A Special Message from Santa Claus

Children who celebrate Christmas can hear a very special message from Jolly ole Saint Nick by calling 703-255-6333. It is the busiest time of year at the North Pole as Santa, his elves and his team of reindeer prepare for their annual world-wide ride to deliver holiday gifts on Christmas Eve. Children can listen for the sounds of sleigh bells and other last-minute activities as Santa explains how teamwork, Mrs. Claus and the elves helped him stay on schedule this holiday season.

Santa's message will be available and remain on the line through Dec. 25, 2022.
