FY '96 Budget Process Underway

Preparation of the Town budget for fiscal year 1995-96 has begun. Citizens who have ideas about what items should be given priority for funding are encouraged to express their views in writing to Town Manager John H. Schoeberlein by February 3. Citizens will have additional

opportunities for comment at the April 17 and May 22 Town Council meetings.

February 3 is also the deadline for non-profit Vienna organizations to apply for donations of Town funds in FY '96. For more information, call the Town Manager's office at 255-6370.

Holiday Closing

Town Hall will be closed on Monday, February 20, for Washington's Birthday. Trash will be collected as usual that day for residents on the Monday/Thursday route.

Talk to Your State Legislators

This year's Virginia General Assembly, now in session in Richmond, will act on a number of important issues, including taxes and funding for public safety, education, social services and cultural programs. Citizens are encouraged to contact their State representatives and express their views on these issues.

Vienna is represented in the House of Delegates by Dick Fisher, phone (804)786-6505, and in the State Senate by Janet Howell, phone (804)786-7187. Citizens can also call 1-800-889-0229 toll free from 8 a.m. to 6 p.m. during the session, to leave messages for General Assembly members. The House of Delegates fax number is (804)786-6310; the Senate fax number is (804)786-4640.

The 1995 General Assembly session concludes on February 25.

Trash Regulations Brochure Inside

An updated brochure outlining Vienna's solid waste regulations is printed on pages 5 and 6 of this newsletter. Please save the brochure and refer to it whenever necessary. If you have questions, please call the Public Works Department at 255-6382.

County Board Chairman Election Feb. 7

A special countywide election will be held on Tuesday, February 7, to fill the vacant Chairman's seat on the Fairfax County Board of Supervisors. The vacancy was created by the resignation of former Chairman Tom Davis, who left the post to assume his duties as the new U.S. Congressman from Virginia's 11th District.

The candidates on the ballot are Providence District Supervisor Kate Hanley

and Springfield District Supervisor Elaine McConnell. All registered County voters are eligible to vote in the election, and polls will be open from 6 a.m. to 7 p.m. on February 7.

Absentee ballots are available in the Registrar's Office at the County Government Center. The deadline for in-person absentee voting is Saturday, February 4. For more information, call 222-0776.

Junk that Old Clunker for Charity

If you have an older vehicle you would like to get rid of, there are four local charities that will gladly accept it: the National Kidney Foundation of the National Capital Area Inc., the Salvation Army, Best Buddies, and Goodwill Industries. By donating your vehicle to any of these organizations, you will be able to claim a tax deduction for the value of the vehicle.

The Kidney Foundation, the Salvation Army, and Best Buddies will take any vehicle, whether or not it runs. Goodwill Industries, however, requests that your vehicle at least be able to "crawl" onto one of its drop-off lots.

To donate a vehicle to the National Kidney Foundation, call (202)244-7900 and ask for an odometer statement to complete. This statement, along with the vehi-

cle's title, is needed before the foundation can contact you to arrange pickup of your vehicle.

To donate a vehicle to the Salvation Army, call 642-9270, or to donate to Best Buddies, call 1-800-213-8800, and provide them with the vehicle's information. Their contractors will contact you to arrange pickup of your vehicle.

Goodwill Industries accepts drop-offs at the following locations: 1228 N. Irving St. in Arlington and 7209 Centreville Rd., Manassas. Vehicles are accepted on Saturdays from 8 a.m. to 4 p.m. For more information, call (202) 636-4225.

If you have questions or need more information, call Vienna's Planning and Zoning Department at 255-6341.

Mulch Delivery Ending

February 28 is the last day to order a free delivery of ground leaf mulch or ground wood mulch from the Public Works Department. The minimum order for each type of mulch is a dump-truck load (about the size of a Volkswagen "bug"). To place your order and for more information, call the Public Works Department at 255-6382.

Residents may pick up mulch themselves in any amount. The mulch is stored on Town owned property off Beulah Road near Glyndon Park. Look for the sign, "Free Leaf Mulch & Wood Mulch."

Attention Businesses!

1995 business license tax forms were mailed last month. If you have not received a form, please contact the Finance Department at 255-6323. All businesses in the Town of Vienna, including home occupations, must renew their business licenses by March 1. The annual license tax is based on gross receipts, and the rate varies according to the type of business.

New in Town?

The Public Information Office has an information packet especially for new Vienna residents. If you have moved into town recently, stop by Town Hall during regular business hours and pick one up, or call the Information Office at 255-6330 to have one mailed to you.

County Provides Cycles

The Town Council and the Vienna Police Department thank Fairfax County Supervisor Bob Dix for recommending the donation of two retired police motorcycles from the County fleet for use by Vienna's motorcycle squad. The Board of Supervisors unanimously approved the donation in November.

