

This Month in History

from the Vienna Newsletter archives

FEBRUARY 1990— Ring in Vienna's Centennial year with special activities on February 28, the date of the Town's incorporation 100 years ago. That evening, weather permitting, an outdoor ceremony will be held on historic Church Street, Vienna's original main street. Local church bell choirs will combine their talents on several songs, and the Ayr Hill Players will portray the original Vienna Town Council in an entertaining account of how our Town government began.

FEBRUARY 1980— What does the number 22180 mean to you? Why, it's the Vienna zip code, of course. But written another way, 2/21/80, the number stands for February 21, 1980. Vienna is one of a very few communities in the country having a zip code that coincides with a date in the near future. Town residents are invited to join in a celebration on February 21 to mark this unique event. In case of inclement weather, the celebration will go on as scheduled. Remember, neither rain nor snow nor sleet . . .

FEBRUARY 1970— After nearly a year's absence, the "Vienna, Va." and "Railway Express Agency" signs from the old railroad station have been located. Recently, the Town Manager received a call from a gentlemen in Maryland who had the signs in his collection of railroad memorabilia, and he is more than willing to return them to the Town.

Home Businesses Require Permit

Vienna regulates the operation of in-home businesses by requiring that a home occupation permit be secured prior to start-up. A home occupation is permitted in any residential zone provided that the business complies with the following regulations:

- Is operated entirely within the home.
 - Employs no person other than immediate family members living in the home.
 - Creates no external evidence of the home occupation, including any advertisement other than a name plate.
 - Does not use more than 25% of the gross livable floor area.
 - Does not use any internal combustion engine as a power source and does not use more than a total of three horsepower in electric motors.
 - Will not emit any excess sounds, odors, or smoke beyond the property.
 - No merchandise is sold on the premises.
 - Customers or clients may call by appointment only.
 - All merchandise and equipment must be stored inside the home.
 - Deliveries to and from the home may be made only between 8 a.m. and 6 p.m.
- For more information, call the Planning and Zoning Department at 255-6341.

Trash Regulations Brochure Inside

An updated brochure outlining Vienna's solid waste regulations is printed on pages 5 and 6 of this newsletter. Please save the brochure and refer to it whenever necessary. If you have questions, please call the Public Works Department at 255-6382.

Residents are reminded that all refuse must be placed at the curb by 7 a.m. on collection day but not earlier than 6 p.m. the preceding evening. Empty trash cans should be removed from the curb as soon as possible after trash pickup and no later than 7 p.m. the same day as collection.

Holiday Closing

Town Hall will be closed on Monday, February 21, for Washington's Birthday. Trash will be picked up as usual that day for residents on the Monday collection route.

Mulch Delivery Ending

February 29 is the last day to order a free delivery of ground leaf mulch or ground wood mulch from the Public Works Department. To place your order and for more information, call 255-6382. The minimum order for each type of mulch is a dump truck load (about the size of a Volkswagon "beetle"). Residents may pick up mulch themselves in any amount at the Beulah Road storage facility near Glyndon Park.

NEWSLETTER

February 2000

New Yard Waste Disposal Rule

Due to changes in Fairfax County solid waste regulations, Vienna residents must now place yard waste in clear plastic bags or kraft paper bags for pickup by Town sanitation crews. Yard waste includes leaves, grass, small clippings, acorns, and other vegetation and is picked up on the first collection day each week, the same day as regular household trash pickup.

This new requirement will allow the sanitation crews to easily identify the contents of bags containing recyclable yard waste. When black or dark green bags are used, it can be difficult to determine what they contain.

The clear plastic bags may be purchased in the Finance Department at Town Hall during regular business hours. The cost is \$5.25, including tax, for a box of 50 bags. Bags may also be available at some local grocery stores.

FY 2001 Budget Process Underway

Preparation of Vienna's budget for fiscal year 2000-2001 has begun. Citizens who have suggestions about what items should be given priority for funding are encouraged to express their views in writing to Town Manager John H. Schoeberlein by February 4. Citizens will also have an opportunity to comment on the proposed budget at the May 15 Town Council meeting.

February 4 is also the deadline for non-profit Vienna organizations to apply for donations of Town funds in FY 2001. For information on how to apply, call the Town Manager's Office at 255-6370.

Council Candidate Filing Deadline

March 7 is the filing deadline for candidates in the May 2 Town Council election. This year, voters will elect the Mayor and three Town Council members for two-year terms beginning July 1. Filing forms are available in the Town Clerk's Office at Town Hall. For more information, call 255-6303.

