BPOL Ordinance Amended

At its January 8 meeting, the Town Council adopted revisions to the Town's business, professional and occupational license (BPOL) tax. The deadline for filing BPOL returns has been changed from March 1 to May 1. In addition, Council has established a gross receipts threshold of \$50,000, below which the tax does not apply. (This does not mean an exemption of \$50,000 for all businesses, but applies only to those businesses with annual gross receipts of \$50,000 or less, which will pay only the minimum license fee of \$30 per year.)

Copies of the ordinance are available for review at Town Hall. For more information, call the Business License Office at 255-6321.

Councilwoman Pruett Dies; Briglia Chosen to Fill Vacancy

Vienna has lost one of its leading citizens with the death of Town Councilwoman Martha H. Pruett on December 23. Mrs. Pruett was first elected to the Town Council in 1988, after serving on the Vienna Planning Commission for 17 years.

During the 44 years she lived in town, Mrs. Pruett and her husband Sam raised five children, and she was involved in a wide variety of community service activities. She was a past president of the Vienna Woman's Club, co-founder of the club's "Police Officer of the Year" award, and most recently chaired a club project to donate the "coming events" sign outside the Vienna Community Center.

Over the years, Mrs. Pruett was also active in the Vienna Presbyterian Church, Southwest Vienna Citizen's Association, Historic Vienna Inc., Marshall Road Elementary PTA, Fairfax County Council of PTAs, Fairfax County elementary schools volunteer aide program, Girl Scouts and Cub Scouts, American Association of Retired Persons, Vienna Centennial Committee, Vienna Metro Task Force, and Vienna Metro Area Citizens Coalition.

Steven D. Briglia has been selected to fill Mrs. Pruett's unexpired term. The Town Council made the appointment official at its January 22 meeting, with the term expiring on June 30. Councilman Briglia was previously the attorney member on Vienna's Board of Architectural Review and has also served on the Town/Business Liaison Committee.

A life-long town resident who graduated from James Madison High School in 1981, Briglia went on to receive a BA degree from the University of Virginia and a law degree from George Mason University. Currently in private practice with the firm of Briglia & Wright, he is a former Fairfax County Assistant Commonwealth's Attorney.

Council Candidate Filing Deadline

March 5 is the filing deadline for candidates in the May 7 Town Council election. This year, voters will elect the Mayor and three Council members for two-year terms beginning July 1. Filing forms are available in the Town Clerk's Office at Town Hall.

4-Way Stop Sign Etiquette

The following article was written several years ago by a concerned resident, and it is still an important message:

I have noticed an increase in confusion and sometimes anger displayed by drivers who think that I and others are breaking some right-of-way rules at four-way stops when we are not. I have discussed driving rules that apply to intersections with four-way stop signs with the Vienna Police Department. Here is a summary of these rules:

When two or more vehicles approach the intersection, the one coming to a stop first has the right-of-way to proceed straight through or to make a left or right turn.

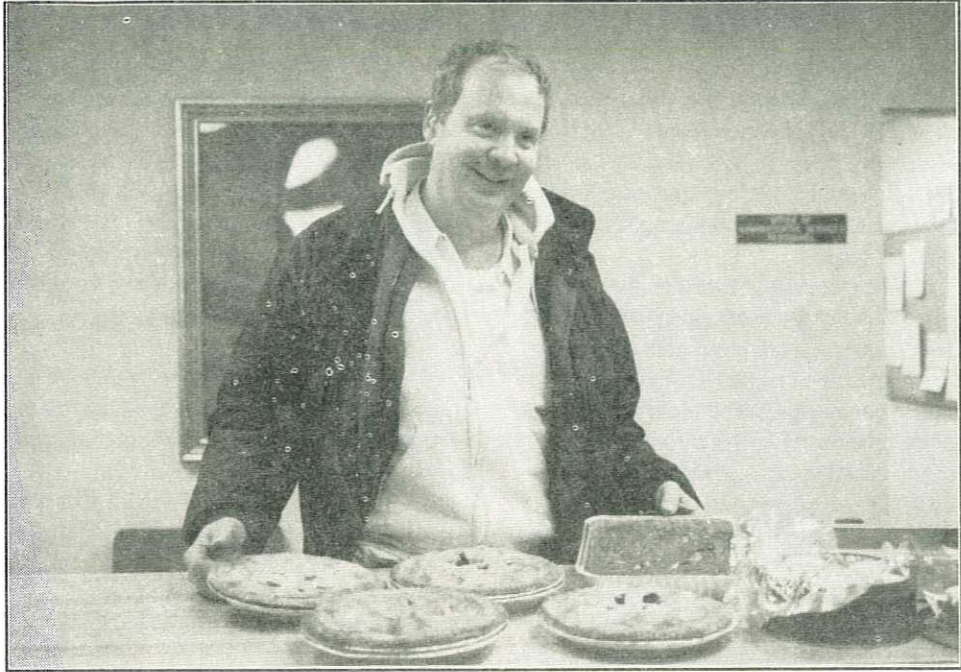

When two vehicles traveling in opposite directions on the same street stop at the same time at the intersection, each may proceed without regard to the other unless one driver wants to make a left turn. In this instance the driver turning left must yield the right-of-way to the driver who desires to proceed straight through the intersection.

