Big Screen on the Green Cancelled

Due to hazardous air quality, the Town of Vienna's "Big Screen on the Green" event previously scheduled for today, June 8, at 8:30 p.m. is cancelled and will be rescheduled at a later date.

A code purple air quality alert has been issued for the Vienna area through today, Thursday, June 8, 2023, due to the Canadian wildfire smoke that has moved into Northern Virginia. The air quality is unhealthy for everyone in the region. Residents are advised to stay indoors as much as possible and to wear a mask if they must go outdoors.

The air quality forecast for Friday, June 9 is code yellow. If that continues to be the case, the Town's Summer on the Green Concert scheduled for 6:30 p.m. Friday, June 9 will take place as scheduled.
