

Water Main Flushing Begins

Residents are reminded that the Town's annual water main flushing program begins this month. Flushing is usually done between 11 p.m. and 5 a.m. Some discoloration and sediment in the water may be noticed, but these conditions are not harmful and should be of short duration.

Each spring, the Town of Vienna flushes the water mains in its distribution system in order to maintain a high standard of water quality and to ensure proper and efficient operation of the fire hydrants. For more information, call the Water and Sewer Customer Service Office at 255-6385.

This Month in History

from the Vienna Newsletter archives

APRIL 1987 — On Sunday, April 26, at 2 p.m. immediately preceding the Walk on the Hill, Historic Vienna Inc. will sponsor a dedication of the West End Cemetery as a historic landmark. The president of Historic Vienna will introduce representative members of the families who were the original recipients of the cemetery, given by Col. Harmon Salisbury. The West End Cemetery, located on Lewis Street between Lawyers Road and West Street, will have a historical marker, a wrought-iron fence, and an official sign erected.

APRIL 1977 — Fairfax County Circuit Court Judge Thomas J. Middleton has issued a Writ of Mandamus ordering the Town of Vienna to approve the site plan for a seven story office building at 301 Maple Ave., W. The order effectively prevents the Town from interfering with construction of the project. The project has been vigorously opposed by residents of the Windover Avenue neighborhood, which includes some of the oldest and most historic homes in Vienna. The Council is acting to reduce the height of future commercial buildings permitted in Vienna and to increase the number of parking spaces required for office type use.

APRIL 1967 — Saturday, April 15, has been designated as kick-off day for the "My Kind of Town - Vienna" campaign. The kick-off will be formally inaugurated by a Cleanup Parade led by the Town Council and the Vienna Jaycees. These two groups will sweep the street — Maple Avenue from Lawyers Road to Glyndon Street — beginning at 11 a.m. Many groups will have marching units and decorated cars, all emphasizing "My Kind of Town."

Car Tag Deadline

1997 Town of Vienna motor vehicle decals are available by mail and in the Finance Department at Town Hall weekdays from 8 a.m. to 4:30 p.m. Decals must be displayed by midnight Tuesday, April 15.

Additional hours for last-minute car tag sales have been scheduled on Saturday, April 12, from 8 a.m. to 12 noon and Monday and Tuesday, April 14 and 15, from 8 a.m. to 6 p.m.

The registration fee is \$20 for passenger cars and trucks weighing under 4,000 pounds, \$25 for cars and trucks 4,000 pounds and over, and \$10.50 for motorcycles. For more information, call 255-6323.

Attention Businesses! BPOL Tax Due May 1

All businesses in the Town of Vienna, including home occupations, must renew their business licenses annually. The deadline for filing business, professional and occupational license (BPOL) returns is May 1. Look for the license tax form in the mail this month. License tax forms are also available in the Finance Department at Town Hall.

The annual license tax is based on gross receipts, and the rate varies according to the type of business. The gross receipts threshold is \$50,000, below which the tax does not apply. Those businesses with total annual gross receipts of \$50,000 or less pay only the minimum license fee of \$30 per year. For more information or assistance in figuring license taxes, call 255-6321.

FY '98 Budget Available April 2

Copies of the proposed Town budget for fiscal year 1997-98 will be available for public review beginning Wednesday, April 2, in the Administrative Services Office at Town Hall and at Patrick Henry Library. A "Budget in Brief" summary may be obtained free of charge, and the entire budget document may be purchased. For more information, call 255-6350.

The Town Council will receive public comments and requests concerning the budget at its April 7 meeting, which begins at 8 p.m. in the Council Chamber at Town Hall. Council budget work sessions are scheduled for Monday, April 14, at 7:30 p.m.; Saturday, April 19, at 9 a.m.; and, if needed, Saturday, April 26, at 9 a.m., and Monday, April 28, at 7:30 p.m. A public hearing on the proposed budget is scheduled for May 19.

TOWN RECEIVES BUDGET AWARD — For the third consecutive year, the Town of Vienna has received the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States and Canada. This award, for the fiscal year 1996-97 budget, is the highest form of recognition given for governmental budgeting. In order to receive the budget award, a jurisdiction must satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well a government's budget serves as a policy document, a financial plan, an operations guide, and a communications device. Budget documents must be rated "proficient" in all of these categories to receive the award.

