## Watch Out for Pedestrians

Many pedestrians in Vienna feel they are an endangered species. Motorists are urged to use extra caution this summer when more people are out walking in our town. Remember that pedestrians in crosswalks have the right-of-way, and be especially careful when making a "right on red."

Keeping sidewalks unobstructed is also important for pedestrian safety. Please be sure that cars parked in your driveway do not extend out over the sidewalk.

## Budget Approved With 1¢ Tax Cut

A \$10 million budget for fiscal year 1986-87 was adopted by the Town Council on June 16. Council was able to lower the real estate tax rate by a penny, to 32¢ per \$100 of assessed valuation, by trimming a total of \$70,752 from a number of accounts. The new budget provides for continuation of all current Town services and funding for some major capital improvements.

The water and sewer fund is based on new water rates of 97¢ per 1,000 gallons for town residents and \$1.29 for out-of-town customers, and a sewer rate of \$2 per 1,000 for all customers. This increase of about 5% is necessary to keep this fund self-supporting and cover rising costs for wholesale water purchases from Falls Church and other expenses. The rates charged Vienna residents are still lower than those in most neighboring jurisdictions, as shown below. The new budget retains the excess use charge for water service.

TOWN OF VIENNA - water, 97¢ (town residents); sewer, \$2.

ARLINGTON COUNTY - water, 93¢; sewer, \$1.52.

FAIRFAX CITY - water, \$1.17 for first 5,000 gallons; sewer, \$1.90 for first 5,000 gallons.

FAIRFAX COUNTY - water, 81¢ (new customers); sewer, \$2.34.

FALLS CHURCH - water, \$1.15; sewer, \$1.62.

TOWN OF HERNDON - water, \$1.40; sewer, \$2.15.

## Vienna League To Host State Playoffs

The Greater Vienna Babe Ruth League will host this year's 13 to 15 year old Babe Ruth State Tournament. The tournament will be held at Waters Field on Center Street July 18-22.

Players will arrive Thursday afternoon, July 17, and the first round of games will begin at noon Friday. The tournament uses a double elimination format, which means that all eight competing teams will play through Saturday. The semifinals are scheduled for Monday, July 21, barring any rainouts, and the final game will be played on Tuesday, July 22.

Some players likely to be on the Vienna team this year missed being in the Little League World Series at the 12-year old level by just one game in 1983. The public is invited to attend the games to show support for this excellent youth sports program and enjoy an exciting tournament.

### Housing Needed for Players

Those players traveling from more than 50 miles away will be housed with foster baseball parents in the Vienna area. These parents will provide room, board and transportation for the boys while their teams are in competition. Vienna has established an outstanding reputation for its hospitality in past tournaments. If you are interested in housing some baseball players — two minimum, a whole team (!) maximum — call State Tournament Director John Brenkus, 938-6254, or Carol Bennett, Housing Director, 573-5725.

Full-page advertisements in the tournament program are available for a \$175 donation. Half-page and quarter-page donations are \$100 and \$60, respectively. A special patron's page is available for individual donations of \$10. Those interested in advertising should contact John Brenkus as soon as possible.

## Reward Offered

### For Stolen Banner

The Greater Vienna Chamber of Commerce is offering a \$100 reward for the return of its ViVa! Vienna! banner.

The banner, installed across Church Street on May 24 to promote the Town Festival, was stolen early on the morning of May 25. It measures 28 feet by 54 inches and is made of white nylon with the words "ViVa! Vienna! May 25" painted in green.

Anyone having information about the missing banner is asked to contact the Chamber of Commerce, 281-1333, or the Vienna Police Department, 938-4900.

### Marketing Seminar

The Greater Vienna Chamber of Commerce will sponsor "Marketing for the Retail Business," another in its series of professional development seminars, on Tuesday, July 22, from 8 to 9 a.m. at Sailors and Merchants Bank, 133 Maple Ave., E.

The fee for the seminar is \$10, which includes a light breakfast. To register and for more information, call the Chamber office, 281-1333.

## School Grounds Off Limits at Dark

Did you know that being on public school property after dark is against the law? Even though the property may not be posted, the Virginia State Code prohibits being on the grounds at night unless there is an activity at the school.

Fairfax County Schools security personnel have recently arrested a number of young people at Vienna area schools, although they had committed no crime other than unknowingly trespassing.

Make sure that your children understand that all public schools and playgrounds located on school property are closed after dark.

