**The Vienna Police Department Launches Stop Sign Enforcement  
Campaign**

The Town of Vienna is launching another traffic safety campaign focused on enforcing all traffic laws, particularly targeting stop sign violations. In response to a noticeable increase in such violations, officers will be actively present to issue tickets and remind drivers about the importance of coming to a complete stop when approaching a stop sign. Whether facing a solid or flashing red light, drivers must stop before entering the crosswalk, intersection, or stop line. It's worth noting that, under certain circumstances, a stop sign violation can be cited as reckless driving.

Motorists who receive a ticket for a stop sign or red light violation will face a fine and three demerit points on their driving record. The Vienna Police Department emphasizes the need for defensive driving, courteous behavior, and strict adherence to all traffic laws to ensure safe arrival at destinations.

Remember: STOP MEANS STOP!