Republican Primary February 29

A Republican Party presidential primary election will be held on Tuesday, February 29. Polls will be open from 6 a.m. to 7 p.m.

To determine your polling place, request an absentee ballot, and for other election information, call the Fairfax County General Registrar's Office at 222-0776.

The following candidates will appear on the ballot: George W. Bush, Gary Bauer, John McCain, Alan L. Keyes, and Steve Forbes. Voters will be required to sign a statement that they will not participate in the nominating process of any other political party.

Mayor Charles A. Robinson, Jr.

Charles A. Robinson, Jr.'s public service career spanned four decades, beginning with his appointment to the Vienna Board of Zoning Appeals in 1954 and then the Town Planning Commission in 1960. He was first elected to the Town Council in 1962 and served as Mayor from 1976 until his death on January 3, 2000.

Mayor Robinson was a member of the Virginia Municipal League Executive Committee for eight years, chairing the Town Section from 1976 to 1979, and then moving up through the officers' positions to become League President for 1983-84. He had served as Board Chairman of the Virginia Municipal Group Self Insurance Association since its inception in 1980, and also served until his death as a member of the Board of the Virginia Municipal Liability Pool, the League's Legislative Committee and Chairman of its Task Force on Intergovernmental Structures and Relationships, the Transportation Coordinating Council for Northern Virginia, and the Executive Committee of the Northern Virginia Regional Partnership.

Mayor Robinson was born May 7, 1920, in Providence, Rhode Island, and graduated from Darien High School in Darien, Connecticut. He received an electrical engineering degree from the University of Virginia and graduated with honors from the George Washington University Law School. At Virginia, he was elected to the Raven Society and to Tau Beta Pi, the national engineering society.

During World War II, he served with the Army Air Force in the Pacific Theater of Operations. His unit was awarded two battle stars. In 1947 he married Maud Ferris, and the couple settled in Vienna at 124 Courthouse Rd., S.W. He maintained a small law practice in Vienna for many years and in 1988 retired as Deputy General Manager and Chief Operating Officer of the National Rural Electric Cooperative Association, a national trade association employing some 600 persons. He was a former Council Member and Vice Chairman of the Corporate Finance Committee of the American Bar Association's Public Utility Communications and Transportation Law Section.

Mayor Robinson was named 1995 Rotarian of the Year and a Paul Harris Fellow of Rotary International by the Vienna Rotary Club, 1995 Distinguished Humanitarian by the Lions of Virginia, and 1984 winner of Vienna Toastmasters International Communicator Achievement Award. He was also the recipient of a Presidential Sports Award from the President's Commission on Physical Fitness. He was a member of the Vienna Host Lions Club, Historic Vienna, Inc., American Legion Dyer-Gunnell Post 180, and the American Bar Association; a charter member of the Vienna Wireless Society; an honorary life member of the Vienna Volunteer Fire Department; an honorary member of the Vienna Jaycees, Toastmasters International, and the Rotary Club of Vienna; and a life member of the Institute of Electrical and Electronic Engineers.

Revisit Vienna Zip Code Day February 21

A special day occurred in Vienna on February 21, 1980. It was Zip Code Day! Vienna was one of just a few communities having a Zip Code — 22180 — that coincided with a calendar date — 2/21/80.

A celebration was held to commemorate this occasion and a time capsule was created, to be opened 20 years later. Several hundred elementary school students wrote letters, and organizations and individuals submitted photos, news articles and other items depicting what life was like in 1980.

The opening of the time capsule and other Zip Code Day Revisited activities are scheduled for 1:30 p.m. Monday, February 21, 2000, at the Freeman House on Church Street, where the time capsule has been waiting since the original Zip Code Day. All Vienna residents, especially those who contributed to the time capsule, are invited to attend.

Zip Code Day Revisited is sponsored by the Vienna Regional Chamber of Commerce, the Vienna Post Office and Historic Vienna, Inc. For more information, call the Chamber of Commerce at 281-1333.

REGISTRATION FORM ON NEXT PAGE

Residents of the Town of Vienna,

The Town of Vienna Police Department and the Vienna Volunteer Fire Department have united to implement an inclement weather program. In the event of severe weather, wide spread power outages, or hazardous road conditions, a "check on the welfare" telephone call list will be activated, and if needed, a temporary emergency shelter will be opened and kept in operation until either the Fairfax County Disaster Operations Center can open a shelter or until the situation resolves itself.

