Certificates will be given to pet owners at the clinic to verify each vaccination. Town of Vienna dog licenses will also be sold at the clinic for \$5 each.

In bringing animals to the clinic, dogs should be on a leash and cats confined to a box or basket.

The clinic is sponsored by the Northern Virginia Veterinary Medical Association and the Fairfax County Helath Department with the support of the Volunteer Fire Department and its Ladies Auxiliary.

## Boundary Changes Considered

The Vienna Town Council and the Fairfax County Board of Supervisors are considering possible adjustments of the town-county boundary.

At present, the boundary line splits individual pieces of property as well as subdivisions, causing confusion for some residents and making assessment of taxes and delivery of public services less efficient.

Nineteen sites have been selected for possible boundary adjustment. If approved, ten of the sites would come

totally within the town limits and nine would be totally in the county. The selection was based on which jurisdiction could provide services such as police protection, trash collection and street maintenance in the most cost-effective way.

Before any decision is made on these possible boundary adjustments, the Town Council and the Board of Supervisors will hold a joint public hearing, tentatively scheduled for July 23 at a place to be announced. Affected property owners will be notified of the hearing and invited to testify if they so desire.

For more information, citizens may call the Planning Office at Town Hall, 938-8000 ext. 267, or the Fairfax County Office of Comprehensive Planning, 691-3011.

## PTA Flea Market

The Cunningham Park Elementary School PTA will hold a flea market on Saturday, May 12, from 9 a.m. to 3 p.m. (rain date May 19). Money earned from the day's activities will be used to improve the school's playground facilities.
