Good Ol' Summertime

Members of the Speroni family, from left to right Joe, Michelle, Philip and Joseph, enjoy their old-fashioned lemonade stand - and old-fashioned price! - at home in the 1100 block of Maple Avenue, E. Photo by Vienna resident Florence P. Flax © for Olympus (OM4 camera and Zuiko 50-F2 macrolens).

Town Receives Finance Award

The Town of Vienna has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association for its 1992 comprehensive annual financial report.

The Certificate of Achievement is the highest form of recognition in the field of governmental accounting and financial reporting, and its attainment is important to the Town in maintaining its excellent bond rating.

In addition, an Award of Financial

Reporting Achievement was presented to Finance Director Philip R. Grant as the individual primarily responsible for Vienna's having earned the certificate.

The Town's financial report was judged by an impartial panel to meet the high standards of the program, including demonstrating a constructive "spirit of full disclosure" effort to communicate clearly its financial story to citizens.

Copies of the financial report are available for review at Town Hall.

NEW TOWN HALL HOURS - Beginning September 1, Town Hall will be open from 8 a.m. to 4:30 p.m. Monday through Friday.

Special Pickup Deadline October 1

October 1 is the last day for Town of Vienna residents to call for a special trash pickup this year. Because of fall leaf collection, no special pickups are made in November and December.

The special pickup program allows residents to dispose of unwanted furniture, appliances, building materials, brush and other debris not included in the regular trash collection. Each residence receives two free pickups per year, with a limit of one dump truck load per pickup. Additional pickups cost \$50 per load for all items except brush. The fee for brush is \$25 for one additional load, \$35 for the second additional load, and \$50 for each load thereafter.

To arrange for a special pickup, call 255-5727.

CALL PROMPTLY FOR PICKUP

Residents are reminded to call for a special trash pickup as soon as debris is placed at the curbside. Piles of trash that sit for weeks on end because residents fail to call for a special pickup are an eyesore and a potential health and safety hazard.

When an "illegal" pile of trash is spotted by Town personnel or reported by a neighbor, the resident will receive a notice to call for a special pickup within 48 hours. Otherwise, the debris will be collected anyway and that address charged for one of its two annual free special pickups, or if both pickups have already been made, it will be charged \$50 for an additional pickup.

BUSINESS PERSON AND CITIZEN OF THE YEAR AWARDS

The Greater Vienna Chamber of Commerce wishes to enlist your help in selecting nominees for the Business Person and Citizen of the Year awards.

The awards program seeks to recognize those persons who make a distinctive contribution to improving the quality of life or the general good of members of our community.

QUALIFICATIONS:

1. The nominees must contribute above and beyond normal performance of business activity.
2. Efforts must be sustained over a long period of time and/or result from an outstanding one time contribution in the last 13 months (July 1992 - August 1993).
3. Eligible recipients must have a business or residential address within the Greater Vienna area.
4. The "Business Person of the Year" must be nominated from the business community and the qualifying contribution must be the result of efforts not directly related to his or her normal business activity. Officers and Members of the Board of Directors of the Greater Vienna Chamber of Commerce will not be eligible.
5. The "Citizen of the Year" must be nominated from the non-business community. Eligibility will be dependent upon the nominee's significant contribution to the betterment of the community.

The deadline for receipt of nominations will be September 10, 1993.

Persons receiving awards will be honored at a special luncheon in October.

SUBMISSION OF NOMINATIONS

To expedite the submission of nominations, the following guidelines are offered to nominators:

1. Submit a concise basic statement (not more than three pages in length) which contains the following information:
 - ◆ Identification of the nominee
 - ◆ A description of the achievement as such, and a description of the nominee's role, extent of responsibility and extent to which the achievement exceeds normal performance or business activity or has contributed significantly to the betterment of the community
 - ◆ Citations of tangible evidence demonstrating the stature of the achievement
 - ◆ Identification of the nominator
2. To the extent feasible, supplement the basic nomination statement with pertinent exhibits, such as documents, testimonials, news stories, or other similar supporting evidence.
3. If the nominator wishes to have any of the supporting material returned when it has served its purpose, this should be clearly specified.
4. Note the cover sheet form on the reverse side of this page. It is designed to provide quick, positive identification of each nomination. Use the reverse side as the cover page for your nomination.

BEAUTY SPOT

*From Your Community
Beautification Commission*

Vienna's Community Beautification Commission recognizes town residents and businesses for improvements to their property, volunteer cleanup efforts, and other worthy beautification projects. This month's "Beauty Spot" awards go to:

- Kate Beurmann, for her year as a Commission member representing James Madison High School.

- Town Horticulturist Mark Allen and Horticulturist Assistant Billy Penny, for their work in making Vienna such an attractive town all year. They are responsible for all landscaping and plantings on Town property, including parks, median strips and public buildings.