It's the Law!

Drivers Must Stop For School Buses

The law requires motorists to stop for school buses taking on or discharging passengers and to remain stopped until the passengers are out of the street and the bus is again underway. This applies to drivers approaching from any direction. Because of recent complaints from town residents, the Vienna Police Department is making an extra effort to enforce this law and will charge violators with reckless driving.

The only exception to this rule is when the motorist is physically separated from the stopped bus, for example, by a median strip on a divided highway or a service road.

Passing a stopped school is a serious offense that endangers the lives of Vienna's children. To report violations, call the Police Department at 255-6366. Children should be cautioned to look in all directions and make sure all vehicles are stopped before crossing the street to and from the bus.

Helpful Wintertime Water Tips

This time of year poses particular problems for a water system. The Public Works Department appreciates citizen reports of water surfacing on roadways because this is a primary indicator of water main breaks. Water puddling around water meters should also be reported immediately.

Here are some tips for protecting pipes this winter:

- Locate and be able to operate the main shut-off, inside the house.
- Prior to freezing temperatures, cut off outside spigots, at inside valves, then drain spigots and leave open. If this is not possible, a trickle of water may be run from spigots as long as the temperature remains below freezing.

- Detach hoses from all outside spigots and drain them.
- Any interior water lines in unheated areas such as garages should be protected in some manner, for example, by insulation or draining.
- Interior water lines should be protected against drafts entering the house through holes in the walls or vents in crawl spaces.
- Interior water lines touching outside walls above ground level should be insulated.
- Never use an open flame to thaw frozen pipes. Instead, use a hair dryer. If you have questions, or to report problems, call the Water & Sewer Customer Service Office at 255-6385.

Water Mains Flushed Each Spring

Each spring, the Town of Vienna flushes the water mains in its distribution system in order to maintain a high standard of water quality and to ensure proper and efficient operation of the fire hydrants. This year the preventive maintenance program will begin on April 1. Water mains are usually flushed between 11 p.m. and 5 a.m.

Water mains are flushed by opening the fire hydrants and allowing the water to flow freely for a short period of time. The flushing cleans out sediment that normally

accumulates during the summer and winter, and enables the Town to test and perform routine maintenance on the 800+ fire hydrants within its service area.

Flushing may result in some discoloration and the presence of sediment in the water reaching your home or business. These conditions are not harmful and should be of short duration. The Town appreciates your tolerance of this inconvenience. If you need more information, please call the Water & Sewer Customer Service Office at 255-6385.

Town's Snow Plows Ready for Action

The Town of Vienna is famous for its efficient snow removal. Department of Public Works crews begin sanding and salting operations immediately at the onset of snow and ice. Plowing begins when snow has accumulated two inches or more, with primary streets receiving top priority.

Once these streets are passable, snowplows can then move into residential sub-

divisions following established routes. If the primaries require salting/sanding/plowing again after one pass, this will be done before going to the secondary streets.

Snow emergency routes within the town are marked by signs. No parking is allowed on these main streets during snows so that plows can do a more efficient job.

ROUTES

Monday and Thursday

All residences north of Maple Avenue.

Tuesday and Friday

All residences south of Maple Avenue and east of Cottage Street.

Wednesday and Saturday

All residences south of Maple Avenue and west of Cottage Street.

GENERAL INFORMATION

Collection for regular trash and yard waste (except bundled brush) will be made once weekly on the first collection day of the week.

Collection for mixed recyclable materials, newspapers and bundled brush will be made once weekly on the second collection day of the week.

Collection will not be scheduled for Sundays, Thanksgiving Day, Christmas Day, and New Year's Day. When a regular collection day is missed because of adverse weather conditions, a holiday, or mechanical difficulties, collections will be made on the next regularly scheduled day for that route.

Every effort will be made to cover the established routes as efficiently as possible. Whenever adjustments in the schedule occur, notices to this effect will be placed in the *Vienna Newsletter* and local papers.

REFUSE

Regular household trash, and yard waste consisting of grass, leaves, and small clippings will be collected on the first day of the scheduled route. Yard waste must be baged and separated from the regular trash (20 bag maximum).

All refuse shall be placed at the curbline or

edge of pavement by 7:00 A.M. on collection day (but not earlier than 6:00 P.M. the preceding evening) where it will be easily and safely accessible. Refuse containers shall not be placed and left on a sidewalk or any portion of a street right-of-way where they would interfere with traffic. All trash cans shall be removed from the curbline or edge of pavement as soon as possible after trash pickup and by 7:00 P.M. the same evening as collection. The Town reserves the right to designate the collection point where there is a question or doubt.