When two vehicles stop at the same time at the intersection on different streets, the vehicle on the right of the other has the right of way to proceed straight ahead or make a turn.

For the same situation as above, if there is also a stopped vehicle behind the first vehicle, that vehicle has not yet reached the intersection and does not have the right-of-way over the stopped vehicle on the left. Right-of-way rules do not apply to second-in-line vehicles until they have moved up to the intersection and again stopped when the vehicle in front has moved on.

When three vehicles all arrive at the intersection and stop at the same time, the vehicle on the right of the other two has the right-of-way. When this vehicle moves through the intersection, the driver on the right of the other remaining vehicle has the right-of-way to move first.

Snowplow Crews Receive Many Thanks

The "Blizzard of '96" will long be remembered by Washington, D.C., area residents! Here in Vienna, Department of Public Works crews labored around the clock during and after last month's snowstorm to help residents dig out as quickly as possible. Town Hall received many expressions of thanks for their efforts, including a much appreciated gift of baked goodies from 37-year resident Mrs. J.R. Hausfeld. Pictured is Operations Superintendent Mark Sherwood, who distributed the pies, cookies and brownies to keep the crews well-fueled while plowing snow, repairing waterline breaks, and attending to all the other difficult chores that accompany harsh winter weather. The Town government, in turn, would like to thank all those citizens who assisted by shoveling sidewalks and other efforts.

Collection for mixed recyclable materials, newspapers and bundled brush will be made once weekly on the second collection day of the week.

Collection will not be scheduled for Sundays, Thanksgiving Day, Christmas Day, and New Year's Day. When a regular collection day is missed because of adverse weather conditions, a holiday, or mechanical difficulties, collections will be made on the next regularly scheduled day for that route.

Every effort will be made to cover the established routes as efficiently as possible. Whenever adjustments in the schedule occur, notices to this effect will be placed in the *Vienna Newsletter* and local papers.

REFUSE

Regular household trash, and yard waste consisting of grass, leaves, small clippings, acorns, walnuts, tree vegetation, etc., will be collected on the first day of the scheduled route. Yard waste must be bagged and separated from the regular trash (20 bag maximum and 40 lb. weight per bag

maximum). Dirt will not be accepted with yard waste.

All refuse shall be placed at the curbline or edge of pavement by 7:00 A.M. on collection day (but not earlier than 6:00 P.M. the preceding evening) where it will be easily and safely accessible. Refuse containers shall not be placed and left on a sidewalk or any portion of a street right-of-way where they would interfere with traffic. All trash cans shall be removed from the curbline or edge of pavement as soon as possible after trash pickup and by 7:00 P.M. the same evening as collection. The Town reserves the right to designate the collection point where there is a question or doubt.

All trash containers shall be regular watertight cans made of metal, or plastic (if non-breakable), equipped with handles, tight-fitting covers and with good bottoms. Cans with a maximum capacity weight, quality and type expressly designed for refuse disposal shall be used. Paper bags used in trash compactors and plastic bags may be substituted for cans. The bags shall be removed from the can or other holder, tied at the top, and placed at the curbline or edge of pavement.

In the interest of health and safety, defective trash cans will be red-tagged by trash crews indicating that they are no longer suitable for use. These will be removed the first pickup the following week if left at curbside in an upside-down position.

RECYCLABLES

Mixed recyclable materials, newspapers, and bundled brush will be collected on the second day of the scheduled trash route. Recyclables shall be placed at the curb or edge of pavement by 7:00 A.M. on collection day (but not earlier than 6:00 P.M. the preceding evening) where they will be

easily and safely accessible. Recyclables shall be prepared in the following manner:

MIXED MATERIALS: GLASS bottles and jars, all colors; PLASTIC bottles and jugs; METAL food and beverage cans; and ALUMINUM foil and plates shall be placed together in a transparent plastic bag.
NEWSPAPERS: Shall be bundled with string or placed in brown paper (not plastic) bags separate from other recyclables.
BRUSH: Shall be cut in four-foot lengths and bundled. The diameter for brush collected in bundles is limited to 1½ inches.

(Cardboard is not currently collected at curbside but can be taken to the recycling center at the Vienna Community Center.)

SPECIAL PICKUPS

Each residence or nonprofit organization located in a residential zone is allowed two free special pickups each year. All items shall be placed at the curb or edge of pavement and on the front side of the property. Discards shall not be placed so that they block the sidewalk or street. Discards shall not be placed around trees, poles, signs, fences, or other obstructions. All materials must be separated from brush.

Residents must call for a special pickup as soon as they place discards at the curb or edge of pavement. Residents not complying will be notified that they have 48 hours in which to call for a special pickup. After issuing the notice and no action is taken by the resident, the Town will schedule and collect the debris. The resident will then be charged for the appropriate number of special pickups.

Each special pickup is limited to one dump truck load per residence or nonprofit organization
