Vienna Restaurant Week Begins March 3

Flavors from all around the globe are what's in store during Vienna's Restaurant Week, March 3-10, 2024! Dozens of restaurants are offering specials to suit just about any taste from fine dining and international cuisine to sweet treats and drinks! Specialty eateries and businesses will offer discounts all week long.

"Last year's Restaurant Week drew rave reviews from both patrons and business owners," said Vienna Economic Development Director Natalie Guilmeus. "Many participating restaurants and businesses reported big turnouts. We hope this year's week-long event will garner the same reviews while giving people a unique opportunity to discover cuisine they have never tried before."

Restaurant Week was organized by the Town of Vienna Economic Development Department to encourage diners in the region to explore the diverse culinary options Vienna has to offer. The result was an economic boost to local businesses and the local economy, and it increased awareness of and renewed appreciation for the tastes of the world that await just moments from home.

There's something on the Restaurant Week list of offerings to suit almost every budget, so start planning your perfect night out or cozy evening in while supporting Vienna businesses. For a list of participating restaurants and menus, visit www.exploreviennava.com/restaurantweek.