All trash containers shall be regular water-tight cans made of metal, or plastic (if non-breakable), equipped with handles, tight-fitting covers and with good bottoms. Cans with a maximum capacity weight, quality and type expressly designed for refuse disposal shall be used. Paper bags used in trash compactors and plastic bags may be substituted for cans. The bags shall be removed from the can or other holder, tied at the top, and placed at the curbline or edge of pavement.

In the interest of health and safety, defective trash cans will be red-tagged by trash crews indicating that they are no longer suitable for use. These will be removed the first pickup the following week if left at curbside in an upside-down position.

RECYCLABLES

Mixed recyclable materials, newspapers, and bundled brush will be collected on the second day of the scheduled trash route. Recyclables shall be placed at the curb or edge of pavement by 7:00 A.M. on collection day (but not earlier than 6:00 P.M. the preceding evening) where they will be easily and safely accessible. Recyclables shall be prepared in the following manner:

MIXED MATERIALS: GLASS bottles and jars, all colors; PLASTIC bottles and jugs; MET-

AL food and beverage cans; and ALUMINUM foil and plates shall be placed together in a transparent plastic bag.

NEWSPAPERS: Shall be bundled with string or placed in brown paper (not plastic) bags separate from other recyclables.

BRUSH: Shall be cut in four-foot lengths and bundled. The diameter for brush collected in bundles is limited to 1½ inches.

(Cardboard is not currently collected at curb-side but can be taken to the recycling center at the Vienna Community Center.)

SPECIAL PICKUPS

Each residence or nonprofit organization located in a residential zone is allowed two free special pickups each year. All items shall be placed at the curb or edge of pavement and on the front side of the property. Discards shall not be placed so that they block the sidewalk or street. Discards shall not be placed around trees, poles, signs, fences, or other obstructions.

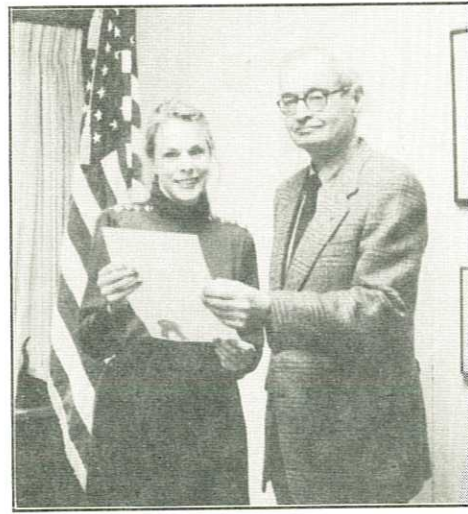

Residents must call for a special pickup within 48 hours from when they place discards at the curb or edge of pavement. Residents not complying will be notified that they have 48 hours in which to call for a special pickup. After issuing the notice and no action is taken by the resident, the Town reserves the right to schedule and collect the debris within 10 working days. The resident will then be charged for the appropriate number of special pickups.

Each special pickup is limited to one dump truck load per residence or nonprofit organization located in a residential zone. Each residence receives two free pickups per year. Additional pickups may be arranged at a charge of \$75.00 per load for all items except for brush; additional loads of brush will be charged at \$25.00 each.

Patrick Henry Library is now closed for the final phase of renovation. The library is expected to reopen on or before July 1 with more than 100,000 volumes in a 13,092-square foot area. Until then, Vienna residents are invited to use Dolley Madison Library in McLean, 356-0771; Tysons-Pimmit Regional in Falls Church, 790-8088; Fairfax City Regional, 246-2281; and Reston Regional, 689-2700.

Vienna Presbyterian Church has been selected to receive Historic Vienna Inc.'s Heritage Preservation Award. Established in 1989, this award recognizes individual and institutional efforts in preserving Vienna's heritage. The church was chosen for an award based on its stewardship of the original chapel and the preservation of its architectural integrity. Since its erection in 1974, the chapel has been a focal point in the religious, civic and social life of the town.

Congratulations to Emil D. Attanasi, who was honored recently by the U.S. Department of the Interior with its Meritorious Service Award for his contributions to the earth sciences and to the management and administration of the scientific programs of the U.S. Geological Survey. Dr. Attanasi is a member and former chairman of the Town's Planning Commission.

Mayor Charles Robinson presents his proclamation of American History Month to Grace Karish of the Fairfax County Chapter, Daughters of the American Revolution. Each February, the DAR promotes interest in American history through special educational programs, scholarships, essay contests, and other activities.

Around Our Town

Two important contributors to the "Build a Cycle Building" project were inadvertently left off the list published in last month's newsletter. Many thanks to R.A. Case and Alfred Bunaugh of Sackett Construction for providing the foundation and slab for the new police cycle building and to ViVa! Vienna! Inc. for its very generous donation in the category of \$501 or more. Also, the correct name of one of the donation drop-off locations is One-Hour Cleaners.
