1¢ Tax Cut \$10.7 Million Budget Adopted for FY 1987-88

The Town Council has adopted a \$10.7 million budget for fiscal year 1987-88. The new budget, which takes effect on July 1, is based on a real estate tax rate of 31¢ per \$100 of assessed valuation, one cent below last year's rate. Funding is included for continuation of all current Town services as well as improvements in a number of areas, including a new Department of Planning and Zoning with increased personnel, architectural services for the design of a new police headquarters building, a microfiche program to reduce the quantity of records stored at Town Hall, more equipment for snow removal operations, and trash collection on Monday holidays beginning in January.

The water and sewer fund is based on new water rates of \$1.02 per 1,000 gallons for town residents and \$1.35 for out-of-town customers, and a sewer rate for all customers of \$2.10 per 1,000 of water used. This 5% increase is required to keep this fund self-sustaining and cover rising costs for the wholesale purchase of water from Falls Church and other expenses such as a fire flow study, equipment purchases, and debt service costs on the 1987 bond issue. The rates charged Vienna residents are comparable to those in

Town Hall will be closed Friday, July 3, in observance of Independence Day. NO TRASH PICKUP. Trash WILL be collected as usual on Saturday, July 4.

neighboring jurisdictions, as shown below:

Town of Vienna - water, \$1.02 (town residents); sewer, \$2.10.
Arlington County - water, 93¢; sewer, \$1.52.
Fairfax City - water, \$1.10; sewer,

\$1.78.
Fairfax County - water, 70¢; sewer, \$2.34.
Falls Church - water, \$1.15; sewer, \$1.62.
Town of Herndon - water, \$1.40; sewer, \$2.15.

Town Council Action

MAY 18, 1987

- Conducted a public hearing on a proposed ordinance concerning inoperative motor vehicles.
- Requested the Town Attorney to draft an ordinance concerning vicious and dangerous dogs.
- Appointed the following members of the Windover Heights Board of Review for two-year terms: Richard DeAngelis and Joan Lillis as residents of the historic district, Fannie Travis as the

Board of Architectural Review representative, Jerry Barnett as the Planning Commission representative, and Thomas Kamstra as the architect member.

- Requested grant funds from the Virginia Department of Conservation and Historic Resources to implement a litter control program in Vienna.
- Accepted a bid by JKJ Chevrolet of \$9,398 for a half-ton pickup truck for the Parks and Recreation Department.

JUNE 1, 1987

- Conducted public hearings on the proposed Town budget for fiscal year 1987-88, and on a request for a franchise to install long-distance communications equipment.
- Appointed Gramm & Company, 440 Maple Ave., E., as administrators for the Town's health insurance program.
- Adopted an amendment to the zoning code concerning inoperative motor vehicles.
- Approved the request by the Vienna Volunteer Fire Department for \$6,920.-39 in fire program funds to reduce the debt on the Department's 1981 Hahn fire truck. These funds are at no cost to the Town but rather a pass-through of State funds.

COUNCIL INVITES CITIZEN COMMENT

The Town Council invites citizens to submit comments for use in the *Newsletter*. Comments must be made in writing and received at Town Hall by the 15th of each month to be included in the following month's *Newsletter*. Please give your name, address, and daytime phone number. (This information will not be published.) Send comments to: *Vienna Newsletter*, 127 Center St., S., Vienna, VA 22180.

Town Can Tow

The Town Council has adopted an ordinance empowering the Town to remove inoperative motor vehicles from residential or commercial property if the property owner fails to comply with notice to do so.

The ordinance defines an inoperative vehicle as one "which is not in operating condition, or which for a period of sixty days or longer has been partially or totally disassembled by the removal of tires and wheels, the engine, or other essential parts required for operation of the vehicle or on which there are displayed neither valid license plates nor a valid inspection decal."

Inoperative vehicles may be legally stored only within a fully enclosed garage or other structure.

The cost to remove illegal vehicles by Town forces may be charged to the vehicle owner, or to the owner of the property from which the vehicle is removed and will constitute a lien against the property until paid.

