Brush will be collected each Thursday for residents on the Monday/Thursday trash collection route, Friday for the Tuesday/Friday route, and Saturday for the Wednesday/Saturday route.

For more information, call the Vienna Public Works Department at 255-6381.

Metro Parking Available Now

Good news! There is plenty of parking available at the Vienna Metrorail station since the opening of a new parking structure next to the station last October.

Completion of the 1,874-space parking structure more than doubled the number of parking spaces. This, coupled with a big increase in bus ridership to the station, has freed up 500 to 750 parking spaces per day, according to the Fairfax County Office of Transportation.

The station parking facilities are open at all times. Parking is permitted for a maximum of 24 hours. The daily parking fee is \$2.50.

So consider using Metro for both business and recreational trips around the Washington,

D.C., area. Metrorail operating hours are 5:30 a.m. to midnight weekdays, 8 a.m. to midnight Saturdays, and 10 a.m. to midnight Sundays. For information on the Metro system, visit the Vienna station, or call Metro at 637-7000.

SUNGLASSES FOUND

Police are looking for the owner of a pair of prescription sunglasses recovered during the investigation of a number of thefts from vehicles earlier this year in the area of Ross Drive and George Street, S.W. The owner should contact Lt. Dan Marcey at 255-6398.

HISTORIC MARKER #1 - Mayor Charles Robinson (left) presents Town of Vienna historic register marker #1 to Money and King Funeral Home representatives Ernest Lee Myers, Letha Crickenberger and Pete Treibley. TAP Offers Help to Renters

The Tenant Assistance Program (TAP) is a new rental assistance program recently established by the Fairfax County Board of Supervisors, and qualified Town of Vienna residents of low and moderate income are eligible to apply.

To qualify for the program, a renter must be:

- the head of a household with one or more dependents under age 18 or
- 55 years of age or older or
- disabled/handicapped or
- families receiving Aid for

Dependent Children (ADC), if the head of the household is working an average of 80 hours per month or enrolled in and scheduled to complete within four months an approved job training program that leads to employment.

Maximum gross annual income for a family of four must not exceed \$26,800. (Maximum eligible income varies with family size.) In addition, net assets must be less than \$35,000.

TAP participants will be picked by random computer selection, similar to a lottery, and will generally pay between 25 and 35% of their gross income

for rent, if their rent is below the program's "maximum allowable rent." If the rent is higher than the maximum allowable, then the tenant will be required to pay a larger percentage of his/her income for rent.

The TAP program begins April 15, and applications will be accepted through May 31. Applications and information brochures will be available at Town Hall beginning April 15, or call the Public Information Office at 255-6330.

SHOPPERS BEWARE!

Thieves are at work in Vienna grocery stores! Shoppers at Giant, Safeway and Magruder's have had wallets stolen from purses in their shopping carts.

Police believe the same thieves are involved in each case and will continue to operate in Vienna as long as there are easy targets. Shoppers are urged to keep their purses with them at all times.

CITIZEN COMMENT

Recycled and Recyclable Paper

A Cherry Street resident writes:

Bravo for the Town of Vienna recycling efforts and for the Newsletter's timely info on appropriate materials and drop-off centers for recycling!

I believe I read earlier that the Vienna Newsletter was printed on recycled paper, and I am writing to request that it be printed on recyclable paper as well.

Now that I know where to recycle white paper (thanks to your publication), I am striving to do so with all paper I receive as well as encouraging the use of white recyclable paper any way I can. What may be lost in style will be quickly gained in recycling credibility.

Keep the info coming. I am looking forward to limiting my "garbage" pickup to the minimum while maintaining as many separate containers as necessary for recycling. Thanks again!

The 1991 Vienna Town Calendar is printed on recycled paper, and the Parks and Recreation Department's class brochure has been printed on recyclable newspaper for years. As the current supplies of letterhead, various forms and other paper stock are depleted, the Town government will be using more and more recycled/recyclable paper (including this Newsletter!).

Purchase and use of recycled paper whenever possible increases demand for this product and helps reduce costs. For a list of recycled paper suppliers, call the Fairfax County Division of Solid Waste at 246-5052.

DID YOU KNOW? Making paper from scrap instead of wood pulp cuts energy and water use by over 50% and reduces air pollutants by 70%.