Street Sweeping Continues

The Department of Public Works has implemented a new street sweeping program this spring. The program will continue this month in Section II, which includes the streets east of Lawyers Road to Beulah Road and north of Maple Avenue to the town limit, April 7-11; Section III, east of Beulah Road to the eastern town limit and north of Maple Avenue to the northern town limit, April 14-18; Section IV, east of Glyndon Street and east of the W&OD Trail to the eastern town line and south of Maple Avenue, April 21-25; Section V, east of Center Street and east of Lullaby Lane to Glyndon Street and the W&OD Trail and south of Maple Avenue to the southern town limit; and Section V, east of Center Street and east of Lullaby Lane to Glyndon Street and the W&OD Trail and south of Maple Avenue to the southern town limit, April 28-May 2.

Residents are requested not to park on the street during the scheduled time for their section to allow the street sweeper to do a thorough job. As the time for each section approaches, signs will be placed on streets as a reminder, and residents can also call the Public Works Department at 255-6381 to obtain a more definitive date of when the street sweeper will be on their block.

Goodwill Donations Help Disabled While Saving Taxpayer Dollars

Goodwill Industries maintains an attended donation center in the Giant Food parking lot at 359 Maple Ave., E., each day from 10 a.m. to 3 p.m. (The donation center may close earlier when the truck is full. Please do not leave donations when the site is unattended.)

Goodwill accepts many household items in good working condition, including clothing and shoes, carpets, curtains, bedding, furniture, small appliances, bicycles, exercise equipment, lawnmowers, medical aids such as walkers and wheelchairs, toys, and more. Call (202)636-4225 for additional information and to arrange home pickups of large donations.

Your tax-deductible donations to Goodwill help people with disabilities receive job training, education and employment services. In addition, taking your usable discards to the Goodwill donation center instead of calling for a special trash pickup saves Vienna taxpayers the cost of the special pickup.

Drive Safely in Parking Lots

Safe driving should not end when you enter a parking lot. The standard "rules of the road" should be followed, including yielding the right-of-way to pedestrians, following designated traffic and parking patterns, and maintaining a safe speed.

In Vienna, public parking lots designed to accommodate 50 or more vehicles are subject to police enforcement of the same traffic regulations as on town streets, and a speed of 15 mph is the maximum allowed in these parking lots.

In addition, it is illegal to cut through parking lots to avoid traffic lights or stop signs at intersections.

Beauty Spot from Your Community Beautification Commission

Vienna's Community Beautification Commission recognizes town residents and businesses for improvements to their property, volunteer cleanup efforts, and other worthy beautification projects.

The latest "Beauty Spot" awards, given for their outstanding holiday decorations, go to:

- Robert G. Fill and Robin Savage, 214 Berry St., S.E.
- Dennis and Lin Kelleher, 204 Ridgewood Ct., N.E.
- Wyndell and Cora Carter, 356 Lawyers Rd., N.W.
- Raymond and Marilyn Register, 206 Paris Ct., S.W.

The Commission would also like to thank all of the citizens and merchants who worked so hard and diligently on Vienna's Church Street renovation project.

BEAUTY TIP: Take a moment on April 25, Arbor Day, to notice how much trees contribute to our town. They provide beauty, shade and oxygen, promote property values, and act as reservoirs of rainwater. Unfortunately, trees do have a natural lifespan, and they succumb to stress, pollution and disease. That is why it is so important for us to think about planting more trees to offset the loss.

If you would like to observe Arbor Day by planting your own tree, you may take this article to either location of Merrifield Garden Center April 13-20 and get 15% off any tree in stock priced at \$69.95 and up for a total savings of no more than \$100 (offer not available in conjunction with other offers or on landscaping jobs). Merrifield will be happy to help choose a tree for your yard and explain proper planting procedures.

The Town of Vienna is celebrating Arbor Day with a ceremony at 2 p.m. Sunday, April 20, on the grounds of the Freeman House. All citizens are invited to attend.

The Mayor and Council
of the Town of Vienna, Virginia
cordially invite you to the dedication
of a memorial plaque
in honor of

Former Mayor James C. Martinelli

The Town of Vienna lost a dedicated public servant and community leader when former Mayor James C. Martinelli died February 28. As Mayor from 1964-70, Mr. Martinelli guided Vienna through a period of rapid population growth and increased demand for municipal services. During his tenure, major improvements were made to the town's streets, water and sewer system, and parks and recreation programs; Vienna celebrated its 75th anniversary of incorporation and undertook efforts to preserve its historic structures; development of the Vienna Technology Park began; and a beautification and community betterment campaign known as "My Kind of Town—Vienna" won a national award.

