## Vienna to Hold Outdoor Lighting Code Information Sessions

The Town of Vienna's Department of Planning and Zoning is seeking feedback from the community as they work to update outdoor lighting regulations and guidelines. The process includes input from the local business community and town residents. The public is invited to attend one of two information sessions:

### **Vienna Business Meeting**

Nov. 6, 2024

2-4 p.m.

In Person: Vienna Police Department Community Room (215 Center St. S)

### **Vienna Residents Meeting**

Nov. 6, 2024

6-8 p.m.

In Person: Vienna Police Department Community Room (215 Center St. S)

Each meeting will give those in attendance an opportunity to learn more, ask questions and provide feedback, which will help inform updates made to the outdoor lighting code. For Zoom meeting links, visit [www.viennava.gov/lightcode](http://www.viennava.gov/lightcode).

Prior to adopting Code Create in 2023, which updated zoning requirements in Town code for the first time in more than 50 years, there were few lighting regulations in town. Now, work is underway to develop better, clearer rules for outdoor lighting for properties throughout Vienna.

Vienna residents and business owners are also invited to take the online lighting code survey here <https://bit.ly/ViennaCode> now through February 2025.