Parking Prohibited

The Town Code prohibits parking of vehicles on any portion of a sidewalk. This includes vehicles parked in driveways that extend out over the sidewalk.

The warm summer weather and long hours of daylight always attract more residents to take a walk. You can add to their enjoyment and safety by taking care not to obstruct the sidewalk.

Join Explorers

Vienna Law Enforcement Explorer Post 1890, sponsored by the Vienna Police Department, is very involved in community service activities for the town, including the July 4th celebration, ViVa! Vienna!, the Halloween Parade, fingerprinting of children, and many others.

Because of these Explorers - Douglas Gauthier, Jeremy Del Valle, Eric Haskins, Jon Turner and Steven Wiczorek - and their dedication to community service, the Explorer Post has received numerous awards from local organizations this year.

Explorer Post 1890 is open to all young men and women between the ages of 14 and 20 who are interested in law enforcement and enjoy being involved with the community. The Post holds its meetings every Wednesday at 7 p.m. at police headquarters.

For more information, call Sgt. Johnny Price, Post advisor, at 938-4900.

Gunnell Memorial

The Dyer-Gunnell American Legion Post 180 is seeking assistance in completing its memorial exhibit on Clarence Leath Gunnell, U.S. Army serial number 3353693, 54th Pioneer Infantry, who was killed in action on September 29, 1918, near Auberville, France.

Anyone having information, documents or photos is asked to contact Post historian Paul Klinkert at 938-9535 or 281-3057.

Town Hall Art Show

Vienna resident Pauline Lorfano is exhibiting her floral watercolor paintings at Town Hall through August 15. She is past president of the Vienna Arts Society and was honored by the Society in April with its Grumbacher Award.

Lorfano's watercolors have been in numerous juried-in exhibitions, including Chrysler Museum, Norfolk and recently the Mid-Atlantic Regional Exhibit in Baltimore.

Model A Ford Show At Freeman House

Historic Vienna, Inc., will host a Model A Ford Show at the Freeman House, 131 Church St., N.E., on Sunday, July 12, from 11 a.m. to 3 p.m. The George Washington chapter of the Model A Club of America will bring 10 cars, vintage 1928 to 1931, to be shown on the lawn. This club sponsors the Sully Plantation car show each June.

Freeman House is an appropriate location for this show, since it was Leon Freeman, who operated the store around the turn of the century, that owned the first car in Vienna.

Summer Music

The Vienna Community Band will present a free outdoor concert at 7 p.m. Sunday, July 19, on the grounds of the Vienna Community Center. The audience is invited to bring a picnic supper and blanket and enjoy a program of traditional concert band selections, marches and show tunes. In case of rain, the concert will be held indoors.

The 45-member band performs under the direction of John Pickeral, chairman of the music department at Wakefield High School. Pickeral also directs the Kings Park Concert Band, Concordia German Band, Constellation Dance Band, and the Redskins Marching Band.

The Vienna band rehearses Sundays from 7:30 to 9:30 p.m. at the Community Center, and all musicians are welcome to join with no audition required. For information about the band and its summer concert schedule, call 281-2430 or 698-9506.

Parks and Recreation News

For more information on any of the activities listed below, call the Vienna Parks and Recreation Department, 938-8000 ext. 277.

ATLANTIC CITY TRIP

July 13 is the reservation deadline for another trip to Atlantic City. Spend the day in the casinos or lounge on the beach on Thursday, July 23. A charter bus will leave the Community Center at 9 a.m. \$20 pays for transportation.

YOUTH THEATER WORKSHOP

A summer theater workshop for youngsters aged 10 through 14 will be held at the Vienna Community Center July 20 through August 7, Monday through Friday from 6 to 9 p.m.

The workshop will introduce youngsters to all phases of theater, including writing, set design and construction, acting, makeup, singing and dancing. The program will end with the performance of a short original play

Vienna Woman to Visit USSR

Keven Colbert, a resident of Hillside Circle, S.W., will be a delegate to the Soviet Union in October, together with other women from across the country and wives of members of Congress. Colbert will represent the Northern Virginia chapter of Peace Links, an organization of over 30,000 American women aimed at promoting international understanding as an important aspect of finding alternatives to nuclear war.