Over the years, Mr. Martinelli also served the town as a Councilman, Planning Commissioner, Centennial Committee member, and civic association president. He was a member of the Board of Zoning Appeals at the time of his death.

Boring Named Chief of Police

Town Manager John H. Schoeberlein has appointed Daniel V. Boring as Chief of the Vienna Police Department. Boring, a 25-year member of the Arlington County Police Department, assumed his new duties in Vienna on March 24, following his retirement from Arlington.

Boring was selected from a field of 60 applicants based on experience, education, personal interviews, and testing by an assessment panel from the International Association of Chiefs of Police. As Vienna's Chief, he will oversee a department of 39 sworn officers and 11 civilian employees, and receive a starting salary of \$69,214.

His career in Arlington was capped by an assignment as Deputy Police Chief in command of the Criminal Investigations Division. He had previously served as Deputy Chief of the Operations Division, where he introduced the Community Based, Problem Oriented Policing program.

Boring has a Master of Science Degree in Administration of Justice from George Washington University and is currently working on another Master's in Public Administration from Virginia Tech.

A U.S. Marine Corps veteran, Boring served in the Viet Nam War and was awarded the Naval Commendation Medal and the Purple Heart.

A Falls Church area resident, Boring is married and has a teenage daughter.

HAPPENINGS AROUND OUR TOWN

South Vienna Association will host a "Candidates Night" on Wednesday, April 2, beginning at 8 p.m. at the Vienna Community Center. All five candidates in the May 6 Town Council election will have the opportunity to present their views on issues and answer questions from the audience. All citizens are welcome to attend.

Learn about youth gangs at a free presentation on Monday, April 28, from 6:30 to 8 p.m. at Madison High School. Terry DeCarbo, a subcommittee member of the Virginia State Crime Commission who has provided training for the CIA, FBI and many local police departments, will explain why youth are attracted to gangs and what you can do help prevent them from joining. The program is sponsored by the Vienna/Madison Community Coalition, Madison High School, and the Governor's Office. For more information, call 255-5721.

Original Vienna Library Centennial Committee is making plans to celebrate the 100th birthday of the "Little Library," now located on the grounds of the Freeman House. If you can remember when this library was the only one in town, please send written remembrances of your visits to the Library Centennial Committee, c/o 401 Orleans Cir., S.W., Vienna, VA 22180. The committee is also looking for photos of the library when it was in operation. The deadline for submissions is April 17. For more information, call Ann Martin at 281-1804.

Your Vote Counts! Election Day May 6

Vienna's annual Town election will be held on Tuesday, May 6. Polls will be open from 6 a.m. to 7 p.m. at the Vienna Community Center. Town elections are non-partisan, and Town Council members are elected at large.

This year, the candidates for four Town Council seats include incumbent Council members Martha B. Garvie, Vincent J. Olson, Michael J. Polychrones and Jane Seeman, and challenger Robert P. McCormick. The top three vote-getters will receive two-year terms and the fourth-place finisher a one-year term, all beginning July 1.

For election results, call the Vienna Newsline, 255-6333, one to two hours after the polls close on May 6.

Voters who will be out of town on election day or who are physically unable to go to the polls may request an absentee ballot from the Fairfax County General Registrar's Office. Call 222-0776 for information.

Voter Registration

Monday, April 7, is the last day to register to vote in the May 6 Town election. You may register in person at various locations around the county, or by mail. For more information, call the Fairfax County General Registrar's Office at 222-0776.

If you are already a registered voter, no additional registration is required for the Town election; however, you should check your voter registration card to be sure it lists your current address.

To be eligible to vote in the Town election, you must be a Vienna resident, at least 18 years old by election day, and a U.S. citizen.

The candidates profiled on these pages have shown their interest in the Town of Vienna by running for Town Council. Please show your interest by taking the time to vote on May 6.

MARTHA B. GARVIE was first elected to Council in 1993. She is a homemaker and seasonal assistant restaurant manager, and formerly taught elementary school specializing in children with emotional handicaps. She is currently a member of the Vienna (Host) Lions Club, and has been active over her 19 years as a Vienna resident in school, church and youth sports organizations. She serves as the Town's representative to the Northern Virginia Regional Park Authority and is also a member of the Church Street Vision Committee, which is working to create a streetscape reminiscent of small-town America. She lives at 102 Windover Ave., N.W.

