary servitude in the United States. The 14th Amendment sets out the definitions and rights of citizenship in the United States. It also confirmed the right to due process, life, liberty, and property. The 15th Amendment prohibited governments from denying U.S. citizens the right to vote based on race, color, or past servitude. The 19th Amendment granted women the right to vote.

What to Expect:

Liberty Amendments Month will open with the Juneteenth celebration at Vienna's First Baptist Church on Saturday, June 18, from 11 a.m.-3 p.m., and will run through July 19, 2022. Each week, one of the four Constitutional amendments will be highlighted through children's programs, education events for adults, mini festivals, and so much more! While most events will occur at the Vienna Town Green or the Vienna Community Center, attendees can expect to see pop-up events all over town, including guided walking tours, scavenger hunts, museum exhibits and virtual lectures.

All information and event details are online now, including the Liberty Amendments Month Calendar. To learn more, view the calendar, and plan your activities, visit www.viennava.gov/liberty. Be sure to download your Liberty Amendments Month Bingo card for a chance to win prizes: <https://bit.ly/LAMbingo>.

Chill All Summer Long!

Get ready to chill this summer at Vienna's favorite block parties! Chillin' on Church begins Friday, June 17, and continues every third Friday of the month through September on historic Church Street. This family-friendly event runs from 6:30-9:30 p.m. and is complete with live music, food trucks, and beer and wine vendors. Admission is free. To learn more including the monthly live entertainment lineup, visit www.viennava.gov/chillin.

Vienna Brings Home the Trophy!

The Town of Vienna now holds the title of "Fittest Town Around" after winning this year's Mayors' Fitness Challenge. The friendly competition against the cities of Falls Church and Fairfax encouraged residents to get moving and log their exercise minutes from March 19-May 7, 2022. By the time it was over, Team Vienna's 132 participants ranging in age from 4 to 91 logged a collective 238,437 exercise minutes (3,973.95 hours). Participants recorded activities such as walking, pickleball, weightlifting, gardening and basketball. Falls Church won the inaugural contest last year, and Falls Church Mayor David Tarter made the trip to Vienna Town Hall, May 20, to present the trophy to Vienna Mayor Linda Colbert. The trophy will remain in Vienna for at least one year, or for longer, if Team Vienna successfully defends the title next year!

Dare to Say No to Drugs

Town of Vienna Officer Juan Vazquez teaches 5th graders at St. Mark Catholic School about the importance of saying "no" to drugs through hands-on experience by practicing scenarios with conflicts. Find out how your school can become part of the D.A.R.E. program here: <https://bit.ly/DAREprogram>.

Riders Up!

Despite grey skies and sprinkles, the second annual Tour de Hunter Mill hosted by the Town of Vienna was a success! About 140 bike enthusiasts joined Mayor Linda Colbert and Supervisor Walter Alcorn at the Vienna Town Green for a ride through the Hunter Mill district on Saturday, May 14.

Both Mayor Colbert and Supervisor Walter Alcorn participated in the activity, with Mayor Colbert taking on the 5-mile family ride and Supervisor Alcorn doing the longer, 18-mile ride through the Hunter Mill District. To add to the excitement, there was even a pit stop at the corner of Tapawingo and Hillcrest staffed entirely by a Vienna family on the family ride!

The annual event was started last year by Supervisor Alcorn to encourage riders to explore the Hunter Mill District from a bicycle perspective and to encourage biking as a form of transportation. Rather than starting in Reston as it did last year, both routes started and ended at the Vienna Town Green this year. 🚲

Vienna Volunteers!

Vienna knows how to give back! Hundreds of volunteers were recognized at this year's Mayor's Volunteer Reception for their service to the Vienna community. Mayor Linda Colbert presented certificates to volunteers during the April 19 reception at the Vienna Volunteer Fire Department. Volunteers were celebrated for providing free tutoring services, forming a meaningful softball league to foster social engagement for older adults, organizing relief drives for Ukrainian refugees, planting and cultivating community gardens, selling baked goods and homemade crafts to support worthy causes, and so much more. Thank you volunteers for all the good work you do in our community! 🙌

Vienna Rotary Bestows “Service Above Self” Awards

Congratulations to Town of Vienna Police Officer John Sterling, Town Deputy Clerk Shelley Kozlowski, Parks and Rec Special Events Coordinator Lily Widman and Vienna Volunteer Fire Department Vice President Grayson Garbini for being named this year’s M. Jane Seeman “Service Above Self” Award recipients. The Rotary Club of Vienna Virginia presented the awards April 20 at Westwood Country Club. The Rotary also presented checks to both the Town and the Fire Department to support youth outreach and fire department infrastructure needs. 📌

Chase is on the Case!