As guests of the Soviet Women's Committee, the group will tour several Soviet republics and meet with members of local Soviet Women's Councils. They and their Soviet counterparts expect to exchange information on educating children for peace, women's networking strategies and efforts to

written from student ideas.

The workshop is directed by Norman Chaudet, who has directed both community theater and high school productions. He is founder and artistic director of the Vienna Theatre Company. Music director for the workshop is Sara Callahan and choreographer is Jeanne Velasco.

The workshop fee is \$150, which includes a daily snack and a T-shirt.

LITTLE LEAGUE CAMP

Little League baseball camp for boys and girls aged 7 through 12 will be held at Yeonas Park Monday through Saturday, August 3-8. Choose the morning session from 9 a.m. to noon or the afternoon session from 1 to 4 p.m.

Children should wear long pants and tennis shoes and bring a glove. All other equipment will be furnished.

Sign up by calling Vienna Parks and Recreation. A registration fee of \$5 is payable to Vienna Little League the first day of camp.

strengthen the family, and to explore possibilities for future joint projects involving women of the two countries.

This trip is the second phase of the Peace Links Women's Exchange Project. Last year, a group of Soviet women visited cities and towns across the U.S.

Upon her return from the Soviet Union, Colbert plans to share her experiences through speaking engagements with community groups. Local organizations are invited to support Colbert's trip with donations of funds and by supplying her with materials from any projects that reflect American culture, especially as it relates to women and family life. Contact Colbert at 244 Hillside Circle, S.W., Vienna, VA 22180.