- John Mauren, general partner, Maple Center Ltd. Partnership, for remodeling and landscaping of the building at Maple Avenue and Center Street, which has improved dramatically the appearance of that corner.

Beauty tip: This is a good time for homeowners to inspect their property. Are utility sheds in good repair? Are there stacks of wood or piles of debris that might be harboring unwanted pests? To improve the safety and appearance of your home, lawn and neighborhood, take the time to clean up.

It's the Law!

Your Transportation Safety Commission reminds you that bicyclists must obey the same laws as drivers of motor vehicles, including stopping at all stop signs. Drivers must yield to bicyclists and pedestrians in crosswalks.

Fairfax County now requires bicyclists to wear helmets.

Regulations for Inoperative Vehicles

The Town of Vienna is committed to providing residents with a healthy environment and aesthetically pleasing surroundings. To this end, the Town Code seeks to identify and regulate inoperative motor vehicles on any residential or commercial property within the town limits.

An "inoperative motor vehicle" is defined as any motor vehicle, trailer or semitrailer that:

- Is not in operating condition; or
- For a period of 60 days or longer has been partially or totally disassembled by the removal of tires and wheels, the engine, or other essential parts required for operation; or
- Displays neither valid license plates nor a valid inspection decal.

In order to keep your property in compliance with the Town Code, all vehicles on your property must either:

- Be operative and display valid license plates and inspection decal; or
- Be shielded or screened from view by an "auto cover" (one vehicle per property); or
- Display storage tags purchased from the Town (one vehicle per property); or
- Be parked within a fully enclosed structure.

If you have questions regarding this information or if you have a complaint about a specific property, please call the Planning and Zoning Department at 255-6342.

Dispose of Medical Waste Properly

The Town's Public Works Department reminds citizens not to place syringes and other medical waste in bags of trash or recyclable materials picked up at the curbside by sanitation crews.

The presence of medical waste in a load of trash or recyclables may cause it to be rejected at the disposal site. In addition, the health of sanitation workers is jeopardized by contact with

medical waste of unknown origin.

Proper disposal of medical waste is the responsibility of the individual citizen, following the instructions of a physician. Any questions about what can and cannot be included in curbside collection of trash or recyclables should be directed to the Public Works Department at 255-6381.

Some Good News for Metro Riders

In response to a request from the Town, the Virginia Department of Transportation (VDOT) has installed a "No Turn on Red When Pedestrians Are Present" sign on southbound Nutley Street at Virginia Center Boulevard. This should improve the safety of pedestrians going to and from the Vienna Metro Station.

VDOT also studied the timing of the pedestrian signal at that intersection and concluded that sufficient crossing time exists. Under normal conditions, a person who begins to cross when the pedestrian symbol is lit

should have enough time to cross to the other side without having to stop half way.

To help keep costs down, the Fairfax County Office of Transportation is now using its own Fairfax Connector buses to provide rush hour service between the Vienna and Dunn Loring Metro stations. The minibuses, painted white with red and yellow stripes, carry 25 passengers and are equipped with wheelchair lifts. The routes, schedules, and fare structure have not changed.

Dealers in antiques and collectibles are invited to participate in the 13th annual Antiques and Crafts Fair sponsored by Historic Vienna, Inc. The fair will be held on Saturday, September 18, from 10 a.m. to 4 p.m. on the grounds of the historic Freeman House, 131 Church St., N.E. (rain date September 19). The fee for a 15' x 12' booth space is \$30. Dealers may request an application from Historic Vienna, Inc., P.O. Box 53, Vienna, VA 22183.

The Vienna Woman's Club recently presented donations of \$500 each to the Vienna Volunteer Fire Department and the Committee for Helping Others. The club thanks all who attended its fashion show luncheon for making these donations possible.

Congratulations to Robert M. Curry, who has been designated a Melvin Jones Fellow by Lions Clubs International Foundation in recognition of his many years of community service. Named for the founder of Lions Clubs International, the Melvin Jones Fellowship is the foundation's highest honor, conferred on those who demonstrate practical application of its motto, "We serve." For years, town residents have seen Bob working at the Vienna (Host) Lions Club Christmas tree lot or at the club's bratwurst booth on July 4th, but he also devotes countless hours behind the scenes to Lions charities and community improvement.

"What my neighborhood means to me is a group of people who help each other and honor each person in a different way. Not because of their color, or because their hair is long or short, but because they care. There is kindness and happiness for everyone to share. Everyone should get a piece of love and support. Anyone can find that in a neighborhood. Hopefully, throughout the world, there are plenty of neighborhoods for everyone to share.

"All neighborhoods large and small are places of love and friendship. Everyone in the world can open their hearts and spread the kindness, there isn't a person who doesn't deserve it."