Imagine showing up for school and getting a surprise welcome from one of your favorite television characters! That’s exactly what Cunningham Park Elementary School students got on May 3 on National Walk and Bike to School Day. Chase from “Paw Patrol” teamed up with local officers, including Vienna Police Chief Jim Morris and Deputy Chief Dan Janickey, who rode over on their bikes to join in the celebration. Mayor Linda Colbert and Officer Juan Vazquez were also there to commemorate the day.

National Walk and Bike to School Day encourages students, teachers and staff members to commute to school using alternative means of transportation such as walking or riding a bike instead of taking the bus or car. It also helps raise awareness about commuter safety, including well-maintained walkways, especially for bicyclists and pedestrians. It is a great way to get students in on the conversation, and a little help from “Paw Patrol” never hurts! 📌

Vienna Cleans House for Drug Take Back Day

Vienna Police wound up doing some heavy lifting after residents turned out in droves to safely get rid of expired or unused prescription medications, April 30, during National Drug Take Back Day. By the time it ended, Vienna Police collected a whopping 364 pounds of unwanted medications in the drive-through event outside the temporary police headquarters on Center Street. The medications were delivered to the Virginia State Police for proper disposal.

If you missed the event, there are other options for getting rid of your unwanted medications safely any day. The most convenient location for Vienna residents is CVS Pharmacy located at 337 Maple Ave. E. 📍

Individual Actions for Collective Change: “The Risk of Lists”

By Ed Somers, Vienna Town Council Member

Since learning about the damage being done to the ozone layer as a child, the issue of environmental protection and actions needed to be taken by governments, corporations, and individuals has always been central to my thinking.

There are so many environmental problems today that sometimes one can feel overwhelmed with the question, “what can I do?” On the topic of climate change, the fact is that government and corporate actions are an absolute necessity, and that personal sacrifices will need to be made by millions, if not billions, to counteract decades of inaction.

That said, my wife once pointed out to me, “You talk about the environment a lot and yet you run the water when you brush your teeth.” She was right. I am not sure why I do that (I guess I like the sound) but it does nothing to help the environment and costs our family money.

This brings me to a topic almost as tricky as climate change specifically or environmental protection in general - lists. Every time I try to come up with one, I know that I have left off important ideas. And if I share a list, I am reminded of my oversights by others. Nonetheless, I thought I would use this opportunity to highlight individual actions we can take that - collectively - would have a significant impact. And if nothing else, the brevity of ideas below may provoke more detailed suggestions.

- Turn off lights.
- Reduce the use of plastic (the idea of requesting that take-out establishments do not provide plastic utensils in most cases was recently shared with me, and I am going to try and remember this to also help our Vienna restaurants save money).
- Use refillable water bottles and, when purchasing drinks from stores, default to aluminum cans that are in most cases 100 percent recyclable.
- Mulch your leaves in the fall and keep them in your yard as much as you can.
- Have reusable shopping bags at the ready.
- Vienna is now collecting single use and rechargeable lithium-ion batteries (11 lbs. or less; and not damaged, bulging or leaking) at both the Community Center and Town Hall.
- Shop at stores that promote environmentally conscious products and allow you to bring in your own containers - like we have in Vienna.
- Walk, bike, use a scooter, ride-share, or use public transportation when it is an option for you.
- Get involved and seek ideas from important organizations focused on environmental stewardship – like our Town’s Conservation and Sustainability Commission.
- And yes, turn off the water when you brush your teeth.

Please feel free to email me (Ed.Somers@viennava.gov) with your ideas of individual actions that should be added to a list like this, and I will try and share via social media and other forums. 📧

Topic on deck for June: Liberty Amendments Month

Join Town Manager Mercury Payton, Parks and Recreation Event coordinator Lily Widman and their guests to see what's coming up for Liberty Amendments Month. Activities are planned for all ages to celebrate the four Constitutional Amendments that granted equal liberties to people who were previously excluded from the U.S. Constitution.