Metro Makes Route Changes

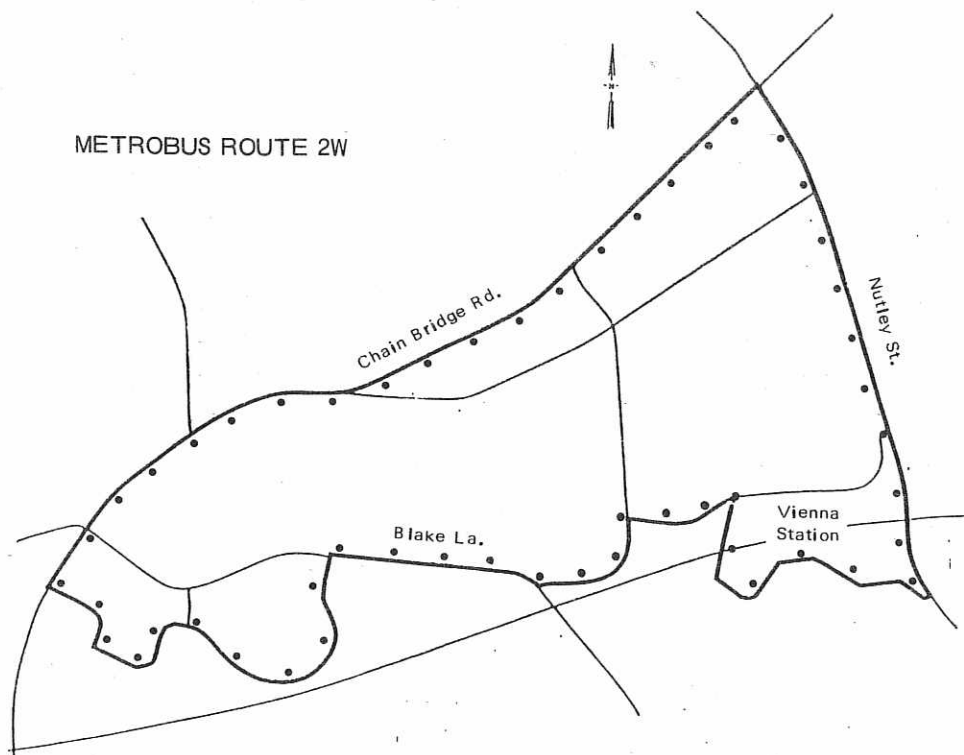

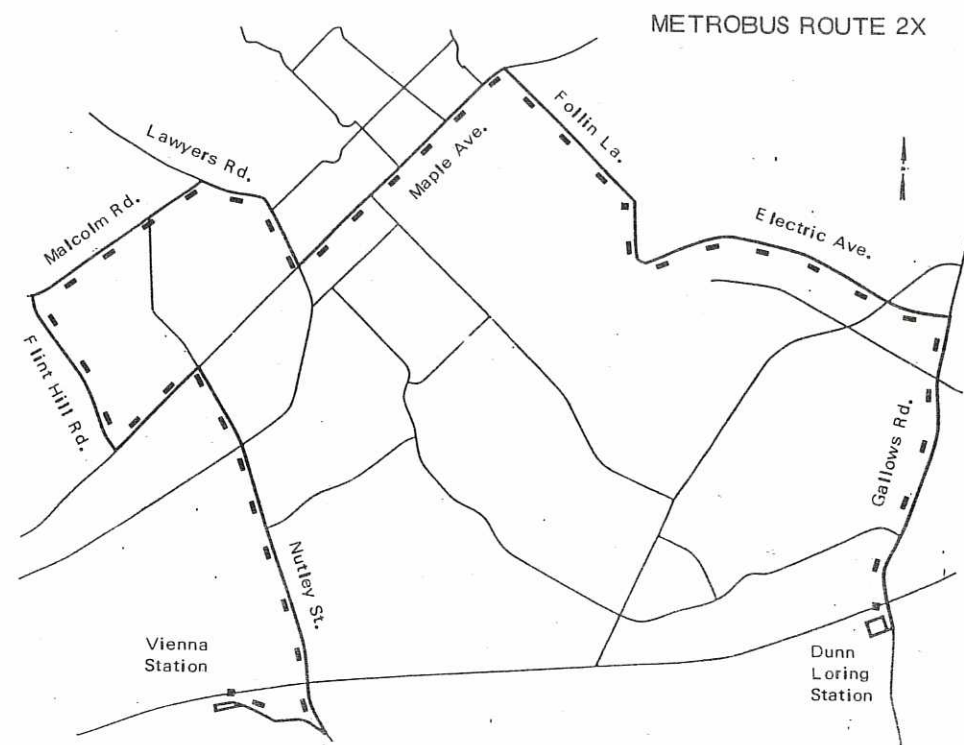

On June 22, more bus trips were added to Metrobus Routes 2P, 2X and 2W to connect with Metrorail. Metrobuses are now running every 20 minutes on Routes 2P and 2X and every 15 minutes on Route 2W during the morning and evening rush hours to provide more convenient service for residents who travel to and from the Vienna and Dunn Loring Metrorail stations.

Bargain fares of 25¢ a ride, which were introduced in March, are still being offered to encourage more commuters to take the bus to rail. Fairfax County reduced fares on selected Metrobus routes as a one-year demonstration and will examine the reduced-fare program after six months.

Metrobus Routes 2P and 2X have 17 bus trips scheduled at 20-minute intervals in the morning to the Vienna and Dunn Loring Metrorail stations, with return trips in the evening also operating on a 20-minute schedule. Metrobus Route 2W operates every 15 minutes during the morning and evening rush hours.

When Metrobus service was improved last month, the 2X route was extended to include Malcolm Road and Flint Hill Road, with more frequent service to Mosby's Landing, Berkeley Square and Vienna Oaks. Metrobus Route 2X also serves the Vienna Technology Park, Follin Lane, Maple Avenue and Nutley Street. Bus service on Ayr Hill Avenue has been eliminated due to low ridership. Metrobus Route 2P continues to serve Tapawingo Road, Moore Avenue, Park Street and Dunn Loring Woods.

Improved service on Metrobus Route 2W includes a route extension onto Bushman Drive and more frequent service to the Vistas of Vienna, Concord Village, The Oakton and Summit Square. Buses run every 15 minutes during both rush hour periods and one later trip has been added in the evening. Metrobus Route 2W now serves Oakton, Chain Bridge Road, the AT&T building, White Granite Drive, Bushman Drive and Blake Lane, and connects

with the Vienna Metrorail Station.

