# VIENNA NEWSLETTER

## Car Tag Deadline

1993 Town of Vienna motor vehicle decals must be displayed by midnight April 15. Decals are sold by mail and in the Finance Department at Town Hall weekdays from 8:15 a.m. to 4:45 p.m. Extended hours for last-minute sales have been scheduled on Saturday, April 10, from 8 a.m. to 1 p.m. and Wednesday and Thursday, April 14 and 15, from 8:15 a.m. to 6:30 p.m.

The registration fee is \$20 for passenger cars and trucks weighing under 4,000 pounds, \$25 for cars and trucks 4,000 pounds and over, and \$10.50 for motorcycles. For more information, call 255-6323.

Vienna residents pay Fairfax County personal property tax on motor vehicles. Personal property tax returns must be filed with the County Office of Assessments by May 3 of this year (and within 30 days after purchasing a vehicle). For information about personal property tax, call 222-8234.

## Budget Schedule

The Town Council will receive public comments and requests concerning Vienna's budget for fiscal year 1993-94 at its meeting on Monday, April 5, at 8 p.m. in the Council Chamber at Town Hall. Council budget work sessions are scheduled for Monday, April 12, at 7:30 p.m. and, if needed, Saturday, April 17, at 9 a.m. and Tuesday, April 20, at 7:30 p.m.

Copies of the proposed budget may be reviewed at Town Hall and Patrick Henry Library.

## Grass Clippings to Be Collected On First Pickup Day Each Week

As lawn-mowing season approaches, the Vienna Public Works Department has announced that beginning April 5 it will collect grass clippings from town residents on their first pickup day each week.

The grass clippings will be collected in addition to household trash on the first pickup day of the week, with recyclable materials collected on the second pickup day.

Collection of grass clippings on the first pickup day each week will be more convenient for residents who mow the lawn on the weekend, because they will not have to store the clippings until the second pickup day of the week. It will also help equalize the workload of pickup crews.

Grass clippings should be separat-

ed from household trash and placed in plastic bags for pickup. Grass and trash will be picked up on Mondays for residents on the Monday/Thursday collection route, Tuesdays for residents on the Tuesday/Friday route, and Wednesdays for residents on the Wednesday/Saturday route.

For more information, call the Public Works Department at 255-6381.

To reduce disposal fees and save tax dollars, citizens are encouraged to recycle grass clippings rather than bag them for pickup. Use a mulching blade on your lawn mower and leave grass clippings on the lawn, or use them for mulch or compost. For information on "grasscycling," call the Fairfax County Recycling Hotline at 324-5052.

## Candidate Profiles Pages 4 & 5

## Town Council Election Day Is May 4

Vienna's annual Town Election Day is Tuesday, May 4. Polls will be open from 6 a.m. to 7 p.m. at the Vienna Community Center. Town elections are non-partisan, and all Council members are elected at large.

This year, Councilmen Francis X. Lillis, Vincent J. Olson and Rodger W. Seeman are seeking reelection, while Martha B. Garvie is a candidate for the first time. The three candidates receiving the most votes will begin new two-year terms on July 1.

All registered voters in the Town of Vienna are eligible to vote in the Town election. The last day to register is Saturday, April 3. Special voter registration will be conducted that day only at Patrick Henry Library from 10 a.m. to 5 p.m.

For absentee voting information, call the Fairfax County General Registrar's Office at 222-0776. For election results, call the Vienna Newslite, 255-6333, one to two hours after the polls close.

## Past Councilman Ray Hicks Dies

Raymond E. Hicks, 74, a member of the Vienna Town Council from 1973 to 1983, died last month at his home in Georgia.

Prior to his election to Council, Mr. Hicks served on the Town's Planning Commission, Board of Zoning Appeals and Transportation Safety Commission.

Mr. Hicks and his wife Marjorie lived in Vienna for 20 years, raising five children. He served as president and chairman of the board of Vienna Little League and as a board member of the Vienna Babe Ruth League.

Mr. Hicks worked for Rockwell International for over 30 years.

### Rodeo Champ

Mayor Charles Robinson recently presented championship awards from the Northwest Pee Wee Rodeo Association to Vince Rogers of Yeonas Drive, S.W., an eighth grader at Thoreau Intermediate School. Vince was the 1992 break-away calf roping champ, placed third in the goat-tying event and fifth in the pole bending event, and was unanimously voted "Most Improved Junior Boy for 1992." Called "City Slicker" by the rodeo announcers, Vince is the only participant in the Oregon program who comes from a state east of the Rocky Mountains.

## How to Recycle Your Newspapers

Here's the right way to prepare your newspapers for curbside recycling: Place newspapers in paper, not plastic, grocery bags or bundle them with string. All slick inserts such as magazines and advertisements must be removed. Telephone books should not be put in with newspapers.

