Town Seeks Feedback on Parks & Recreation Master Plan Survey

After two rounds of surveying Vienna residents about the future of Vienna Parks and Recreation and its Master Plan, “Our Plan to Play,” community members are invited to see the results and hear what their neighbors had to say at a community meeting on Monday, Sept. 23, 2024, at 6 p.m. at the Vienna Community Center, 120 Cherry St. SE, Vienna, Va. 22180.

After delving into the survey results, attendees will have an opportunity to share their thoughts and feedback about the results and discuss funding options that can help bring the community’s parks and recreation vision to life.

The statistically valid, random-sample survey of residents was conducted earlier this spring. Afterward, an online survey was open to everyone. Each survey provided crucial insights that will shape the development of a long-term roadmap and investment strategy for the Department of Parks and Recreation, serving as a blueprint for Vienna’s future parks and recreation offerings.