For more information or to receive a Metrobus 2P, 2X or 2W timetable, call Metro at 637-7000 from 6 a.m. to 11:30 p.m. Timetables are also available at

Town Hall, the Community Center, Patrick Henry Library, the Virginia ABC Store, the Oakton Giant and the Vienna Post Office.

Town Offices to Get New Telephone System

The Town of Vienna will activate a new telephone system during the month of July. This new system will offer citizens the option of dialing directly into a specific department.

The system will be activated in two steps. On Friday, July 10, at 5 p.m. (after the close of business) all telephones with the exception of the Police Department will be cut over to the new system. The Police Department

will begin to operate on its new system at 8:30 a.m. Saturday, July 11.

After these times, callers may check the directory below and directly dial the department with which they wish to speak. For those who do not know where a call should be directed, the general information number, 255-6300, should be used.

Please note that the 938-8000 switchboard number will be discon-

tinued and replaced with the new number 255-6300. The "Voice of Vienna," switchboard operator Eileen Lewis, will be on duty at the new number.

The Police Department has expanded its telephone service by offering citizens the option of using a non-emergency number. Please call 255-6366 when calling the Police Department for information and other non-emergency purposes. The emergency number will not be changed; it remains 938-4900.

Dogs Suffer In Hot Cars

This summer, please don't take your dog with you on that quick shopping trip and leave him in the car. Your 15-minute stop may kill your pet.

Town Animal Warden Tom Burt, Jr., says most people do not think of the danger to their pets on these short trips. Even a vehicle parked in the shade, with the windows rolled partly down, can become a deathtrap within a matter of minutes. On an 85-degree day, the air inside a car can heat up to 110 degrees within 15 or 20 minutes. Most dogs will receive severe brain damage or die within a very short time at that temperature. The best thing to do for your pet, even on a mildly warm day is to leave him at home.

Dr. John Holland, an experienced emergency veterinarian, is frequently called upon in the summer to treat pets suffering with heat stroke. He states that only about half of the victims survive, despite sophisticated medical treatment.

When Warden Burt is called to the scene of a dog locked inside a car on a hot day and believes the animal's life is in severe jeopardy, he can legally remove the suffering animal from the car and take steps to save its life. He can also charge the pet owner with cruelty to animals under State law, the penalties for which are up to a \$1,000 fine and up to one year in jail.

Holiday Safety

Fireworks always play an important part in our Independence Day celebrations, but too often fireworks turn celebrations into tragedy.

Every year fireworks injure many people, and these injuries are often serious and leave scars for life. This is why many fireworks are illegal in Northern Virginia.

Any fireworks that explode, emit a flame or spark higher than 12 feet or perform as a projectile are prohibited by the Fairfax County Fire Prevention Code.

Although you may purchase many types of fireworks such as fire crackers, cherry bombs and bottle rockets in other areas, they are illegal in Fairfax County.

If you have questions about fireworks, call the Fairfax County Fire and Rescue Department's Fire Prevention Division at 691-2331 or the Public Affairs Section at 691-3366.

Who Will Be Chosen Mr. Legs?

The Vienna Lioness Club is sponsoring its second Mr. Legs Contest to help raise funds for sight and hearing conservation, drug awareness, diabetes research, and other community service projects. Citizens will select Mr. Legs through donations of 25¢ per vote.

Look for photo displays of these great legs at Vienna businesses and cast your votes:

- Jay Kahn, computer consultant
- Charlie Sher, CPA
- Mike Monaghan, engineer with C&P
- Michael Quinn, account executive with August Design
- Dale McCaa, bartender at Joe Theismann's Restaurant
- John Alabaster, Alabaster Watch and Clock Shop
- John Neil, Navy Technical Officer

The winner will be crowned at the Town's July 4th celebration. You may vote July 4 at the Lioness Club booth until the winner is announced at 2 p.m.
