

## Town of Vienna, Virginia Police Department News Information Release

### Steering Wheel Lock Program

The Town of Vienna Police Department is taking a proactive approach to combat the uptick in thefts of Hyundai and Kia vehicles across the United States. Owners of these cars may be wondering how to make their vehicles less appealing to thieves. Locking a vehicle's doors is a very effective deterrent but, adding a steering wheel lock may provide an additional layer of protection.

The Town of Vienna Police Department has obtained several steering wheel locks directly from the manufacturer as part of Hyundai's nationwide campaign. The locks will be available FREE to Town of Vienna residents (22180) during the hours listed below. This campaign will begin **Monday March 13, 2023**.

The criteria to get a FREE steering wheel lock are:

- Owner of a 2011-2021 Hyundai vehicle with a key ignition (**Not push to start**)
- Town of Vienna resident (22180)

If you would like to pick up one of the free steering wheel locks, please visit the front lobby of the Vienna Police Department located at 215 Center Street South, Vienna VA 22180 during the following hours: Monday thru Friday - From 8:00 a.m. until 2:00 p.m.

Please contact MPO Juan Vazquez for further information at