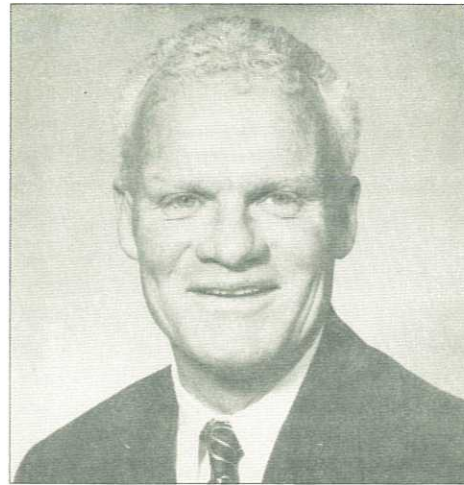

"In looking for just the right place to live, many people come to Vienna. Most are impressed by the popularity of walking to the library, schools, shops and sports fields. This is a charming atmosphere not found in most of Northern Virginia.

"My major concerns for Vienna are escalating traffic and public safety. The ongoing "traffic calming study" is unique in that we are relying heavily on input from residents. In addition, the upgrading of the infrastructure and the improvement of our services follow closely behind.

"The Church Street renewal is near completion and we hope it will be an economic stimulus to that pedestrian-friendly area.

"I look forward to our future capital improvement projects, which include the renovation of the Community Center, a new Public Works complex, and a facelift for Maple Avenue.

"I encourage everyone to vote on May 6. Your vote is one way of telling Council what you think is best for Vienna."

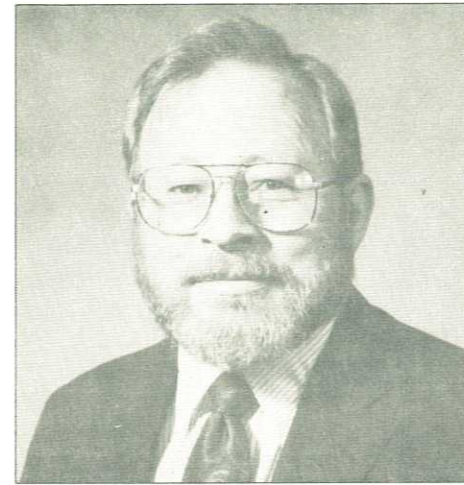

ROBERT P. McCORMICK is seeking election to Council for the first time. He is an independent insurance broker and lives at 428 Knoll St., N.W.

"During my 21 years as a citizen of Vienna, I have learned a lot about our town. As president of the Malcolm-Windover Heights Civic Association for the past five years, I have had the opportunity to see first hand the value of community action, the rewards of living in a friendly neighborhood, and the importance of a caring, receptive Town Council. As a CHO volunteer, I have become acquainted with some of our less fortunate residents and with volunteers who toil quietly to lend a hand.

"As a PTA board member, I have seen not only the dedication of our teachers and administrators, but the importance of parents taking an active role in the education of our children. As a VYS soccer coach for several years, I have learned the enormous benefit of providing healthy activities and teaching teamwork to young adults.

"My experience as a member of the Police Chief's Advisory Committee taught me just how committed our police force is to keeping our town crime free. Working on the committee to build the police motorcycle building, I learned what a group of concerned citizens can do when they decide to act. Finally, as a business owner in Vienna and a member of the Vienna Regional Chamber of Commerce, I have realized the importance of having an involved and vital business community.

"I have always loved to call the Town of Vienna my home. I would appreciate the opportunity to apply what I have learned to serve the citizens as a member of the Town Council. Please vote on May 6."

VINCENT J. OLSON was first elected to Council in 1976. He has also served on the Planning Commission and as the Town Council's representative to the Transportation Safety Commission and the Town/Business Liaison Committee. He currently serves as Mayor Pro tem. A 40-year Vienna resident, he lives at 603 Valley Dr., S.E. He works as a distributor for *The Washington Post* and is a member of the Ayr Hill Lions Club.

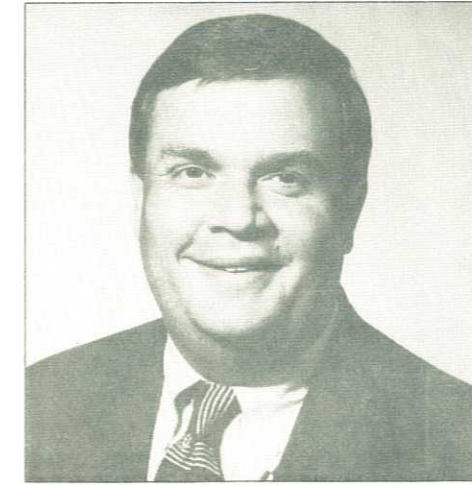

"Vienna, My Home Town — I am so proud to be able to say that and to feel that I have contributed in maintaining Vienna's close-knit, small-town atmosphere.