Newspaper production mills wash the old newspapers to remove the ink and re-pulp them into paper. Like any material used in production, the quality of newspapers can be damaged by contaminants. Glossy paper is not the same as newsprint. It gets its slick finish from a clay coating, which can create lumps in re-pulped newsprint or affect the color of the paper.

KEY PLAN

**MAIN BUILDING ELEVATIONS**

At its April 19 meeting, the Town Council will hold a public hearing on projects proposed for inclusion in Phase II of Vienna's Capital Improvements Program (CIP). The meeting will begin at 8 p.m. in the Council Chamber at Town Hall.

Proposed projects include a new property yard at Northside Park, renovations to Town Hall and other facilities to comply with the Americans with Disabilities Act, improvements to Southside Park, the Town's share of payment for the reconstruction of Cottage Street, and a number of sidewalk and water and sewer projects.

Bonds in the amount of approximately \$3.3 million will be issued for these projects. The CIP program is financed wholly through revenues from Vienna's meals and lodging tax.

Approximately 10 days prior to the public hearing, information will be available at Town Hall on the CIP Phase II projects, including conceptual drawings of the new Northside property yard.

## Park Street Info

Interested residents and business people can get the latest information about the Park Street reconstruction project every Thursday through April at 2 p.m. in the Council Chamber at Town Hall.

Representatives from the Town's Public Works Department and the Virginia Department of Transportation will be available to answer questions and report on the progress of the project.

**YOUR TRANSPORTATION SAFETY COMMISSION** reminds you that the new sidewalks built around town through the Capital Improvements Program mean safer walking conditions for all pedestrians. Enjoy a walk this spring and see Vienna in bloom!

## Home Improvements Require Permit

Your Planning and Zoning Department reminds you:

It is no secret that home improvement projects usually take longer and cost more than anticipated. However, some contractors and even a few homeowners try to expedite the process and save money by cutting corners and taking shortcuts. To many contractors and homeowners this may be tempting, but it usually generates more problems and costs more money than if the proper procedures had been followed.

The most common example is beginning a home improvement project without obtaining the proper permits beforehand. Building codes and specifications vary from one jurisdiction to another. Although the Town of Vienna is located in Fairfax County and uses County structural plan review and inspection services, Vienna has its own code regulating home improvements.

Instead of guessing whether you need a permit, or relying on a contractor to find out, simply check with the Planning and Zoning Department at Town Hall.

Unfortunately, some contractors and homeowners proceed with home improvements and avoid obtaining permits to try and save money and time, and to make changes that are not code approved. When a valid building permit is obtained for home improvements, a red card with the words "BUILDING PERMIT" on it should be displayed so that it is visible from the street. If there is no red card visible, then chances are a permit was not obtained.

If you are unsure whether the home improvements you are planning require a permit, or have questions regarding home improvements in your neighborhood, please call the Planning and Zoning Department at 255-6341.

## Meet the Candidates in the May 4 Vienna Town Council Election - Your Vote Counts!

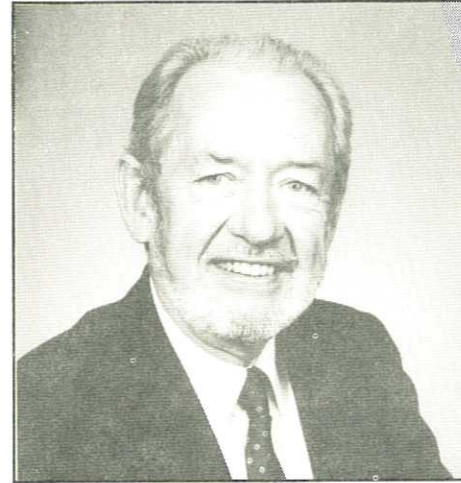

MARTHA B. GARVIE is a Council candidate for the first time. She is a homemaker and former elementary school teacher specializing in children with emotional handicaps, and is active in school, church and youth sports organizations. A Vienna resident for 15 years, she lives at 102 Windover Ave., N.W.

"Choosing Vienna offered my children the opportunity to walk or ride their bikes to the library, shops, schools and sports fields. This, along with the small-town feeling, made us fall in love with our new home.

"My concerns, however, became the same as everyone: traffic, traffic and more traffic. This affects the safety of our citizens and businesses along Maple Avenue. This problem is not going away. If anything, the future will bring more of the same. Vienna also is faced with maintaining slow growth, upgrading our infrastructure and, of course, continuing to improve services without raising our taxes. I personally am anxious to promote youth participation in our town government and actively recruit citizens that are not presently involved. This would add a new dimension to our town.