This program was designed in response to the severe ice storm that struck the Town during the winter of 1998/99 and is directed at citizens who have special needs such as the elderly, the physically challenged or individuals with severe medical conditions. The purpose of the program is two-fold. First, in the event of severe weather, to provide a point of contact to check on the status of each individual on the list, and second, if needed, to provide a temporary shelter location until the power has been restored, a longer term shelter is opened, or the weather and road conditions improve.

To register for this program, all that is required is that you fill out the attached form and return it to the Vienna Police Department.

For more information, contact Sergeant Mike Miller (255-6366) of the Vienna Police Department, or Chief Bill Ellis (703-721-6770 voice mail pager) of the Vienna Volunteer Fire Department.

Sincerely,

Daniel V. Boring
Chief of Police

GENERAL INFORMATION

Collection for regular trash and yard waste (except bundled brush) will be made once weekly on the first collection day of the week.

Collection for mixed recyclable materials, newspapers and bundled brush will be made once weekly on the second collection day of the week.

Collection will not be scheduled for Sundays, Thanksgiving Day, Christmas Day, and New Year's Day. When a regular collection day is missed because of adverse weather conditions, a holiday, or mechanical difficulties, collections will be made on the next regularly scheduled day for that route.

Every effort will be made to cover the established routes as efficiently as possible. Whenever adjustments in the schedule occur, notices to this effect will be placed in the *Vienna Newsletter* and local papers.

REFUSE

Regular household trash, and yard waste consisting of grass, leaves, small clippings, acorns,

walnuts, tree vegetation, etc., will be collected on the first day of the scheduled route. Yard waste must be bagged in clear plastic or kraft paper bags and separated from the regular trash (20 bag maximum and 40 lb. weight per bag maximum). Dirt will not be accepted with yard waste.

All refuse shall be placed at the curbline or edge of pavement by 7:00 A.M. on collection day (but not earlier than 6:00 P.M. the preceding evening) where it will be easily and safely accessible. Refuse containers shall not be placed and left on a sidewalk or any portion of a street right-of-way where they would interfere with traffic. All trash cans shall be removed from the curbline or edge of pavement as soon as possible after trash pickup and by 7:00 P.M. the same evening as collection. The Town reserves the right to designate the collection point where there is a question or doubt.

All trash containers shall be regular watertight cans made of metal, or plastic (if non-breakable), equipped with handles, tight-fitting covers and with good bottoms. Cans with a maximum capacity weight, quality and type expressly designed for refuse disposal shall be used. Paper bags used in trash compactors and plastic bags may be substituted for cans. The bags shall be removed from the can or other holder, tied at the top, and placed at the curbline or edge of pavement.

In the interest of health and safety, defective trash cans will be red-tagged by trash crews indicating that they are no longer suitable for use. These will be removed the first pickup the following week if left at curbside in an upside-down position.

RECYCLABLES

Mixed recyclable materials, newspapers, flattened cardboard, magazines, catalogs, junk mail, telephone books, and bundled brush will be collected on the second day of the scheduled trash

route. (See section on "Routes" above.) Recyclables shall be placed at the curb or edge of pavement by 7:00 A.M. on collection day (but not earlier than 6:00 P.M. the preceding evening) where they will be easily and safely accessible. Recyclables shall be prepared in the following manner:

MIXED MATERIALS: GLASS bottles and jars, all colors; PLASTIC bottles and jugs; METAL food and beverage cans; and ALUMINUM foil and plates shall be placed together in a transparent plastic bag.

NEWSPAPERS, FLATTENED CARDBOARD, MAGAZINES, CATALOGS, JUNK MAIL, AND TELEPHONE BOOKS: Must be bundled and tied with cord or placed in brown paper (not plastic) bags separate from other recyclables. No styrofoam packing, peanuts, or plastic wrapping should be left in any cardboard box.

BRUSH: Shall be cut in four-foot lengths and bundled. The diameter for brush collected in bundles is limited to 1½ inches.

SPECIAL PICKUPS

Each residence or nonprofit organization located in a residential zone is allowed two free special pickups each year. All items shall be placed at the curb or edge of pavement and on the front side of the property. Discards shall not be placed so that they block the sidewalk or street. Discards shall not be placed around trees, poles, signs, fences, or other obstructions. All materials must be separated from brush.

Residents must call for a special pickup as soon as they place discards at the curb or edge of pavement. Residents not complying will be notified that they have 48 hours in which to call for a special pickup. After issuing the notice and no action is taken by the resident, the Town will