On Deck with Mercury is a monthly community forum inviting residents to participate in an open discussion about Town accomplishments, initiatives and projects. The program is videotaped, and once the cameras are off, residents have an opportunity to ask questions.

If you missed last month's On Deck with Mercury program regarding Business Appreciation Month, you can still catch it online: <https://bit.ly/OnDeckBAM>. 📺

Vienna Proclaimed a “Stroke Smart Town”

Did you know that strokes are the number one cause of disability and a leading cause of death in the United States? A stroke, sometimes called a brain attack, occurs when the blood supply to the brain is blocked or a blood vessel in the brain bursts. Anyone, even children, can have a stroke. More than 16,600 Virginians have a new stroke each year. However, up to 80% of strokes are preventable or treatable if you know the signs and get medical attention quickly.

In an effort to draw attention stroke awareness and provide life-saving information, Mayor Linda Colbert proclaimed the Town of Vienna a “Stroke Smart Town” at the May 2 Town Council meeting. The Stroke Smart Virginia campaign highlights the importance of knowing how to “Spot-a-Stroke, Stop-a-Stroke, Save-a-Life.” The goal is to educate people about the signs and symptoms of a stroke, and what to do in an emergency.

The F.A.S.T acronym, is a good way to remember the signs:

F = Face begins to droop

A = Arm weakness

S = Speech Difficulty

T = Time to call 911

Other signs include loss of vision, severe headache and weakness or numbness on one side of the body. If you recognize these signs and suspect a stroke, it's important to get medical attention right away. Life-saving treatments must be administered within three to four hours of the onset of symptoms to be effective.

To learn more about Stroke Smart Virginia, visit <https://bit.ly/strokesmart>. Or stop by Vienna Town Hall to pick up educational Stroke Smart wallet cards and magnets free of charge. 📺

How to Spot a Stroke

STROKE TEST: SMILE

Pass: [Image of a person smiling] Fail: One side droops. CALL 911

STROKE TEST: RAISE ARMS

Pass: [Image of a person with arms raised] Fail: Arm drifts downward. CALL 911

Even ONE Sign, CALL 911 NOW

- Slurred speech
- Loss of balance
- Loss of vision
- Weak or numb on one side of body
- Severe headache

Get To Know the New Planning and Zoning Director

Five Minutes with David Levy

Tell us a little bit about yourself?

I was born and raised in Baltimore. I am married to a wonderful wife, Barbara, and we have two wonderful daughters, Rebecca (Becca) and Lydia. Barbara runs a video production company.

Becca just graduated from college and will be starting work in the summer in New York. Lydia is a college sophomore. I have previously worked for local governments in Baltimore, Rockville and Quito, Ecuador; and I have worked as a consultant to local, state, national and tribal government agencies. My career has been all about working with communities to enhance the quality of life for all stakeholders.

What attracted you to the job?

Vienna is a great community. I worked nearby for two years when I worked

at the consulting firm ICF, and I have biked through the town on the W&OD trail. It is beautiful, with trees and great neighborhoods. So, when I saw the posting for the Director position, I was immediately drawn to applying.

Life outside of Planning and Zoning. What are your favorite things to do or enjoy?

I like to go on walks/hikes with my family, play guitar, either on my own or with friends, and read books. I also love to travel. My family finds a way to do fun trips whenever we can.

What exciting initiatives do you want to accomplish as the town's new Planning and Zoning Director?

A top priority is to complete the update to the Town's Zoning Ordinance (the Code Create Vienna process), on which the existing great staff has made progress along with consulting support and community engagement. More broadly, I am always focused on great customer

service and I will be working with the Planning and Zoning staff on ways to improve service to residents, businesses and all others.

What was your first job?

My first job was scooping ice cream at a neighborhood Baskin & Robins shop in Baltimore.

One thing folks would be surprised to know about you.

There was a time when I attempted to be a competitive Table Tennis player. (It didn't last very long.)

Your baseball walk-up song would be...

"Get Together," by The Youngbloods. Specifically, I'd go for the verse:

"Come on, people now
Smile on your brother
Everybody get together
Try to love one another right now" 🎵