## Neighborhood Watch Report

The Vienna Police Department showed no significant increase in major crimes over the past month.

Reported vandalism did increase, especially in construction areas, and Neighborhood Watch groups are asked to note any unusual activities where construction is taking place.

There were five reported burglaries. Two of these were commercial businesses and three were residential. Malcolm-Windover Neighborhood Watch area had two of the residential burglaries. Entrance was gained through unlocked doors and windows. Property loss included appliances (color TV) and silver. The losses were in excess of \$6,000.

## Fireworks Safety

Have a safe 4th of July and stay away from dangerous and illegal fireworks. Fireworks that explode, emit a flame or sparks higher than 12 feet, or perform as a projectile are prohibited by the Fairfax County Fire Prevention Code. A permit is required to sell approved fireworks, and the permit is valid only from June 1 to July 15 each year.

Firecrackers, cherry bombs, and sky-rockets are just a few of the fireworks that are illegal in Northern Virginia. Even the possession of unapproved fireworks is prohibited in Fairfax County, and such fireworks may be confiscated and the person possessing them charged with a Class 1 Misdemeanor, which carries a maximum penalty of a \$1,000 fine and/or one year in jail.

During 1985 six people in Fairfax County were injured by fireworks. All of the injuries occurred in June and July and most were to teenagers and young children. Several were serious and left permanent damage. Don't let your holiday celebration turn into a tragedy. Use fireworks safely. If you have questions about fireworks, call the County Fire Prevention Division, 691-2331, or the Public Affairs Section, 691-3366.

The next Neighborhood Watch training session will be held at 7:30 p.m. July 24 in the Council Chamber at Town Hall. The subject will be flammable operations. For information on the Neighborhood Watch program, call Cpl. Johnny Price, Community Services Officer, at 938-4900.

## Relief for Families Of Disabled Adults

The Fairfax County Department of Social Services' Respite Companion Services Program is available to eligible incapacitated adults who live with their care-givers. The program is designed to give up to 10 hours of relief each week to family members that have the responsibility of constant care and supervision of a disabled adult.

Respite companion services involve assisting incapacitated adults with the activities of daily living and include food preparation, light house-keeping and personal care. Through the program, the care-giver is given temporary relief while the companion takes care of the client's needs.

To be eligible, disabled clients for whom respite services are requested must meet income guidelines, reside with their care-givers, and require almost constant care and supervision.

For more information about this service, call the Fairfax Department of Social Services office, 385-8883.

## Summer Pet Care

Going on vacation? Your Town Animal Warden reminds you that the well-being of the pet you enjoy so much the rest of the year deserves careful planning well in advance of your departure date.

Whether you take your pet along, have a pet sitter, or board your pet, your planning should include a visit to the veterinarian and proper identification, such as a Town tag for dogs.

## Vienna Community Band Marks Anniversary

When the Vienna Community Band performs at this year's July 4th celebration, it will also be observing its 11th anniversary. The band was begun in January 1975 in conjunction with plans to celebrate the Bicentennial. At a neighborhood barbecue, a discussion about the Bicentennial took place and one neighbor, Linda Stees, mentioned that a band concert would be appropriate. This was the beginning of the Vienna Community Band.

It wasn't a coincidence that Mrs. Stees' husband plays trombone and her two sons play brass instruments. With their help, a meeting was scheduled at the Community Center. Two people who attended that initial meeting are still members of the band, Dick Stees and Jim Mathers. A call for musicians

went out from the meeting, and gradually a good representation of concert band instrumentalists was obtained.

Cindy Cushion volunteered to be the first director to get the group started. They played their first concert as a community band on July 4, 1975, under the direction of Ben Hawkins. The next performance was the 1975 Christmas concert, the beginning of an annual tradition that continues today.

Other directors have included Jeff Stefans, Patricia Czynnik Board, and now John Pickeral. Approximately 45 musicians make up the current membership, with all instruments well represented. Members come from all walks of life but have one thing in common - a desire to increase their musical experience and bring musical enjoyment

to others. Anyone with musical ability is invited to join the group with no audition required for admission.

The band will offer another concert of marches, show tunes and contemporary music on the Community Center grounds at 7 p.m. Sunday, July 20. For more information about the band's concert schedule or about joining the band, call 281-2430 or 538-4803.

## Fireworks Sale

The Vienna Jaycees' annual fireworks sale continues until July 4. The sales booth is located in the Safeway parking lot on Maple Avenue. Proceeds help support Jaycees community service projects.
