In June, Senior Class Parents from James Madison High School will sponsor "Class Act '88," an all-night, substance-free graduation party at the Vienna Community Center.

A similar event was held by South Lakes High School in 1987 and was a huge success. The idea for this type of party has been spreading throughout the U.S. as a gift to graduating seniors from parents, school administrators and the community.

The Madison Senior Parents presenting "Class Act '88" will be soliciting Vienna residents and businesses this spring for money and prize donations to help give the Class of 1988 a fun-filled and safe community-sponsored graduation party.

## Citizen Comment

### Spring Cleanup Dialogue Continues

*An Audreys Court resident adds her comments to the dialogue on the Spring Cleanup:*

As a Vienna citizen for the past 23 years, I am in favor of abolishing the Spring Cleanup.

The beauty of spring is hardly visible in our town because of trash, debris and appliances littering every street. The comments of visitors I have become an embarrassment to me.

Many people ignore the designated schedules completely and just dump everything weeks and months before pickup. As I write this on February 4, there is already a washer dumped outside a residence in my neighborhood.

Abolish Spring Cleanup. It was convenient for all of us, but not for the price we have to pay, looking at trash instead of beauty in springtime. Schedule one Fall Cleanup with stiff fines for schedule violators. Keep Vienna beautiful!

*A Talabi Road resident writes:*

I have been following the continuing dialogue on Spring Cleanup in past issues of the *Vienna Newsletter*. Almost all the comments have been from longtime residents of the town. It is time

## Candidates Night

Meet the candidates in the upcoming Town election at a Candidates Night on Wednesday, April 6, at 7:30 p.m. in the Council Chamber at Town Hall.

Sponsored by the Greater Vienna Chamber of Commerce and conducted by the League of Women Voters, this forum will give Vienna voters an opportunity to question the candidates on issues affecting the town.

Voters will elect three Council members and the Mayor on May 10. Profiles of the candidates will appear in the April *Newsletter*.

to hear from us newcomers.

As a resident for less than two years, I can vividly remember my impressions during the cleanup "season" — they were not complimentary. How can a town during a time of year when it looks its very best do everything possible to make itself appear ugly and unattractive? The town looks like one big garbage dump during Spring Cleanup!

Vienna should be encouraged to remain one of the most attractive areas in Fairfax County. Do away with the Spring Cleanup!

### COUNCIL INVITES COMMENTS

The Town Council invites citizens to submit comments for use in the *Newsletter*. Comments must be made in writing and received at Town Hall by the 15th of each month to be included in the following month's *Newsletter*. Please give your name, address, and daytime phone number. (This information will not be published.) Send comments to: *Vienna Newsletter*, 127 Center St., S., Vienna, VA 22180.

Some of the area's foremost World War II experts will share their scholarship, insight and experience.

"The American Home Front" is a story about the men, women and children who joined the war effort without fighting an actual battle.