"This atmosphere doesn't just happen. We have to continue to work to maintain it. I am seeking reelection to Town Council to do that.

"In the next two years we must study and implement changes as recommended in the traffic calming surveys. (What an example of citizen participation!) We must also complete work on ADA (Americans with Disabilities Act) improvements. The Town Hall and Bowman House have been completed, and now we must do the Community Center.

"Like the Town Hall, the Community Center project will not be inexpensive; however, it is probably the facility most used by all Vienna citizens and as such deserves and needs a first-class renovation. Maintaining top quality services at affordable tax levels is also essential.

"With your help on Election Day, I will work to accomplish these things that are needed to keep Vienna the kind of place where we want to live."

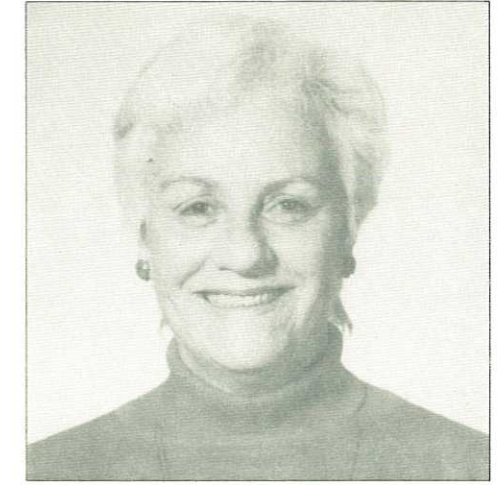

MICHAEL J. POLYCHRONES was appointed to Council last December to serve out the term of George Lovelace, who was elected to the Virginia House of Delegates. He has been active in community service, especially with the Vienna Jaycees, for many years. He is Assistant Vice President, First Virginia Insurance Services, and lives at 1411 Patrick Cir., S.W.

"For the past 37 years I have called Vienna my home, and like most of us who have been here a while, I have seen a great deal of change. Some of this change has been positive, but other changes have left Vienna with serious challenges, including increased cut-through commuter traffic, major gridlock on our main thoroughfares, and an aging infrastructure.

"Addressing these and other challenges requires a long-range plan. Having served on Vienna's Planning Commission and as a certified planning commissioner, I recognize that with good planning and effective implementation, many problems can be lessened, or avoided altogether, and our community can improve its quality of life.

"Like you, I am anxiously awaiting the results of the Town's traffic study. I was serving on the Transportation Safety Commission when the idea was first considered, and I am optimistic that solutions to our traffic problems can be found if we are willing to keep an open mind.

"It is the Town Council's responsibility to keep the balance between growth and modernization, and maintaining Vienna's small-town character that we all enjoy. It is a challenge that I look forward to and a balance that I will strive to maintain as your Councilman. I would appreciate your support and your vote on May 6."

JANE SEEMAN was appointed to Council last November to serve out the term of her husband, the late Councilman Rodger Seeman. She has been a town resident for almost 30 years at 600 Blackstone Terr., N.W. A former chairman of the Beautification Commission, she currently serves on the Fairfax County Library Board of Trustees and the ViVa! Vienna! Board of Directors, and is the Crime Watch coordinator for the Vienna Hills Civic Association. She is a member of Historic Vienna Inc., and the Friends of Patrick Henry Library, where she has volunteered well over 1,000 hours. "Miss Jane" is also the director of the Vienna Community Center preschool program.

"The Spirit of Vienna lives in our neighborhoods. The onslaught of more and more traffic makes our neighborhoods fragile. I will work to protect them in every way possible.

"The Spirit of Vienna lives in the service of its leaders both past and present. I will work to give citizens the best government services at the lowest cost.

"The Spirit of Vienna is in our traditions. I will work to preserve these traditions that are Vienna's strength.

"The Spirit of Vienna lives in all our volunteers who give their time and talent to make Vienna a better place in which to live. I will work to encourage that involvement.

"The Spirit of Vienna lives in our future. I will work to make Vienna's future secure with forward planning yet not losing sight of the past.

"Rodger and I were privileged to live in Vienna and raise our family here. The Spirit of Vienna existed then and it exists now.

"I will work with you and for you. Please remember to vote on May 6."