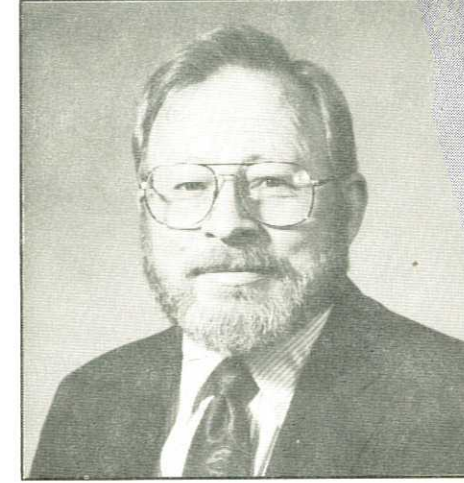

"I do not have all the answers, but I will listen to the community. I will pledge to study every issue that involves our citizens, and I will work to make sound decisions for all. We have become an oasis in a high-density, high-tech area, and we must ALL look to the future and be prepared to fight for our continued quality of life."

FRANCIS X. (FRANK) LILLIS is completing his first term as a Councilman. He previously served on the Board of Zoning Appeals and the Windover Heights Board of Review, and is a past president of the Malcolm-Windover Heights Civic Association. After a 28-year career in the U.S. Army, he retired with the rank of colonel and now practices law in Vienna. He has lived in Vienna for 18 years at 313 Windover Ave., N.W.

"The Town of Vienna retains its small-town atmosphere as a result of continual attention paid to land use within the town and the diligent efforts of the Council, Town staff, the various Town boards and commissions and, most important, the participation and active involvement of its citizens.

"I have strived to keep citizens informed of important upcoming agenda items and actively solicited volunteers for boards and commissions. I have continued what is now the traditional fiscally conservative approach to spending within the Town government. The Town has weathered the downturn in the economy in good shape because of this approach. The Town spends what is necessary to ensure that the infrastructure (roads, sewers, buildings) remain in good condition and at the same time continues to provide the services that Vienna citizens expect."

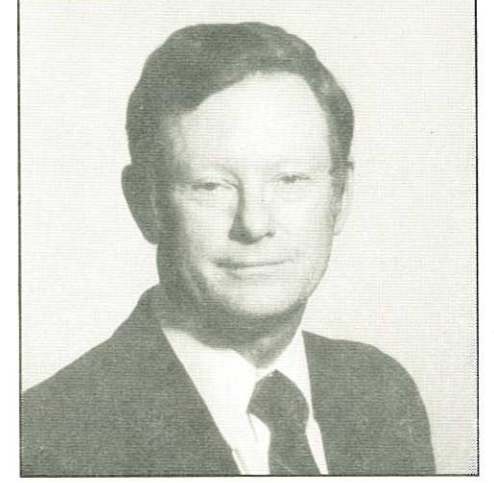

VINCENT J. OLSON was first elected to Council in 1976. He also served on the Town Planning Commission. A 36-year Vienna resident, he lives at 603 Valley Dr., S.E. He works as a distributor for *The Washington Post* and is a member of the Ayr Hill Lions Club.

"Once again I am asking for your support and vote so that I may continue to represent you as a member of the Vienna Town Council. For almost 16 years, my efforts have been devoted to providing you with first-class government services at the lowest possible cost. Our town has weathered a very difficult financial period very well, thanks to the efforts of a fine staff working in conjunction with Council. We must, however, continue to scrutinize every proposal to be sure it is needed, justified and affordable. If re-elected, I shall continue to monitor all proposals closely.

"As the economy improves, we can expect to see an increase in rezoning requests throughout town. I shall continue to oppose intense development that would damage the residential character of our town. At the same time, I will work to improve our existing commercial areas and business climate.

"If you have a particular question about my position on an issue or just want to talk, please feel free to call me at 938-6473."

RODGER W. SEEMAN is seeking re-election to a sixth term as a Councilman. He is a registered professional engineer with the U.S. Army Corps of Engineers and has lived at 600 Blackstone Terr., N.W., for 25 years.

"It's a Wonderful Life - in Vienna. The many activities that I have been a part of during the 25 years I have lived in Vienna testifies to my affection for and insight into the needs and desires of the town.

"I have been active in various youth sports programs, PTA, scouting, and I am a member of the Mayor's Advisory Committee, Vienna Presbyterian Church, Optimist Club of Vienna, Vienna Wireless Society, VFW, and the American Legion.

"I served on the Town Transportation Safety Commission, the Planning Commission and, most recently, the Patrick Henry Library Ad Hoc Committee. I have been on the Town Council since 1983 and currently serve on the board of directors for Historic Vienna, Inc.

"Vienna is my home. Jane and I raised our family in Vienna, and we care about Vienna very much. Vote for me on May 4 so that I can continue to work to keep Vienna our kind of town."
